Certified Public Accountant (CPA) Support Services Request for Proposal (**RFP**) 2026-01 Valley Transit is seeking proposals and pricing for a CPA to provide as needed accounting and advisory services to support and advise our Finance Manager. The goal is to retain professional CPA services on an on-call basis to serve as a technical sounding board, including assisting with the interpretation and implementation of new or revised BARS and GASB requirements; reviewing and advising on Valley Transit's internal accounting, financial, and related administrative policies and procedures; and providing targeted training or coding to Finance staff on applicable accounting standards, internal controls and best practices as requested. **RFP** packages can be obtained from Valley Transit's Finance Department, 1401 West Rose Street, Walla Walla, WA 99362 or by email at melanie@valleytransit.com. Sealed submittals must be received by 2:00 pm, August 6, 2026. Submittals after this time will not be accepted. (115901) June 18 and 20, 2026
