LIVING WAGE ACT FACT SHEET

The Living Wage Act of 2006, D.C. Code §§ 2-220.01 – 2-220.11, provides that District of Columbia government contractors and recipients of government assistance (grants, loans, tax increment financing), in the amount of \$100,000 or more, shall pay affiliated employees wages at no less than the current living wage rate.

Effective January 1, 2022 until June 30, 2022, the living wage rate is \$15.50 per hour.

Effective July 1, 2022, the District's Minimum Wage will increase again based on the CPI as of December 31, 2021.

Subcontractors of D.C. government contractors, who receive \$15,000 or more from the contract, and subcontractors of the recipients of government assistance, who receive \$50,000 or more from the assistance, are also required to pay their affiliated employees no less than the current living wage rate.

“Affiliated employee” means any individual employed by a recipient who receives compensation directly from government assistance or a contract with the District of Columbia government, including any employee of a contractor or subcontractor of a recipient who performs services pursuant to government assistance or a contract. The term “affiliated employee” does not include those individuals who perform only intermittent or incidental services with respect to the government assistance or contract, or who are otherwise employed by the contractor, recipient or subcontractor.
