PROHIBITED TELECOMMUNICATIONS SYSTEMS CERTIFICATION

The undersigned, a duly authorized representative of Bidder, certifies that:

1. No services to be provided, supplied, installed or utilized under this contract constitute telecommunications services, equipment or systems prohibited under Section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (P.L. 115-232), as may be implemented by 2 C.F.R. 200.216; and
2. If Bidder later learns that prohibited telecommunications services, equipment or systems have been supplied, installed, or utilized under this contract, Bidder shall immediately inform the Procuring Agency in writing. The Procuring Agency may treat such occurrence as an event of default of the contract and may require the Bidder to promptly replace such prohibited service, equipment and systems at the Bidder's sole cost or take such other actions pursuant to the contract.

The Bidder certifies or affirms the truthfulness and accuracy of the contents of the statements submitted on or with this certification. In addition, the Bidder understands and agrees that the provisions of 31 U.S.C. § 3801, et seq., are applicable to this certification.
