### FEDERAL TAX LIABILITY CERTIFICATION

Absent prior FTA approval, the Procuring Agency is prohibited from entering into a third-party agreement with any private corporation, partnership, trust, joint-stock company, sole proprietorship, or other business association that cannot certify as set forth below.

The undersigned, a duly authorized representative of Bidder, certifies and declares that:

1. Bidder does not have any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and
2. Bidder was not convicted of the felony criminal violation under any Federal law within the preceding 24 months.
3. Prior to entering into any subcontract, the Bidder will require the subcontractor to submit a certification in substantially the same form as this certification. If the prospective subcontractor cannot certify as to the statements in the certification, the Bidder shall not enter into the subcontract absent Procuring Agency and FTA approval.

The Bidder certifies or affirms the truthfulness and accuracy of the contents of the statements submitted on or with this certification. In addition, the Bidder understands and agrees that the provisions of 31 U.S.C. § 3801, et seq., are applicable to this certification.
