Description

The Government intends to solicit and negotiate with only one source under the authority of RFO FAR 6.130-1 for Armed Protective Security Officer (PSO) services with Bradley Technologies, Inc. (1700 Rockville Pike, STE 200, Rockville, MD 20852) for up to four (4) months, July 01, 2026, through October 31, 2026, to allow time to solicit and award the follow-on contract, as well as to provide adequate time for the 120-day transition. This action will result in a modification to extend the ordering period of the existing indefinite delivery/indefinite quantity type contract to allow placement of a task order to continue critical PSO services throughout the IRS complex in Austin, TX. Task orders(s) will only be issued under this contract for the necessary length of time required,

but not to exceed four (4) months. As such, this extension will allow time to complete the solicitation and award as well as provide an adequate transition period to the new effort for this requirement.
