The exhibits identified in the Proposed Agreement contain agreement terms that require strict adherence to various laws and contracting policies. CHP will not accept alterations to the General Terms and Conditions (GTC), the Special Terms and Conditions, or the Scope of Work; or alternate agreement/exhibit language submitted by a prospective contractor. CHP will consider a bid containing such provisions "a counter proposal" and CHP may reject such a bid.

1. Resolution of differences between SB BID and agreement language

If an inconsistency or conflict arises between the terms and conditions appearing in the final agreement and the proposed terms and conditions appearing in this SB BID, any inconsistency or conflict will be resolved by giving precedence to the agreement.
