- M. Where applicable, bidders should carefully examine work sites and specifications. Bidders shall investigate conditions, character, and quality of surface or subsurface materials or obstacles that might be encountered. No additions or increases to the contract amount shall be made due to a lack of careful examination of work sites and specifications.

A separate redacted copy of the bid must be submitted along with the original unredacted bid, and it will be the bidder's responsibility to defend any redactions should a requester dispute them under the Public Records Act. ## **6. Disposition of Bids**

- A. All documents submitted in response to this SB Bid shall become the property of the State of California, and shall be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.). However, the contents of all proposals, draft bids, correspondence, agenda, memoranda, working papers, or any other medium which discloses any aspect of a bidder's bid, shall be held in the strictest confidence until notice of award is released. The content of all working papers and discussions relating to a bid shall be held in confidence indefinitely, unless the public's interest is best served by an item's disclosure because of its direct pertinence to a decision, agreement, or evaluation of a bid.

## **7. Evaluation and Selection**

- B. The DMV shall put each bid through a process of evaluation to determine its responsiveness to the DMV's needs.
- C. A bidder may be deemed not responsible and their bid may be rejected if they have previously been terminated for cause/breach for the same or similar services at the location designated in this SB Bid.
- D. All bids may be rejected whenever the DMV determines that the cost is not reasonable or otherwise in the best interest of the DMV. There is no requirement to award a contract if, in the

opinion of the DMV, no bids were received containing a reasonable contract price or if there is another business-based reason not to make an award.

- E. Bids that contain false or misleading statements, or which provide references that do not support an attribute or condition claimed by the bidder, may be rejected. If, in the opinion of the DMV, such information was intended to mislead the DMV in its evaluation of the bid, and the attribute, condition, or capability is a requirement of this SB Bid, it shall be the basis for rejection of the bid.
- F. A bid may be rejected if it is conditional or incomplete. The DMV may reject any or all bids and may waive any immaterial deviation in a bid. The DMV's waiver of immaterial defect shall in no way modify the SB Bid document or excuse the bidder from full compliance with all requirements if awarded the contract.
- G. A bid may be rejected if it contains any alterations of form or other irregularities of any kind. **The DMV does not accept alternate contract language from prospective contractors.** Bids with such language shall be considered a counter proposal and shall be rejected. The State's General Terms and Conditions (GTC) are not negotiable. The GTC may be viewed on the internet at: <http://www.dgs.ca.gov>.
- H. The final selection shall be made on the basis of the lowest responsible responsive bid. In the event there is tie, each of the tied bidders shall be contacted by the contact person indicated on the cover page of this SB Bid regarding a date and time for a flip of a coin. The bidder whose bid was received first shall make the call. Bidders or their authorized representative(s) are allowed to be present for the flip of the coin,
