Unless a Request for Competitive Offer (RCO) is solicited directly by another County Department, the only official distribution source for this RCO is through the Department of General Services. Additionally, most RCO documents issued by the Department of General Services are distributed through BidNet which can be accessed through <https://www.bidnetdirect.com/new-york/county-of-orange>. If you have obtained this RCO from a different source, you are encouraged to contact the Department to receive an official copy. You may not receive addenda or important information regarding this RCO if you are not registered with the Department of General Services as having obtained a copy of this RCO through the Department or through BidNet.

Your Bid will be considered by the County if the following conditions are met:

1. THIS REQUEST FOR COMPETITIVE OFFER (RCO) IS A FORMAL BID WITH A BEST VALUE BASIS OF AWARD WHICH MEANS THAT THE LOWEST PRICE MAY NOT BE THE DETERMINING FACTOR IN THE AWARD. PLEASE REVIEW THE BASIS OF AWARD SECTION OF THIS RCO FOR THE CRITERIA THAT WILL BE CONSIDERED IN MAKING THE AWARD. Some RCOs may be awarded to more than one entity. The Commissioner of General Services reserves the right to waive any informality, reject any and all Bids, or, if noted in the Basis of Award section of this RCO, accept any Bid in whole or in part, if deemed to be in the best interest of the County.

2. Pursuant to State Finance Law §139-j and §139-k, this solicitation includes and imposes certain restrictions on communications between the County and a Bidder during the procurement process. A Bidder is restricted from contacting other than designated staff from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by the County Executive ("Restricted Period") unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). County employees are required to obtain certain information when contacted during the Restricted Period. The designated staff contact is the Commissioner of General Services or her representative, telephone (845) 291-2792. Bidders responding to this RCO must familiarize themselves with these State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the Bid Form.

4. If RCO Specifications or the Bid Form are altered in any manner to suit your pricing, packaging, manufacturing requirements etc., your Bid shall be deemed non-responsive and will not be considered. If clarification is required on any aspect of the RCO it is necessary to submit questions to the Department of General Services as set forth below.

Forms, if any, issued in this RCO shall be completely filled in, in ink or by typing, on the original form, if included in this RCO. Failure to respond to this RCO on any official form(s) included in this RCO may result in disqualification of a Bid as non-responsive. No Bid Form will be accepted which contains any additions, omissions or erasures. Each Bid Form shall be properly executed and signed by the Bidder. Illegible, conditional Bids and unsigned Bids will be rejected as non-responsive.

8. Permission will not be given to modify or explain any Bid after it has been opened, unless clearly specified in this document (e.g., interviews). Permission to withdraw a Bid prior to Bid opening will be at the discretion of the County and no replacement Bid may be submitted without authorization from the Commissioner of General Services. Opened Bids which required a deposit for plans and specifications may not be withdrawn until forty-five (45) days after opening.

9. Any award shall be subject to the issuance of a purchase order by the County and the availability of appropriated funds. No legal liability on the part of the County for payment of any money shall arise unless and until a purchase order is issued, funds are appropriated and made available in each year of the term of the award, and all performance requirements for each payment are met. The County shall have no responsibility or liability for any Bidder's costs related to preparation of Bids, attendance at interviews, etc.; all such costs are solely at Bidder's risk and expense.

10. Bidder(s) who receive an award agree to the ORANGE COUNTY, NEW YORK PURCHASE ORDER, INSTRUCTIONS TO SUPPLIER AND GENERAL TERMS AND CONDITIONS attached and incorporated into this RCO ("PO Terms and Conditions").

11. The County maintains a unilateral right to cancel or extend the award in accordance with the Term section of this RCO and/or the PO Terms and Conditions. If a Vendor fails to perform or otherwise breaches the PO Terms and Conditions, in addition to any other rights and remedies the County may have, Vendor may be listed as non-responsible and may be ineligible for future contract awards.

14. A Non-Collusion Certification, Disclosure of Non-Responsibility Determination and Iran Divestment Act Certification are included in this RCO. Bidders must complete and submit a signed original of each and the applicable number of copies of each with each Bid.
15. Supplier Forms are provided with this RCO. Bidders that have not received a purchase order in the last twelve (12) months from the County must submit completed and signed Supplier Forms prior to execution of a contract by the County.
16. Please be advised that this solicitation is subject to Orange County Local Law No. 13 of 2013, as amended, known as the "Pay-to-Play Law". Pay-to-Play Forms will be made available with this RCO. All Pay-to-Play Forms should be submitted with your Bid and will be required if you are awarded a contract. The Pay-to-Play Forms are required from the Vendor/Consultant (unless exempted by the law) prior to execution of a contract by the County.
17. Pursuant to New York's Freedom of Information Law ("FOIL") (Public Officers Law, Article 6, Sections 84-90) all government records are presumptively open for public inspection unless specifically exempted from disclosure under FOIL. Bidders who have a good faith belief that information contained in their Bid is exempt from disclosure under FOIL must, at the time of their submission, request the exemption in writing, setting forth the basis for the claimed exemption. In addition, the Bidder must mark each page of its submission claimed to be exempt from disclosure under FOIL with the following legend: **"THE BIDDER BELIEVES THAT THIS INFORMATION IS PROTECTED FROM DISCLOSURE UNDER THE NEW YORK STATE FREEDOM OF INFORMATION LAW."** Neither the Bidder's classification of materials as exempt under FOIL, nor the County's acceptance of Bidder's Bid with the claimed exemption(s), should be considered a final determination as to whether the designated materials are exempt from disclosure under FOIL. Any and all determinations as to the propriety of claimed exemptions will be made by the County and/or a court of law in accordance with applicable law.

PURCHASES BY OTHER LOCAL GOVERNMENTS AND SCHOOL DISTRICTS

New York State General Municipal Law §103(3), §103(16), County Law §408-a, and County Procurement Policy allow New York State political subdivisions and districts to make purchases through County contracts open to such procurements by the County. **THE AWARD OF ANY CONTRACT UNDER THIS RCO SHALL BE OPEN TO SUCH PROCUREMENTS. OFFERORS WHO DO NOT WISH TO ACCEPT THIS AS A CONDITION OF CONTRACT SHOULD NOT SUBMIT A PROPOSAL.**

1. The Department of General Services shall make award information on any contract resulting from this RCO available to other political subdivisions.

2. Other political subdivisions or districts will issue purchase orders directly to Vendor/Consultant within the specified contract period referencing the County's contract and shall be solely liable and responsible for all payments due on under the contract for that political subdivision's or district's use of the Contract. The County shall not be liable or responsible for any debts incurred by other users of any contract resulting from this RCO.

3. All purchases shall be subject to audit and inspection by the County.

4. Necessary deviations from the County's specifications in the award of a participant contract, for example quantities or delivery points, shall be resolved between the successful Offeror and the other political subdivisions or districts. However at no time shall any change to price and product specifications be permitted, except where an item has been replaced by another item due to obsolescence or pricing is contingent on an outside factor (e.g. fuel at market rates) pursuant to the terms of the contract, and/or the Vendor or Consultant offers reduced pricing to any participant, which then must be made immediately available to all participants. If a product specification requires modification due to obsolescence, the County must approve a change of product in writing in order for it to be valid. In the event a product substitution is approved, no change in price will be permitted except when the price will be lower than the originally awarded price. Any reduced pricing shall be applicable to all other participants' quantities ordered on or after the date such reduced pricing became effective for the initial participant receiving such pricing.

ASSIGNMENT AND SUBCONTRACTING

Vendor shall not assign or subcontract the performance of its obligations, in whole or in part, under any award issued from this RCO, without the prior written approval of the County, at its sole discretion. A copy of any proposed assignment or subcontract shall be submitted to the County with Vendor's written request for approval a minimum of ten (10) days prior to any assignment or subcontract. County's failure to approve or deny the request prior to the intended start date of any assignment or subcontract shall be deemed a denial of the request.

TERM

The County anticipates that the term of this award will be for one (1) year. The County reserves the right to extend the award for up to four (4) additional one (1) year periods, under no less favorable terms and conditions as the terms and conditions of the original award.

Upon expiration of the original award term or any renewal thereof, if authorized by the County as above, the award may be extended unilaterally by the County for an additional period of up to two months upon notice to the Vendor with the same terms and conditions as the original award including, but not limited to, quantities (prorated for such extension), prices, and delivery requirements. With the concurrence of the Vendor, the extension may be for a period of up to three months in lieu of the up to two-month period

PRICING

1. **We do not accept any conditional bids (i.e.: minimum quantities, minimum dollar amount orders).**
2. Pricing must be submitted on the provided Bid Form.
3. The prices submitted shall be exclusive of federal and state sales taxes (or other taxes inapplicable to government entities) and must not include any tax for which the Bidder may claim exemption because of doing business with the County.
4. Unless otherwise indicated in this RCO, prices shall be net, including transportation and delivery charges fully prepaid by the successful Vendor to the destination indicated in the purchase order. Prices are to be listed as FOB Delivered: ORANGE COUNTY, NY. No freight and/or handling or fuel surcharges will be accepted, unless otherwise agreed to in the purchase order. Delivery of all products will be made free of transportation charges, the prices bid by Vendor being delivered prices.
5. At no time shall any change to price and product specification be permitted, for the entire term of the award, except where an item has been replaced by another item due to obsolescence. In this instance, the County must approve a change of product in a written change order for it to be valid. In the event a product substitution is approved, no change in price will be permitted except when the price will be equal to or lower than the originally awarded price.
6. The proposed Scope and Specifications are not a guarantee, were developed based on past or anticipated needs, and are as accurate as the County can ascertain at the time of issuance of this RCO. When an anticipated volume or other quantities or goods or services are listed, the County has listed these either based upon a history of usage over a previous period or anticipated need. The County in no way guarantees that the actual quantities listed will be ordered. When volume or quantities are listed, the Bidder should understand that the actual volume or quantities may be more or less, depending on the actual needs of the County. The Bidder shall hold the County harmless against any damages because of estimated volume or quantities. In the event quantities exceed the estimate, the County shall receive the price as listed in the award or, if a better price is available at that time, that price shall be passed on to the County.

PAYMENT

1. Payment shall be made after County acceptance of merchandise, with the submission of a detailed invoice that must reference the purchase order number, item description, quantity and bid price.

THIS REQUEST FOR COMPETITIVE OFFER (RCO) IS A FORMAL BID WITH A BEST VALUE BASIS OF AWARD WHICH MEANS THAT THE LOWEST PRICE MAY NOT BE THE DETERMINING FACTOR IN THE AWARD. PLEASE REVIEW BELOW FOR THE CRITERIA THAT WILL BE CONSIDERED IN MAKING THE AWARD

1. The County will award a firm fixed-price contract per item, by group or by aggregate, whichever is in the best interest of the County, to the lowest responsible bidder that can guarantee the specifications as described above.
2. Bids will be scored and weighted against each criterion by an evaluator or evaluation team using the rating scale below, in accordance with the weight given to the applicable point range for that criterion.

Item	Criteria	Points
A	References	2-10
B	Vendor on-site 1x per month	+10
C	Approximately 50 miles distance to Fire Training Center	+20
D	Cost Proposal	Maximum of 80
	Total available points	120

3. Cost Scoring: The proposed cost will be determined as follows:

Award of any contract shall be made to the responsible Vendor/Consultant, whose Bid is determined to be in the best interest of the County.

5. The County reserves the right to: accept other than the lowest priced offer, waive any informality, or reject any or all bids, with or without advertising for new bids, if in the best interest of the County.

 - (2) Unless otherwise required by law, the prices which have been quoted in this Bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to opening, directly or indirectly, to any other Bidder or to any competitor; and
 - (3) No attempt has been made or will be made by the Bidder to induce any other person, partnership or corporation to submit or not to submit a Bid for the purpose of restricting competition.”
- (b) A Bid shall not be considered for award nor shall any award be made where the provisions of (a)(1)(2) and (3) above have not been complied with; provided however, that if in any case the Bidder cannot make the foregoing certification, the Bidder shall so state and shall furnish with the Bid a signed statement which sets forth in detail the reasons therefore. Where (a)(1)(2) and (3) above have not been complied with, the Bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the Bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a Bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being proposed, does not constitute, without more, a disclosure within the meaning of subparagraph (a)(1)-(3) of this certification.

Any Bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a Bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such Bid contains the certification referred to in subparagraph (a)(1)-(3) of this certification, shall be deemed to have been authorized by the board of directors of the Bidder, or other authorizing body or vote of the bidder’s business entity if other than a corporation, and such authorization shall be deemed to include the signing and submission of the Bid and the this Non-Collusion Certification as the act and deed of the corporation or other business entity submitting the Bid.

INSTRUCTIONS FOR COMPLETING THE DISCLOSURE OF PRIOR NON-RESPONSIBILITY DETERMINATIONS

Background:

New York State Finance Law §139-k(2) obligates a Governmental Entity to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. In accordance with State Finance Law §139-k, an Offeror must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. In accordance with law, no Procurement Contract shall be awarded to any Offeror that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offeror is necessary to protect public property or public health safety, and that the Offeror is the only source capable of supplying the required Article of Procurement within the necessary timeframe.

IRAN DIVESTMENT ACT CERTIFICATION

The Iran Divestment Act of 2012 (“Act”), Chapter 1 of the 2012 Laws of New York, added State Finance Law (SFL), §165-a and General Municipal Law §103-g, effective April 12, 2012. Under the Act, the Commissioner of the New York State Office of General Services (“OGS”) developed a list (“Prohibited Entities List”) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). In accordance with SFL § 165-a(3), the Prohibited Entities List may be found on the OGS website at <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>.

Pursuant to General Municipal Law §103-g, by signing below, Bidder certifies as true under the penalties of perjury that: By submission of this proposal each Bidder and each person signing on behalf of any Bidder certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each Bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law.

A proposal shall not be considered for award nor shall any award be made where the certification has not been made, provided, however, that if in any case the Bidder cannot make the certification, the Bidder shall so state and shall furnish with the proposal a signed statement which sets forth in detail the reasons therefor. The County may award a contract to a Bidder who cannot make the required certification on a case-by-case basis if:

1. The investment activities in Iran were made before April 12, 2012, the investment activities in Iran have not been expanded or renewed after April 12, 2012, and the person has adopted, publicized, and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or
2. The County makes a determination that the goods and services are necessary for the County to perform its functions and that, absent such an exemption, the political subdivision would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

During the term of the Contract, should the County receive information that a person is in violation of the above-referenced certifications, the County will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the County shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the contractor in default.

The County reserves the right to reject any Bid, proposal, contract or request for assignment for an entity that appears on the Prohibited Entities List prior to the award or execution of a contract or any renewal thereof, as applicable, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities List after contract award.
