NONE

Scope of Work

The City of Titusville seeks the submittal of Qualifications from qualified firms who are interested in providing professional planning and engineering consulting services in accordance with the CCNA guidelines for a study and strategies for the redevelopment of the former Royal Oak golf course and who are able to demonstrate specialized experience, technical competence, and capacity related to the type of work described herein this RFQ. This RFQ is for a feasibility study only to provide redevelopment scenarios as the future planning document for the development of the property and does not constitute a commitment to any specific redevelopment scenario or zoning action. The study and planning area is the former Royal Oak golf course property located in Titusville, including the historic drainage from the surrounding subdivisions.
