NON-DISCLOSURE AGREEMENT (Company)

In the course of performing under Contract N000421-XX-X-XXXX, (Company Name) (hereinafter "Contractor") and its employees will have access to system performance, Naval force structure, program / business sensitive, pre-decisional material, and/or data marked or considered "proprietary" (e.g., restrictive legend per FAR 52.215-1) which the Contractor shall not use for purposes other than performance under this contract; nor shall the Contractor release, reproduce, distribute, or publish any data or analysis that is provided as Government Furnished Information (GFI) or data or analysis that is produced as a result of performing under this contract; nor shall the Contractor authorize others to do so without written permission of the Contracting Officer. Data includes all data, information and software regardless of the medium (e.g., electronic, paper, etc.) and/or format in which the data exists, and includes data that is derived from, based on, incorporates, includes or refers to such program/business sensitive, pre-decisional material, and/or proprietary data (collectively referred to herein as "the data").

The undersigned employee of said Contractor is a duly appointed representative with authority to bind the Contractor. (Employee Name) is a (contract labor category) with (Company Name) and is assigned to support the NAWCAD Air Vehicle Engineering Department for Engineering & Technical Support. As a condition to receiving access to data as defined above, the Contractor, through its duly appointed representative below, hereby agrees to: (1) Not disclose either the data or resulting analytic product(s) to any entity, government or otherwise, outside of the Air Vehicle Engineering Department unless specifically authorized to do so in the language contained in the task order or authorized in writing by the Contracting Officer; (2) Use the data solely for the purpose of performing the requirements as set forth in relative COR under this contract; (3) Not discuss with, disclose, release, reproduce or otherwise provide or make available the data, or any portion thereof, or the analytic product resulting from use of the data to any other of the Contractor's customers or personnel unless specifically authorized to do so in the language contained in the task order or authorized in writing by the Contracting Officer; (4) Ensure appropriate restrictive legends are included on any documents created, copied, and reproduced that uses all or any part of the data; and (5) Establish safeguards to protect data from unauthorized use or disclosure. Further, the Contractor, through its duly appointed representative below, hereby acknowledges by signing this non-disclosure agreement that any other use, disclosure, release or reproduction is unauthorized and may result in substantial criminal, civil and/or administrative penalties to both the Contractor and the individual employee of the Contractor who violates this agreement, contract and applicable laws and regulations. Also, the undersigned fully recognizes that the obligation not to discuss, disclose, release, reproduce, or otherwise provide or make available such data, or any portion thereof, shall continue, even after completion of the contract. Any actual or suspected unauthorized use, disclosure, release, or reproduction of such data or violation of this agreement will be reported to the Contracting Officer within one business day by (Corporate Employee Name, Operations Manager).

NON-DISCLOSURE AGREEMENT
(Individual)

In the course of performing under Contract N00421-XX-X-XXXX, Company Name personnel will have access to system performance, Naval force structure, program / business sensitive, pre-decisional material, and/or data marked or considered “proprietary” (e.g., restrictive legend per FAR 52.215-1) which the Contractor shall not use for purposes other than performance under this contract; nor shall the Contractor release, reproduce, distribute, or publish any data or analysis that is provided as Government Furnished Information (GFI) or data or analysis that is produced as a result of performing under this contract; nor shall the Contractor authorize others to do so without written permission of the Contracting Officer. Data includes all data, information and software regardless of the medium (e.g., electronic, paper, etc.) and/or format in which the data exists, and includes data that is derived from, based on, incorporates, includes or refers to such program/business sensitive, pre-decisional material, and/or proprietary data (collectively referred to herein as “the data”).

Specifically, Employee Name is a contract labor category with Company Name and assigned to support the NAWCAD Air Vehicle Engineering Department for Engineering & Technical Support. As a condition to receiving access to data as defined above, Employee Name hereby agrees to: (1) Not disclose either the data or resulting analytic product(s) to any entity, government or otherwise, outside of the Air Vehicle Engineering Department unless specifically authorized to do so in the language contained in the task order or authorized in writing by the Contracting Officer; (2) Use the data solely for the purpose of performing the requirements as set forth in relative COR under this contract; (3) Not discuss with, disclose, release, reproduce or otherwise provide or make available the data, or any portion thereof, or the analytic product resulting from use of the data to any other Company Name customers or personnel unless specifically authorized to do so in the language contained in the task order or authorized in writing by the Contracting Officer; (4) Ensure appropriate restrictive legends are included on any documents created, copied, and reproduced that uses all or any part of the data; and (5) Establish safeguards to protect data from unauthorized use or disclosure. Further, Employee Name acknowledges by signing this non-disclosure agreement that any other use, disclosure, release or reproduction is unauthorized and may result in substantial criminal, civil and/or administrative penalties to both the Company and the individual who violates this special contract requirement. However, the obligation not to discuss, disclose, release, reproduce, or otherwise provide or make available such data, or any portion thereof, shall continue, even after completion of the contract or employment with Company Name. Any actual or suspected unauthorized use, disclosure, release, or reproduction of such data or violation of this agreement will be reported to the Contracting Officer within one business day by Corporate Employee Name, Operations Manager.
