Description
The Albany State University Facilities Management Department (Using Agency) on behalf of the Board of Regents of the University System of Georgia (Owner) is soliciting responses from General Consultants interested in and capable of providing professional design services for the “**Campus Utility Mapping Project**” on the campus of Albany State University at Albany, Georgia.

Albany State University will select several qualified firms from the response submittals, request additional information regarding project team composition, conduct interviews, rank the finalists, and begin contract discussions with the selected firm.

A project description is provided in the Request for Qualifications/Request for Proposals document.

A pre-proposal site visit will be conducted by the Owner, and attendance of firms is mandatory. Details are provided in the Request for Qualifications/Request for Proposals document
