

# *BlackBox Procurement*

---

## **STATEMENT OF NEED (SON)**

**Project:** *BlackBox*

- 1.0 Purpose:** *The requirement is for a digital signage system that will allow simultaneous update of SYD89 monitors. This will allow SYD89 personnel to notify, direct and provide welcome messages to VIPs in an efficient manner. Digital signage will also identify senior leadership areas and identify personnel.*
- 2.0 Scope or Mission:** *Provide digital signage throughout SYD89 campus buildings.*
- 3.0 Period and Place of Performance:** [REDACTED]
- 4.0 Background:** *The requirement is for a digital signage program that will allow SYD89 to keep personnel updated and welcome visitors. This digital signage is being utilized across Kirtland AFB. Uniguest is not the authorized vendor for the system.*
- 5.0 Performance Objectives:** *Obtain a digital signage system within 30 days to provide timely, relevant information to personnel about operation readiness, exercises, launch information and VIP welcomes. Acquire 1 control unit and 14 media boxes to be used across the listed campus buildings.*
- 6.0 Deliverables / Schedule:**  
-Digital signage CMS-PA-25 player (1 system)  
-Digital Signage NTB-4K-10-0 multi-zone player-only (14 media boxes)  
Service Advanced OL – Uniguest Service Pack 1 (3 year license)  
LIC-DS-CH-OL-Multi Onelan SoC License – Multi Zone (qty 14) (3 year license)
- 7.0 Operating Constraints:** *Deliverable within 45 days*

**Attachment:** *{If applicable, include an Attachment stating Evaluation Factors and significant Subfactors representing the key areas of importance and emphasis to be considered in the source selection decision}*
