**SF 30 BLOCK 14 CONTINUATION PAGE****SUMMARY OF CHANGES**

**Block 14 (Description of Amendment/Modification):** The purpose of this amendment to Solicitation W912LR26QA018 is to accomplish the following:

(a) Incorporate Responses to Industry Questions (RFIs): Officially provide the Government's consolidated answers to vendor Requests for Information (RFIs) 1 through 12.

(b) Remove the Service Contract Act (SCA) Wage Determination: In accordance with the response to RFI #8, it has been determined that the labor categories required for this effort are professional services. Therefore, the SCA Wage Determination previously incorporated into the solicitation is hereby removed in its entirety.

(c) Clarify Scope of Services: Reiterate to all prospective quoters that this requirement is for non-clinical medical professional support services. Quoters are reminded that the labor mix and service hours have been adapted to meet current organizational needs, and proposals must be based strictly on the current Performance Work Statement (PWS), not on historical contracts or previous incumbent staffing levels.

There are no other changes to terms, conditions or attachments, unless otherwise specified explicitly in this amendment and reflected in the changes summary. All other terms and conditions not addressed in this amendment remain unchanged and in full effect. The period for receipt of quotations has not been extended. The period for questions and answers closed as of 16 June 2026, 4:00 pm local time (Puerto Rico).
