LIMITATIONS ON SUBCONTRACTING (FEB 2023) (DEVIATION 2021-O0008)

(a) This clause does not apply to the unrestricted portion of a partial set-aside.

(b) Definition. Similarly situated entity, as used in this clause, means a first-tier subcontractor, including an independent contractor, that--

(1) Has the same small business program status as that which qualified the prime contractor for the award (e.g., for a small business set-aside contract, any small business concern, without regard to its socioeconomic status); and

(2) Is considered small for the size standard under the North American Industry Classification

System (NAICS) code the prime contractor assigned to the subcontract.

(c) Applicability. This clause applies only to--

(1) Contracts that have been set aside for any of the small business concerns identified in 19.000(a)(3);

(2) Part or parts of a multiple-award contract that have been set aside for any of the small business concerns identified in 19.000(a)(3);

(3) Contracts that have been awarded on a sole-source basis in accordance with subparts 19.8, 19.13, 19.14, and 19.15;

(4) Orders expected to exceed the simplified acquisition threshold and that are--

(i) Set aside for small business concerns under multiple-award contracts, as described in 8.405-5 and 16.505(b)(2)(i)(F); or

(ii) Issued directly to small business concerns under multiple-award contracts as described in 19.504(c)(1)(ii);

(5) Orders, regardless of dollar value, that are--

(i) Set aside in accordance with subparts 19.8, 19.13, 19.14, or 19.15 under multiple-award contracts, as described in 8.405-5 and 16.505(b)(2)(i)(F); or

(ii) Issued directly to concerns that qualify for the programs described in subparts 19.8, 19.13, 19.14, or 19.15 under multiple-award contracts, as described in 19.504(c)(1)(ii); and

(6) Contracts using the HUBZone price evaluation preference to award to a HUBZone small business concern unless the concern waived the evaluation preference.

(d) Independent contractors. An independent contractor shall be considered a subcontractor.

(e) Limitations on subcontracting. By submission of an offer and execution of a contract, the Contractor agrees that in performance of a contract assigned a North American Industry Classification System (NAICS) code for--

(1) Services (except construction), it will not pay more than 50 percent of the amount paid by

the Government for contract performance, excluding certain other direct costs and certain work performed outside the United States (see paragraph (e)(1)(i)), to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both services and supplies, the 50 percent limitation shall apply only to the service portion of the contract. The following services may be excluded from the 50 percent limitation:

(i) Other direct costs, to the extent they are not the principal purpose of the acquisition and small business concerns do not provide the service. Examples include airline travel, work performed by a transportation or disposal entity under a contract assigned the environmental remediation NAICS code 562910), cloud computing services, or mass media purchases.

(ii) Work performed outside the United States on awards made pursuant to the Foreign Assistance Act of 1961, or work performed outside the United States required to be performed by a local contractor.

(2) Supplies (other than procurement from a nonmanufacturer of such supplies), it will not pay more than 50 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both supplies and services, the 50 percent limitation shall apply only to the supply portion of the contract;

(3) General construction, it will not pay more than 85 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 85 percent subcontract amount that cannot be exceeded; or

(4) Construction by special trade contractors, it will not pay more than 75 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 75 percent subcontract amount that cannot be exceeded.

(f) The Contractor shall comply with the limitations on subcontracting as follows:

(1) For contracts, in accordance with paragraphs (c)(1), (2), (3) and (6) of this clause--

[Contracting Officer check as appropriate.]

[X] By the end of the base term of the contract and then by the end of each subsequent option period; or

[] By the end of the performance period for each order issued under the contract.

(2) For orders, in accordance with paragraphs (c)(4) and (5) of this clause, by the end of the performance period for the order.

(g) A joint venture agrees that, in the performance of the contract, the applicable percentage specified in paragraph (e) of this clause will be performed by the aggregate of the joint venture participants.

52.212-1	Instructions to Offerors- Commercial Products and Commercial Services. (Deviation 2026-O0038) (Tailored)	2026-02		

Instructions to Quoters - Commercial Products and Commercial Services (Feb 2026). As prescribed in 12.205 (a), the subsequent provision is replaced in its entirety:

This is a Request for Quotations under RFO Part 12. The terms "Offeror", "Offeror" or "Bid" may appear in provisions and clauses and shall be treated as "Quoters", "Quote" or "Quotation".

(a) Submission of quotations. Submit signed and dated quotes to the office specified in this solicitation at or before the exact time specified in this solicitation. As a minimum, quotes shall include -

- (1) The solicitation number.
- (2) The name, address, telephone number of the quoter.
- (3) The quoter's Unique Entity Identifier (UEI) and, if applicable, Electronic Funds Transfer (EFT) indicator.
- (4) Information necessary to evaluate the factors contained in the provision at 52.212-2 or as described in the solicitation.
- (5) Responses to provisions that require quoter completion of information, representations, and certifications (other than those collected via the System for Award Management (SAM)).
- (6) A statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation and any solicitation amendments.
- (7) Quoters shall provide the following:
 - (i) Volume 1: Quote. Complete SF 1449 or the quoter's vendor commercial quote (no page limit). If providing a commercial quote without the SF 1449, the commercial quote MUST include all elements in paragraph (a) of this provision, and the statement requested in (a)(6), provide information pertaining to price only and provide complete pricing per SF 1449 line item schedule.

(ii) Volume 2: Capability Statement. A capability describing how the quoter intends to provide the services required in this solicitation. Stating "will comply with PWS" is not sufficient. The statement must describe the quoter's capability to meet the agency's needs as described in this solicitation. Not to exceed ten pages, Times New Roman or Arial, size 12, margins at 1-inch, single space.

(iii) Volume 3: Past Performance. The Government will review information obtained from Government sources including Contractor Performance Assessment Reporting System (CPARS), System of Award Responsibility/Qualifications (also known as Federal Awardee Performance and Integrity Information System (FAPIIS)), Supplier Performance Risk System (SPRS) Score, and other sources of information. Quoters shall submit a three-page past performance sheet. The past performance attachment can include Federal, non-Federal, and Private Sector. The combined experience submitted to the Government shall not exceed three pages, font Times New Roman or Arial, size 12, margins at 1-inch, single space. Information exceeding three pages will not be considered. Example past performance format:

Contract/Order Number: XXXXXXXX Date: day month year Total Value:

Description of Service: [Type of Service] at [Location]

Performance Summary:

Point of Contact, Phone and Email:

Note: Do NOT include Volumes 1, 2 and 3 into a single document. Volumes shall be submitted as separate documents. Do NOT place information required in any of the volumes that is not related to that specific volume (e.g., past performance in Volume 1, or Pricing in the Capability Statement) in order to work around the page limit per volume. Failure to follow instructions may be an indication of expected performance and may result in rejection of your quote due to non-conformance with instructions.

(b) Period for acceptance of quotes. The quoter agrees to hold the prices in its quote firm for **60 calendar days** from the date specified **for receipt of quotes**, unless another time period is specified in an addendum to the solicitation.

(c) Late submissions, modifications, revisions, and withdrawals of quotations.

(1) Quoters are responsible for submitting quotes and any modifications or revisions to the Government office designated in the solicitation by the time specified in the solicitation.

(2) Any quote, modification, or revision received after the time specified for receipt of quotes is "late" and will not be considered unless it is received before award is made and the Contracting Officer determines that accepting the late quote would not unduly delay the acquisition. However, a late modification of an otherwise successful quote that makes its terms more favorable to the Government will be considered at any time it is received and may be accepted.

(3) If an emergency or unanticipated event interrupts normal Government processes so that quotes cannot be received at the Government office designated for receipt of quotes by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other

notice of an extension of the closing date, the time specified for receipt of quotes will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(4) Reserved.

(d) Award of Purchase Order. The Government intends to review quotes and award a firm-fixed-price (FFP) purchase order. The quoter's initial quote should contain the quoter's best terms. The Government reserves the right to seek clarifications on the contents of the quote if determined necessary by the Contracting Officer. The Government may reject any or all quotes if such action is in the public interest and waive informalities and minor irregularities in quotes received.

(e) Debriefings. If a post award debriefing is given to requesting Offerors, the Government will disclose the following information, if applicable:

(1) The agency's evaluation of the significant weak or deficient factors in the debriefed Offeror's offer.

(2) The overall evaluated cost or price and technical rating of the successful Offeror and the debriefed Offeror and past performance information on the debriefed Offeror.

(3) The overall ranking of all Offerors when any ranking was developed by the agency during source selection.

(4) A summary of the rationale for award.

(5) For acquisitions of commercial products, the make and model of the product to be delivered by the successful Offeror.

(6) Reasonable responses to relevant questions posed by the debriefed Offeror as to whether the agency followed source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities.

Note: This solicitation is a Request for Quotations (RFQ). A quotation is not an offer, and this is not a request for proposals. While the debriefing procedures described above are required by statute, the Government may provide a brief explanation to unsuccessful quoters upon request, consistent with RFO Part 12.301(b).

(8) Use and Reliance on Artificial Intelligence (AI) Tools: The Government intends to identify vendors capable of delivering commercial products or services in accordance with the solicitation. Quotations must reflect actual commercial capability, not generalized descriptions.

(A) Advisory on AI Use. The Government does not and will not advice in favor of or against the use of Artificial Intelligence (AI). How and with what Quoters prepare their submissions remains within the purview of the submitter. While Quoters may use artificial intelligence (AI) tools to assist in preparing quotations, quoters must be cognizant that the Government will evaluate quotations based on demonstrated ability to meet requirements, not narrative sophistication.

1. The quotation accurately reflects the product/service being offered;
2. Technical descriptions, specifications, and performance claims are current, commercially available, and verifiable; and
3. Any automated content has been reviewed for accuracy and applicability.

(C) Evaluation Considerations: The Government may consider whether:

4. Quotations lacking sufficient specificity or containing unverifiable claims may be rated as unacceptable or ineligible for award.

(D) Clarifications and Risk: The Government is not obligated to seek clarification of ambiguous or generalized quotations. The risk of relying on automated or templated responses rests solely with the quoter.

(E) Post-Award Validation: The Government reserves the right to require the contractor to demonstrate the capabilities and approaches represented in its submission. Failure to do so may constitute grounds for termination or other contractual remedies.

National Guard Agency Protest Program

NG Agency Protest Program is intended to encourage interested parties to seek resolution of their concerns with the National Guard (NG) as an Alternative Dispute Resolution forum, rather than filing a protest with the Government Accountability Office (GAO) or other external forum.

Contract award or performance is suspended during the protest to the same extent, and within the same time periods as if filed at the GAO. The NG protest decision goal is to resolve protests within 35 calendar days from filing. An agency protest may be filed with either the Contracting Officer or the NG Agency's Protest Decision Authority, but not both, in accordance with NG protest procedures.

To be timely, the protests must be filed with the periods specified in RFO 33.103. To file a protest under the NG Agency Protest Program, the protest must request resolution under that program and be sent to the address below:

Evaluation - Commercial Products and Commercial Services

FAR Provisions Incorporated by Full Text

Number	Title	Effective Date	Alternate Deviation	Variation Effective Date
52.212-2	Evaluation-Commercial Products and Commercial Services. (Deviation 2026-O0038) (Tailored)	2026-02		

Provision under 52.212-2 is replaced in its entirety and tailored in accordance with RFO FAR 12.205(a) as follows:

(a) Evaluation: The Government will award a firm-fixed-price (FFP) purchase order resulting from this solicitation to the responsible quoter who provides the lowest acceptable quote that demonstrates understanding of the requirements and conformance with the solicitation. This acquisition is being conducted strictly under RFO Part 12 simplified procedures for commercial products and commercial services. The Government is not conducting a source selection, and procedures from RFO Part 15 do not apply. To efficiently identify the lowest acceptable quote, the Government may evaluate quotes by first ranking them from lowest to highest price. The Government will then evaluate the technical and past performance factors of the lowest-priced quote. If the lowest-priced quote is determined to be acceptable, the Government may evaluate no other quotes and proceed to award.

(1) Quotes failing to meet all the terms and conditions of this solicitation, including buy terms, line-item descriptions, and attachments, will not be evaluated for award. The Government reserves the right to seek clarifications on the contents of the quote if determined necessary by the Contracting Officer.

(2) Quotes will be evaluated in accordance with RFO 12.203(a) review criteria for:

(i) Technical: The degree to which the quoter's proposed service meets the Government's requirements. Merely stating 'will comply with all PWS requirements' is insufficient.

(ii) Past Performance: The Government will consider primary Government sources for past performance such as Supplier Performance Risk System, Contractor Performance Assessment Reporting System (CPARS), Federal Awardee Performance and Integrity Information System (FAPIIS), and other sources. Absent past performance with Government, the Government will consider experience from the commercial market and/or experience as a subcontractor. Past performance shall be relevant to the type of work in the Performance Work Statement. The purpose of past performance is to assess performance risk and capacity to perform.

(iii) Price. Price will be evaluated to identify the lowest acceptable quote. The Government will evaluate the quoted price to determine price reasonableness. Price reasonableness will be established by comparing the quoted prices received in response to the solicitation, comparing quotes to the Independent Government Cost Estimate (IGCE), or using other accepted techniques.

(b) Options. The Government will evaluate quotes for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that a quote is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) Notice of Purchase Order Award: The purchase order is the Government's offer to a supplier to buy certain products or services upon specified terms and conditions. A binding contract is formed when the supplier accepts the Government's offer, either by written acceptance of the purchase order or substantial performance of the purchase order. The contracting officer may request that the contractor provide written acceptance of the order. See RFO 12.201-1(b).

(d) Responsibility Determination: In accordance with RFO FAR policy, the Contracting Officer must determine that the apparent successful quoter is responsible before awarding a purchase order. Separate from the price evaluation described in paragraph (a)(2)(iii), if the lowest acceptable quote features a price that is abnormally low, the Contracting Officer may use that as an indicator of performance risk. In such cases, the Contracting Officer may require the quoter to provide additional information (such as a breakdown of labor rates, material costs, or a risk mitigation plan) specifically to make an affirmative determination of responsibility and ensure the quoter has the capacity and competence to perform the requirement at the quoted price. Failure to demonstrate the capacity to perform at the quoted price may result in a determination of non-responsibility. Because this solicitation is set aside for Women-Owned Small Businesses (WOSB), any determination of non-responsibility for the apparent successful quoter will be referred to the cognizant Small Business Administration (SBA) office for a Certificate of Competency (COC) determination.

Tax on Certain Foreign Procurements-Notice and Representation (Jun 2020)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area of the United States.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror may claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service (IRS) Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is

provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror must select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the IRS as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.
