Section 1: Introduction and Background

Workforce Resource, Inc., doing business as Workforce Solutions North Texas (WSNT), is pleased to announce an opportunity for service providers to participate in a Request for Proposals (RFP) process. This solicitation aims to enhance child care services (CCS) offered in the North Texas region, ensuring that both families and child care providers are supported effectively. WSNT mission is to place North Texans in jobs and equip workers with skills that foster economic development. Interested parties are encouraged to submit their proposals and inquiries to contribute to the economic development of the region.

Introduction

WSNT welcomes potential bidders to engage in this RFP process, designed to foster collaboration and innovation in child care services across the North Texas region. In an effort to streamline the proposal development process, WSNT invites bidders to submit any questions regarding the RFP and its procedures via email by the deadline outlined in the RFP Schedule of Events.

Background

Workforce Solutions North Texas (WSNT) is a publicly funded, non-profit organization which serves as the leadership and governing body for workforce development and child care programs in North Texas, dedicated to bridging the gap between job seekers and businesses in the region. Funded through allocations from the U.S. Department of Labor, U.S. Department of Health and Human Services, and U.S. Department of Agriculture, WSNT receives its funding via the Texas Workforce Commission. The organization serves eleven (11) Texas counties, including Archer, Baylor, Clay, Cottle, Foard, Hardeman, Jack, Montague, Wichita, Wilbarger, and Young.

WSNT operates with a mission to connect businesses with skilled employees and empower job seekers with the necessary skills and resources to thrive in the global job market. Underpinning this mission is the guidance and leadership of a local Workforce Board. This board, certified by Governor George W. Bush in December 1996, comprises representatives from local businesses, educational institutions, and community organizations. WSNT was designated as a not-for-profit, 501(c)(3) organization in 1997, further affirming its commitment to public service.

In line with its mission, WSNT focuses on providing targeted support to populations facing significant barriers to employment. These include:

- Veterans and military spouses,
- Foster youth,
- Low-income adults,
- Dislocated workers,

- Disadvantaged youth,
- Unemployment insurance claimants,
- Individuals on public assistance,
- Individuals with disabilities, and
- Those with low literacy and limited English proficiency.

By offering coordinated service options, WSNT aims to prepare these populations for employment, support their career advancement, and aid in job retention.

WSNT is committed to creating futures by bringing people and jobs together, ultimately contributing to the economic vitality of North Texas. Potential bidders have a unique opportunity to partner with WSNT in this endeavor, bringing their expertise and innovation to the forefront in support of a stronger workforce.

Section 2: General Requirements and Purpose for the Proposal

Purpose of the Request for Proposal (RFP)

The Workforce Solutions North Texas (WSNT) Board is issuing this Request for Proposals (RFP) to identify and engage an eligible, qualified, and experienced entity to manage and operate the Child Care Services (CCS) Office in the North Texas Workforce Development Area (WDA). The selected proposer will provide child care placement and child care provider support and mentorship to programs funded through the local Workforce Board. Child care services are support services for workforce employment, job training, and other services under Texas Government Code, Chapter 2308, and Texas Administrative Code, Chapter 809.

Objectives

The primary objective of this RFP is to establish a contractual relationship with a single entity that will assume responsibility for the effective operation and management of the Child Care Services (CCS) program and associated services. The selected subrecipient will be entrusted with the following responsibilities:

- **MANAGEMENT AND STAFFING:** Oversee the management and staffing of the CCS system, ensuring the delivery of efficient and effective services to families and child care providers.
- **COORDINATION WITH CO-LOCATED AGENCIES:** Collaborate with other agencies and programs located within the Workforce Centers, such as Veterans Employment Services, Adult Education and Literacy, and Vocational Rehabilitation Services, to ensure a seamless and integrated service delivery system.
- **PROGRAMMATIC RESPONSIBILITIES:** Administer and monitor CCS programs, ensuring compliance with fiscal and administrative requirements, while achieving programmatic goals.
- **COORDINATION OF CHILD CARE SERVICES** (from TAC title 40 chapter 809 §809.14)
(a) A Board shall coordinate with federal, state, and local child care and early development programs and representatives of local governments in developing its Board plan and policies for the design and management of the delivery of child care services, and shall maintain written documentation of its coordination efforts. (b) Pursuant to Texas Education Code, §29.158, and in a manner consistent with federal law and regulations, a Board shall coordinate with school districts, Head Start, and Early Head Start program providers to ensure, to the greatest extent practicable, that full-day, full-year child care is available to meet the needs of low-income parents who are working or attending a job training or educational program. (c) Pursuant to Texas Labor Code, §302.00436, a Board shall inform the local school districts and open-enrollment charter schools in the Board's workforce area regarding opportunities to partner with child care providers in the Board's area to expand access to and provide facilities for prekindergarten (pre-K) programs.

Procurement Method

The services solicited under this RFP are procured through a competitive negotiation method. WSNT intends to negotiate a subaward with the successful proposer, which will establish a subrecipient relationship involving comprehensive fiscal, administrative, monitoring, and programmatic responsibilities for workforce development programs in the region.

Contract Award

The Board anticipates awarding one contract for the management and operations of the CCS office. Any modifications to the scope of work or resultant contract will be contingent upon the availability of funds, successful contract negotiations, adherence to applicable procurement standards, and compliance with the laws, rules, regulations, and policies governing the funded programs under this RFP.

This RFP represents an opportunity to contribute significantly to the workforce and child care development efforts in North Texas, fostering an environment of collaboration and innovation to meet the evolving needs of families and child care providers in the region.

4. This is a negotiated procurement utilizing the Request for Proposal method, and, as such, the selection and award of a contract does not have to be made to the respondent submitting the lowest priced offer or highest score/ranking, but rather to the respondent submitting the most responsive proposal that satisfies WSNT's requirements and is determined to be in WSNT's best interests.
5. WSNT reserves the right to waive any defect in this procurement or to correct any error(s) and/or make changes to this solicitation as it deems necessary.

10. WSNT or its designee will conduct a pre-award review of the selected proposer prior to the execution of a final contract.
11. WSNT reserves the right to withdraw or reduce the amount of any award or to cancel any contract or agreement resulting from this procurement due to inadequate funding from TWC or due to legislative changes.

15. Proposer shall not engage in any activity which would restrict or eliminate competition. Violation of this provision may cause a proposer to be disqualified. This does not preclude partnerships, consortiums, joint ventures, or subcontracts.
16. No board member, officer, employee, or agent of WSNT shall participate in the selection, award or administration of a contract supported by Board funds if a conflict of interest, real or apparent, exists.

19. The contents of a successful proposal may become a contractual obligation if selected for award of a contract. Proposers must intend to fulfill all of the representations made in their proposal. Failure of the proposer to accept this obligation may result in cancellation of the award. No plea of error or mistake shall be available to a successful proposer as a basis for release of proposed services at the stated price/cost. Any damage incurred by WSNT, as a result, of a successful proposer's failure to contract may be recovered from the proposer.

20. WSNT reserves the right to deem non-responsive or disqualify any proposal that, in its sole determination, does not comply with or conform to the terms, conditions, and/or requirements of this RFP.
21. A contract with the selected proposer may be withheld, at WSNT's sole discretion, if issues of contract or questions of non-compliance, or questioned/disallowed costs exist, until such issues are satisfactorily resolved. WSNT may withdraw award of a contract if the resolution is not satisfactory to WSNT.

At a minimum, the subrecipient must meet the Texas Workforce Commission (TWC) contracted performance measures and remain competitive with other Workforce Boards in Texas.

Additional Performance Measures

The Board will assign any additional performance measures or changes received from the TWC to the subrecipient. The Board reserves the right to adjust, change, or add measures as necessary. Performance measures may change based on actions by either the TWC or the Board.

Customers Served

The following reflects the number of child care providers contracted with WSNT as of April 2026. The average number of children served per day is as of the most recently finalized reporting month, February 2026.

Child Care Providers	62
Texas Rising Star (TRS) Providers	62
Average # children served per day	1,032

Contract Timeline

The annual contract awarded under this procurement will commence on October 1, 2026. Annual renewals may be granted, subject to satisfactory subrecipient performance and the availability of funds, with a maximum term of four (4) years.

Complete operations will begin October 1, 2026 with a four-week transitional period from September 1, 2026 to September 30, 2026. WSNT may vary the programs and/or contract period as necessary and shall ensure compliance with all program requirements and conditions in doing so. The contract will be monitored for performance monthly and may be amended or terminated if performance does not meet WSNT standards. Contracts may be expanded to include any other programs that WSNT determines necessary and appropriate.

Information Technology (IT) Requirements

The selected subrecipient, including all employees, must comply with all Information Technology access and user and security policies and requirements of the Board and/or the Texas Workforce Commission (TWC). Required IT platforms include (but are not limited to):

- WORK IN TEXAS (WIT): used as the statewide job matching network. Allows employers to post jobs with advanced job matching capabilities. Allows job seekers to match jobs in the system, build a resume and provides access to career tools.
- TABLEAU WEB REPORTS: used to access pre-designed reports for performance tracking and management for all Workforce programs. Both State-approved and Statewide reports are available, and extracts can be run to download client-level data for performance management purposes.
- VOS GREETER: used to register all customers visiting each workforce center. This system integrates visits with WIT profile information, allows customers to check in for appointments, and creates a record for any new customers. Counts of customer visits can be extracted from WIT reports.
- TEXAS INTEGRATED ELIGIBILITY REDESIGN SYSTEM (TIERS): is the Health and Human Services Commission's data system which allows Workforce read-only access to eligibility and benefit information for Choices and SNAP E&T customers.
- PROGRAM INTEGRITY REPORTING TRACKING SYSTEM (PIRTS): system for tracking child care fraud fact-finding, fraud determinations, and recoupments.
- VARIOUS TEXAS CHILD CARE CONNECTION (TX3C) APPLICATIONS: child care application, tracking, and database systems

The proposer should not allocate funds for technology as the Board's budget covers all technology-related expenses. This includes necessary purchases such as licensing, software upgrades, replacement parts, and contracting. Workforce Center staff have internet and email access provided by the Workforce Solutions North Texas Board.

Transition Planning

If selected, proposers must develop a Transition Plan to support the provision of services and related activities, with a start date of September 1, 2026. The Board has outlined specific requirements for any entity awarded a contract resulting from this Request for Proposals (RFP):

Employment and Benefits

- **EMPLOYEE RETENTION:** WSNT places a high priority on the suitability, qualifications, and performance of Child Care Services (CCS) staff assigned to this contract. During the initial six-month probationary period following contract award, subrecipient is to review staffing assignments as necessary to ensure alignment with program requirements and performance expectations.

The subrecipient shall ensure that staffing changes are implemented in a manner that maintains continuity of services and does not disrupt service delivery or negatively impact program quality.

- **INSURANCE AND BENEFITS ENROLLMENT:** Proposers must offer open enrollment for insurance and benefits to staff transitioning from the previous subrecipient. Coverage must be available starting on the first day of employment, October 1, 2026.

Accrued Leave Time

- **ROLLOVER OF LEAVE TIME:** Subject to negotiation with the Board, proposers agree to accept the rollover of accrued, unused leave time as allowed under the previous subrecipient's policies for transitioned staff.

By adhering to these requirements, proposers can ensure a smooth transition and continuity of services while supporting the current workforce.

Equal Opportunity / Nondiscrimination

As a condition to the award of financial assistance, the subrecipient must comply fully with the nondiscrimination and equal opportunity provisions.

Funding

Funding for all activities and services is contingent upon the receipt of sufficient program funds from the Texas Workforce Commission and other funding sources of WSNT.

Budget

The proposed budget must support the proposal narrative and include only those costs related to the operation and management of Workforce Centers in the North Texas area.

All costs and budgets must be necessary, reasonable, allowable, and allocable under a federal or state award and meet the general allowability criteria established by the Office of Management and Budget Circulars and/or the Uniform Grant Management Standards, as applicable. Please refer to the TWC Financial Manual for Grants and Contracts for detailed information.

Cost reasonableness will be determined by comparing each Proposer's proposed cost to other proposals received and to existing market rates. Other areas of review will include cost allocation methodology, competitive indirect rate or management fees, overhead costs, profit, budget narrative, and justification of costs.

If successful, the proposed budget will serve as a basis for contract negotiations. Approximate contract total for year one is \$10,500,000.

For purposes of this procurement, the proposed budget should be limited to administrative and operational costs, including but not limited to personnel wages; fringe benefits; insurance and bonding; audit services; professional services; indirect costs; management fees; and profit or performance bonus. Any contract resulting from this procurement shall include a cost allocation plan for any shared costs. Administrative and indirect costs should not exceed 10%.

Budgets fluctuate based upon allocated and received grants. The cost of facilities, including rent, utilities, phones, fax machines, technology, maintenance and repair are NOT to be included in the budget. These costs are covered by the Board.

As described in Supplemental Information, the cost of insurance may be included in the proposal budgets. Insurance coverage will be required for:

- General Liability \$1,000,000 general aggregate limit; \$500,000 per occurrence to automobile coverage for employees and volunteers using automobiles for work
- Statutory Workers Compensation and Employers Liability
- Fidelity Bonding in an amount sufficient to cover the largest cumulative amount of all cash requests submitted on a given day or the cumulative amount of funds on hand at any given point
- Errors and Omission Insurance
- Directors and Officers Insurance

Other Budget Considerations

The Board conducts procurement for all workforce equipment and facilities. The following costs are NOT to be included in the proposed budget:

- Workforce Center facilities (i.e., rent, utilities, security, phone, data systems, servers, copiers, computers, etc.)
- Repair and maintenance at Vernon and Bowie Workforce Centers.
- Janitorial services in Wichita Falls, Bowie, and Vernon.

Budgets must include, as applicable but not limited to, salaries, benefits, insurance, bonding, audit services, professional services, indirect costs, profit, performance incentives, fees and all

pass-through funds. Office needs and supplies (copier paper, e.g.) and copier maintenance agreements should also be included in the operations and management budget.

Quality Assurance

The Board requires assurance that the Proposer's performance of the terms and conditions of the contract will be undertaken in accordance with the highest level of integrity and business ethics. Proposers must be capable of implementing a system of self-monitoring, including the review of key data related to performance, quality assurance, fiscal integrity and accuracy, and program operations.

Outstanding Monitoring, Audit, or Legal Concerns

Proposer must disclose and satisfactorily resolve any and all outstanding monitoring and/or audit concerns from any of the proposer's other contracts. Additionally, proposer must disclose any legal judgments, claims, arbitration proceedings, lawsuits or other legal proceedings pending or outstanding (unresolved) against the organization, its owners, officers, and/or principals. Such disclosures must be provided under Attachment G, Question 14 and listed in Attachment Q – Listing of Grievances and Legal Actions.

Debrief, Grievances, and Appeals Process

Policy Statement: WSNT Board is the responsible authority for handling complaints, disputes or protests regarding the procurement and proposal selection process at the local level. No protest shall be submitted to the grantor (State) until all administrative remedies at the Grantee (Board) level have been exhausted. This includes, but is not limited to disputes, claims, protests of selection or non-selection for award, source evaluation or other matters of a contractual or procurement nature. Matters concerning violations of law shall be referred to such authority as may have proper jurisdiction. All proposers will be notified by email of the final results of the procurement process within fifteen (15) working days following the final decision of the Board.

Policy/Procedure for Submitting Appeals: This policy shall apply to appeals by service providers that have applied for an award of grant funds from the Board pursuant to any federal, state or locally-funded program or activity.

Issues Subject to Appeal: Vendors/proposers/bidders ("Proposer") affected by procurement actions or decisions of the Board may appeal pursuant to this policy and procedures as to the following issues:

- The action or decision of WSNT is alleged by the Proposer to be in violation of applicable federal and/or state law, regulation or policy regarding procurement and selection; or
- The action or decision of WSNT is alleged by the Proposer to be based upon an error of material and relevant fact(s); or

- The action or decision of WSNT is alleged by the Proposer to be invalid because of an alleged denial of procedural due process (i.e., failure to review a complaint or protest).

Issues NOT Subject to Appeal: Unless substantiated by material and relevant fact(s), the scoring and ranking of proposals is not subject to appeal.

An appeal cannot be submitted based solely on the belief that the appealing party believes their proposal is better than the one selected for contract award.

Proposers who wish to appeal a decision must utilize the following process:

STEP 1: Request for Debriefing

Proposers not selected by this procurement process may appeal the decision by submitting, within 10 working days of receipt of WSNT notification of the procurement decision, a written Request for Debriefing to obtain information on the procurement process and how their proposal or offer was received and ranked.

The Request for Debriefing must be sent by email to:

- Workforce Solutions Bids at wsb@ntxworksolutions.org
- Subject Line: RFP 2026-004 CCS Management and Operations Request for Debriefing for [Proposer's Name]

WSNT shall acknowledge receipt of the Request for Debriefing within 5 working days of receipt, along with the date and time of the scheduled Debriefing. The Debriefing shall be scheduled as soon as possible and no later than 15 working days from the receipt of the Request for Debriefing.

STEP 2: Debriefing

The purpose of the debriefing is to promote the exchange of information, explain the proposal evaluation system, and help unsuccessful proposers understand why they were not selected. Debriefings serve an important educational function for new proposers. Debriefings will help to improve the quality of future proposals. Additionally, staff receive direct feedback to help improve future procurements.

STEP 3: Written Notice of Appeal

If, after the debriefing, the appealing party wishes to continue with the appeals process, they must submit to WSNT a Notice of Appeal.

This written notice must clearly state that it is an appeal and identify the decision being appealed and include the name, address, and phone number of appealing party and the grounds of the appeal. The Notice of Appeal must be received by the WSNT Executive Director within 15 working days of the date of the debriefing. The Notice of Appeal must be sent by email to:

- Workforce Solutions Bids at wsb@ntxworksolutions.org
- Subject Line: RFP 2026-004 CCS Management and Operations Request for Debriefing for [Proposer's Name]

STEP 4: Formal Hearing

Upon receipt of the Notice of Appeal, the WSNT Executive Director will contact the proposer to arrange for a Formal Hearing to be held within 15 working days of receipt of the Notice of Appeal. The Formal Hearing will be held either virtually or at a designated place and at a date and time to be mutually

acceptable to both parties. The WSNT Executive Director shall issue a written final decision resulting from the Formal Hearing within 60 calendar days of receipt of the Notice of Appeal.

STEP 5: Appeal to State

If the appeal is not resolved at the WSNT Formal Hearing, the proposer may appeal to the Texas Workforce Commission within 14 calendar days of the mailing date of the WSNT Executive Director's final decision.
