### Recitals

B. [Describe the County's need for the service. Be specific about what kinds of services are needed, and which department or departments need them.]

C. [Describe the relevant key facts and circumstances between the parties leading up to the Agreement. If there was an RFP, an RFQ, or a similar process, briefly reference that process.]

## Article 6

## Termination and Suspension

6.1 **Termination for Non-Allocation of Funds.** The terms of this Agreement are contingent on the approval of funds by the appropriating government agency. If sufficient funds are not allocated, then the County, upon at least 30 days' advance written notice to the Contractor, may:

- (A) Modify the services provided by the Contractor under this Agreement; or

(C) For purposes of this section, a breach occurs when, in the determination of the County, the Contractor has:

- (2) Failed to comply with any part of this Agreement;
- (3) Submitted a substantially incorrect or incomplete report to the County; or

6.5 **County's Rights upon Termination.** Upon termination for breach under this Article 6, the County may demand repayment by the Contractor of any monies disbursed to the Contractor under this Agreement that, in the County's sole judgment, were not expended in compliance with this Agreement. ## Article 7

**Independent Contractor**

7.1 **Status.** In performing under this Agreement, the Contractor, including its officers, agents, employees, and volunteers, is at all times acting and performing as an independent contractor, in an independent capacity, and not as an officer, agent, servant, employee, joint venturer, partner, or associate of the County.

**7.2 Verifying Performance.** The County has no right to control, supervise, or direct the manner or method of the Contractor's performance under this Agreement, but the County may verify that the Contractor is performing according to the terms of this Agreement.

7.3 **Benefits.** Because of its status as an independent contractor, the Contractor has no right to employment rights or benefits available to County employees. The Contractor is solely responsible for providing to its own employees all employee benefits required by law. The Contractor shall save the County harmless from all matters relating to the payment of Contractor's employees, including compliance with Social Security withholding and all related regulations.

7.4 **Services to Others.** The parties acknowledge that, during the term of this Agreement, the Contractor may provide services to others unrelated to the County.

2 liabilities of any kind to the County, the Contractor, or any third party that arise from or relate to  
3 the performance or failure to perform by the Contractor (or any of its officers, agents,  
4 subcontractors, or employees) under this Agreement. The County may conduct or participate in  
5 its own defense without affecting the Contractor's obligation to indemnify and hold harmless or  
6 defend the County.

7 8.2 **Survival.** This Article 8 survives the termination of this Agreement.

## 8 **Article 9**

### 9 **Insurance**

10 9.1 The Contractor shall comply with all the insurance requirements in Exhibit D to this  
11 Agreement.

## 12 **Article 10**

### 13 **Inspections, Audits, and Public Records**

14 10.1 **Inspection of Documents.** The Contractor shall make available to the County, and  
15 the County may examine at any time during business hours and as often as the County deems  
16 necessary, all of the Contractor's records and data with respect to the matters covered by this  
17 Agreement, excluding attorney-client privileged communications. The Contractor shall, upon  
18 request by the County, permit the County to audit and inspect all of such records and data to  
19 ensure the Contractor's compliance with the terms of this Agreement.

20 10.2 **State Audit Requirements.** If the compensation to be paid by the County under this  
21 Agreement exceeds \$10,000, the Contractor is subject to the examination and audit of the  
22 California State Auditor, as provided in Government Code section 8546.7, for a period of three  
23 years after final payment under this Agreement. This section survives the termination of this  
24 Agreement.

25 10.3 **Public Records.** The County is not limited in any manner with respect to its public  
26 disclosure of this Agreement or any record or data that the Contractor may provide to the  
27 County. The County's public disclosure of this Agreement or any record or data that the  
28 Contractor may provide to the County may include but is not limited to the following:

1 (A) The County may voluntarily, or upon request by any member of the public or  
2 governmental agency, disclose this Agreement to the public or such governmental  
3 agency.

4 (B) The County may voluntarily, or upon request by any member of the public or  
5 governmental agency, disclose to the public or such governmental agency any record or  
6 data that the Contractor may provide to the County, unless such disclosure is prohibited  
7 by court order.

8 (C) This Agreement, and any record or data that the Contractor may provide to the  
9 County, is subject to public disclosure under the Ralph M. Brown Act (California  
10 Government Code, Title 5, Division 2, Part 1, Chapter 9, beginning with section 54950).

11 (D) This Agreement, and any record or data that the Contractor may provide to the  
12 County, is subject to public disclosure as a public record under the California Public  
13 Records Act (California Government Code, Title 1, Division 7, Chapter 3.5, beginning  
14 with section 6250) ("CPRA").

15 (E) This Agreement, and any record or data that the Contractor may provide to the  
16 County, is subject to public disclosure as information concerning the conduct of the  
17 people's business of the State of California under California Constitution, Article 1,  
18 section 3, subdivision (b).

19 (F) Any marking of confidentiality or restricted access upon or otherwise made with  
20 respect to any record or data that the Contractor may provide to the County shall be  
21 disregarded and have no effect on the County's right or duty to disclose to the public or  
22 governmental agency any such record or data.

23 **10.4 Public Records Act Requests.** If the County receives a written or oral request  
24 under the CPRA to publicly disclose any record that is in the Contractor's possession or control,  
25 and which the County has a right, under any provision of this Agreement or applicable law, to  
26 possess or control, then the County may demand, in writing, that the Contractor deliver to the  
27 County, for purposes of public disclosure, the requested records that may be in the possession  
28 or control of the Contractor. Within five business days after the County's demand, the

Contractor shall (a) deliver to the County all of the requested records that are in the Contractor's possession or control, together with a written statement that the Contractor, after conducting a diligent search, has produced all requested records that are in the Contractor's possession or control, or (b) provide to the County a written statement that the Contractor, after conducting a diligent search, does not possess or control any of the requested records. The Contractor shall cooperate with the County with respect to any County demand for such records. If the Contractor wishes to assert that any specific record or data is exempt from disclosure under the CPRA or other applicable law, it must deliver the record or data to the County and assert the exemption by citation to specific legal authority within the written statement that it provides to the County under this section. The Contractor's assertion of any exemption from disclosure is not binding on the County, but the County will give at least 10 days' advance written notice to the Contractor before disclosing any record subject to the Contractor's assertion of exemption from disclosure. The Contractor shall indemnify the County for any court-ordered award of costs or attorney's fees under the CPRA that results from the Contractor's delay, claim of exemption, failure to produce any such records, or failure to cooperate with the County with respect to any County demand for any such records.

## Article 11

### Disclosure of Self-Dealing Transactions

**11.1 Applicability.** This Article 11 applies if the Contractor is operating as a corporation, or changes its status to operate as a corporation.

**11.3 Definition.** "Self-dealing transaction" means a transaction to which the Contractor is a party and in which one or more of its directors, as an individual, has a material financial interest.

## Article 12

### General Terms

12.1 **Modification.** Except as provided in Article 6, "Termination and Suspension," this Agreement may not be modified, and no waiver is effective, except by written agreement signed by both parties. The Contractor acknowledges that County employees have no authority to modify this Agreement except as expressly provided in this Agreement.

12.2 **Non-Assignment.** Neither party may assign its rights or delegate its obligations under this Agreement without the prior written consent of the other party.

12.3 **Governing Law.** The laws of the State of California govern all matters arising from or related to this Agreement.

12.4 **Jurisdiction and Venue.** This Agreement is signed and performed in Fresno County, California. Contractor consents to California jurisdiction for actions arising from or related to this Agreement, and, subject to the Government Claims Act, all such actions must be brought and maintained in Fresno County.

12.5 **Construction.** The final form of this Agreement is the result of the parties' combined efforts. If anything in this Agreement is found by a court of competent jurisdiction to be ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement against either party.

12.6 **Days.** Unless otherwise specified, "days" means calendar days.

12.7 **Headings.** The headings and section titles in this Agreement are for convenience only and are not part of this Agreement.

12.8 **Severability.** If anything in this Agreement is found by a court of competent jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in effect, and the parties shall make best efforts to replace the unlawful or unenforceable part of this Agreement with lawful and enforceable terms intended to accomplish the parties' original intent.

12.9 **Nondiscrimination.** During the performance of this Agreement, the Contractor shall not unlawfully discriminate against any employee or applicant for employment, or recipient of

1 services, because of race, religious creed, color, national origin, ancestry, physical disability,  
2 mental disability, medical condition, genetic information, marital status, sex, gender, gender  
3 identity, gender expression, age, sexual orientation, military status or veteran status pursuant to  
4 all applicable State of California and federal statutes and regulation.

5 12.10 **No Waiver.** Payment, waiver, or discharge by the County of any liability or obligation  
6 of the Contractor under this Agreement on any one or more occasions is not a waiver of  
7 performance of any continuing or other obligation of the Contractor and does not prohibit  
8 enforcement by the County of any obligation on any other occasion.

9 12.11 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement  
10 between the Contractor and the County with respect to the subject matter of this Agreement,  
11 and it supersedes all previous negotiations, proposals, commitments, writings, advertisements,  
12 publications, and understandings of any nature unless those things are expressly included in  
13 this Agreement. If there is any inconsistency between the terms of this Agreement without its  
14 exhibits and the terms of the exhibits, then the inconsistency will be resolved by giving  
15 precedence first to the terms of this Agreement without its exhibits, and then to the terms of the  
16 exhibits.

17 12.12 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to  
18 create any rights or obligations for any person or entity except for the parties.

19 12.13 **Authorized Signature.** The Contractor represents and warrants to the County that:

20 (A) The Contractor is duly authorized and empowered to sign and perform its  
21 obligations under this Agreement.

22 (B) The individual signing this Agreement on behalf of the Contractor is duly  
23 authorized to do so and his or her signature on this Agreement legally binds the  
24 Contractor to the terms of this Agreement.

25 12.14 **Electronic Signatures.** The parties agree that this Agreement may be executed by  
26 electronic signature as provided in this section.

27 (A) An "electronic signature" means any symbol or process intended by an individual  
28 signing this Agreement to represent their signature, including but not limited to (1) a

1 digital signature; (2) a faxed version of an original handwritten signature; or (3) an  
2 electronically scanned and transmitted (for example by PDF document) version of an  
3 original handwritten signature.

4 (B) Each electronic signature affixed or attached to this Agreement (1) is deemed  
5 equivalent to a valid original handwritten signature of the person signing this Agreement  
6 for all purposes, including but not limited to evidentiary proof in any administrative or  
7 judicial proceeding, and (2) has the same force and effect as the valid original  
8 handwritten signature of that person.

9 (C) The provisions of this section satisfy the requirements of Civil Code section  
10 1633.5, subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3,  
11 Part 2, Title 2.5, beginning with section 1633.1).

12 (D) Each party using a digital signature represents that it has undertaken and  
13 satisfied the requirements of Government Code section 16.5, subdivision (a),  
14 paragraphs (1) through (5), and agrees that each other party may rely upon that  
15 representation.

16 (E) This Agreement is not conditioned upon the parties conducting the transactions  
17 under it by electronic means and either party may sign this Agreement with an original  
18 handwritten signature.

19 12.15 **Counterparts.** This Agreement may be signed in counterparts, each of which is an  
20 original, and all of which together constitute this Agreement.

- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of no less than A: VII.
- (C) **Notice of Cancellation or Change.** For each insurance policy required under this Agreement, the Contractor shall provide to the County, or ensure that the policy requires the insurer to provide to the County, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 30 days in advance of cancellation or change. The County in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **County's Entitlement to Greater Coverage.** If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the County requires and is entitled to the broader coverage, higher limits, or both. To that end, the Contractor shall deliver, or cause its broker or producer to deliver, to the County's Risk Manager certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.
- (E) **Waiver of Subrogation.** The Contractor waives any right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Contractor is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Contractor's waiver of subrogation under this paragraph is effective whether or not the Contractor obtains such an endorsement.
- (F) **County's Remedy for Contractor's Failure to Maintain.** If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The County may offset such charges against any amounts owed by the County to the Contractor under this Agreement.
- (G) **Subcontractors.** The Contractor shall require and verify that all subcontractors used by the Contractor to provide services under this Agreement maintain insurance meeting all insurance requirements provided in this Agreement. This paragraph does not authorize the Contractor to provide services under this Agreement using subcontractors.

1. The County is a “Covered Entity,” and the Contractor is a “Business Associate,” as these terms are defined by 45 CFR 160.103. In connection with providing services under the Agreement, the parties anticipate that the Contractor will create and/or receive Protected Health Information (“PHI”) from or on behalf of the County. The parties enter into this Business Associate Agreement (BAA) to comply with the Business Associate requirements of HIPAA, to govern the use and disclosures of PHI under this Agreement. “HIPAA Rules” shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 CFR Parts 160 and 164. The parties to this Agreement shall be in strict conformance with all applicable federal and State of California laws and regulations, including, but not limited to California Welfare and Institutions Code sections 5328, 10850, and 14100.2 *et seq.*; 42 CFR 2; 42 CFR 431; California Civil Code section 56 *et seq.*; the Health Insurance Portability and Accountability Act of 1996, as amended (“HIPAA”), including, but not limited to, 45 CFR Parts 160, 45 CFR 162, and 45 CFR 164; the Health Information Technology for Economic and Clinical Health Act (“HITECH”) regarding the confidentiality and security of patient information, including, but not limited to 42 USC 17901 *et seq.*; and the Genetic Information Nondiscrimination Act (“GINA”) of 2008 regarding the confidentiality of genetic information.

Except as otherwise provided in this Agreement, the Contractor, as a business associate of the County, may use or disclose Protected Health Information (“PHI”) to perform functions, activities or services for or on behalf of the County, as specified in this Agreement, provided that such use or disclosure shall not violate HIPAA Rules. The uses and disclosures of PHI may not be more expansive than those applicable to the County, as the “Covered Entity” under the HIPAA Rules, except as authorized for management, administrative or legal responsibilities of the Contractor.

2. The Contractor, including its subcontractors and employees, shall protect from unauthorized access, use, or disclosure of names and other identifying information, including genetic information, concerning persons receiving services pursuant to this Agreement, except where permitted in order to carry out data aggregation purposes for health care operations [45 CFR §§ 164.504(e)(2)(i), 164.504(e)(2)(ii)(A), and 164.504(e)(4)(i)]. This pertains to any and all persons receiving services pursuant to a County-funded program. This requirement applies to electronic PHI. The Contractor shall not use such identifying information or genetic information for any purpose other than carrying out the Contractor’s obligations under this Agreement.

3. The Contractor, including its subcontractors and employees, shall not disclose any such identifying information or genetic information to any person or entity, except as otherwise specifically permitted by this Agreement, authorized by Subpart E of 45 CFR Part 164 or other law, required by the Secretary of the United States Department of Health and Human Services (“Secretary”), or authorized by the client/patient in writing. In using or disclosing PHI that is permitted

## Exhibit E

by this Agreement or authorized by law, the Contractor shall make reasonable efforts to limit PHI to the minimum necessary to accomplish intended purpose of use, disclosure or request.

4. For purposes of the above sections, identifying information shall include, but not be limited to, name, identifying number, symbol, or other identifying particular assigned to the individual, such as fingerprint or voiceprint, or photograph.

5. Family member means a dependent or any person who is first, second, third, or fourth degree relative.

6. The Contractor shall provide access, at the request of the County, and in the time and manner designated by the County, to PHI in a designated record set (as defined in 45 CFR § 164.501), to an individual or to COUNTY in order to meet the requirements of 45 CFR § 164.524 regarding access by individuals to their PHI. With respect to individual requests, access shall be provided within thirty (30) days from request. Access may be extended if the Contractor cannot provide access and provides the individual with the reasons for the delay and the date when access may be granted. PHI shall be provided in the form and format requested by the individual or the County.

The Contractor shall make any amendment(s) to PHI in a designated record set at the request of the County or individual, and in the time and manner designated by the County in accordance with 45 CFR § 164.526.

The Contractor shall provide to the County or to an individual, in a time and manner designated by the County, information collected in accordance with 45 CFR § 164.528, to permit the County to respond to a request by the individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528.

7. The Contractor shall report to the County, in writing, any knowledge or reasonable belief that there has been unauthorized access, viewing, use, disclosure, security incident, or breach of unsecured PHI not permitted by this Agreement of which the Contractor becomes aware, immediately and without reasonable delay and in no case later than two (2) business days of discovery. Immediate notification shall be made to the County's Information Security Officer and Privacy Officer and the County's Department of Public Health ("DPH") HIPAA Representative, within two (2) business days of discovery. The notification shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been, accessed, acquired, used, disclosed, or breached. The Contractor shall take prompt corrective action to cure any deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and State laws and regulations. The Contractor shall

The Contractor shall cooperate with the compliance and investigation reviews conducted by the Secretary. PHI access to the Secretary must be provided during the Contractor's normal business hours; however, upon exigent circumstances access at any time must be granted. Upon the Secretary's compliance or investigation review, if PHI is unavailable to the Contractor and in possession of a subcontractor of the Contractor, the Contractor must certify to the Secretary its efforts to obtain the information from the subcontractor.

### 9. **Safeguards**

The Contractor shall implement administrative, physical, and technical safeguards as required by the HIPAA Security Rule, Subpart C of 45 CFR Part 164, that reasonably and appropriately protect the confidentiality, integrity, and availability of PHI, including electronic PHI, that it creates, receives, maintains or transmits on behalf of the County and to prevent unauthorized access, viewing, use, disclosure, or breach of PHI other than as provided for by this Agreement. The Contractor shall conduct an accurate and thorough assessment of the potential risks and vulnerabilities to the confidentiality, integrity and availability of electronic PHI. The Contractor shall develop and maintain a written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Contractor's operations and the nature and scope of its activities. Upon the County's request, the Contractor shall provide the County with information concerning such safeguards.

## Exhibit E

The Contractor shall implement strong access controls and other security safeguards and precautions in order to restrict logical and physical access to confidential, personal (e.g., PHI) or sensitive data to authorized users only. Said safeguards and precautions shall include the following administrative and technical password controls for all systems used to process or store confidential, personal, or sensitive data:

  - d) Non-alphanumeric characters (punctuation symbols).

The Contractor shall implement the following security controls on each workstation or portable computing device (e.g., laptop computer) containing confidential, personal, or sensitive data:

1. Network-based firewall and/or personal firewall;
2. Continuously updated anti-virus software; and
3. Patch management process including installation of all operating system/software vendor security patches.

The Contractor shall utilize a commercial encryption solution that has received FIPS 140-2 validation to encrypt all confidential, personal, or sensitive data stored on portable electronic media (including, but not limited to, compact disks and thumb drives) and on portable computing devices (including, but not limited to, laptop and notebook computers).

The Contractor shall not transmit confidential, personal, or sensitive data via e-mail or other internet transport protocol unless the data is encrypted by a solution that has been validated by the National Institute of Standards and Technology (NIST) as conforming to the Advanced Encryption Standard (AES) Algorithm. The Contractor must apply appropriate sanctions against

## Exhibit E

its employees who fail to comply with these safeguards. The Contractor must adopt procedures for terminating access to PHI when employment of employee ends.

### 10. **Mitigation of Harmful Effects**

The Contractor shall mitigate, to the extent practicable, any harmful effect that is suspected or known to the Contractor of an unauthorized access, viewing, use, disclosure, or breach of PHI by the Contractor or its subcontractors in violation of the requirements of these provisions. The Contractor must document suspected or known harmful effects and the outcome.

### 11. **The Contractor's Subcontractors**

The Contractor shall ensure that any of its contractors, including subcontractors, if applicable, to whom the Contractor provides PHI received from or created or received by the Contractor on behalf of the County, agree to the same restrictions, safeguards, and conditions that apply to the Contractor with respect to such PHI and to incorporate, when applicable, the relevant provisions of these provisions into each subcontract or sub-award to such agents or subcontractors.

Nothing in this section 11 or this Exhibit F authorizes the Contractor to perform services under this Agreement using subcontractors.

### 12. **Employee Training and Discipline**

The Contractor shall train and use reasonable measures to ensure compliance with the requirements of these provisions by employees who assist in the performance of functions or activities on behalf of the County under this Agreement and use or disclose PHI, and discipline such employees who intentionally violate any provisions of these provisions, which may include termination of employment.

### 13. **Termination for Cause**

Upon the County's knowledge of a material breach of these provisions by the Contractor, the County will either:

A. Provide an opportunity for the Contractor to cure the breach or end the violation, and the County may terminate this Agreement if the Contractor does not cure the breach or end the violation within the time specified by the County; or

B. Immediately terminate this Agreement if the Contractor has breached a material term of this Exhibit F and cure is not possible, as determined by the County.

C. If neither cure nor termination is feasible, the County's Privacy Officer will report the violation to the Secretary of the U.S. Department of Health and Human Services.

### 14. **Judicial or Administrative Proceedings**

The County may terminate this Agreement if: (1) the Contractor is found guilty in a criminal proceeding for a violation of the HIPAA Privacy or Security Laws or the HITECH Act; or (2) there is a finding or stipulation in an administrative or civil proceeding in which the Contractor is a party

### 15. **Effect of Termination**

Upon termination or expiration of this Agreement for any reason, the Contractor shall return or destroy all PHI received from the County (or created or received by the Contractor on behalf of the County) that the Contractor still maintains in any form, and shall retain no copies of such PHI. If return or destruction of PHI is not feasible, the Contractor shall continue to extend the protections of these provisions to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. This provision applies to PHI that is in the possession of subcontractors or agents, if applicable, of the Contractor. If the Contractor destroys the PHI data, a certification of date and time of destruction shall be provided to the County by the Contractor.

### 16. **Compliance with Other Laws**

1.1 To the extent that other state and/or federal laws provide additional, stricter and/or more protective privacy and/or security protections to PHI or other confidential information covered under this BAA, the Contractor agrees to comply with the more protective of the privacy and security standards set forth in the applicable state or federal laws to the extent such standards provide a greater degree of protection and security than HIPAA Rules or are otherwise more favorable to the individual.

### 17. **Disclaimer**

The County makes no warranty or representation that compliance by the Contractor with these provisions, the HITECH Act, or the HIPAA Rules, will be adequate or satisfactory for the Contractor's own purposes or that any information in the Contractor's possession or control, or transmitted or received by the Contractor, is or will be secure from unauthorized access, viewing, use, disclosure, or breach. The Contractor is solely responsible for all decisions made by the Contractor regarding the safeguarding of PHI.

### 18. **Amendment**

The parties acknowledge that Federal and State laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Exhibit F may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to amend this agreement in order to implement the standards and requirements of the HIPAA Rules, the HITECH Act and other applicable laws relating to the security or privacy of PHI. The County may terminate this Agreement upon thirty (30) days written notice in the event that the Contractor does not enter into an amendment providing assurances regarding the safeguarding of PHI that the County in its sole discretion, deems sufficient to satisfy the standards and requirements of the HIPAA Rules, and the HITECH Act.

## **Exhibit E**

### **19. No Third-Party Beneficiaries**

Nothing expressed or implied in the provisions of this Exhibit F is intended to confer, and nothing in this Exhibit F does confer, upon any person other than the County or the Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.

### **20. Interpretation**

The provisions of this Exhibit F shall be interpreted as broadly as necessary to implement and comply with the HIPAA Rules, and applicable State laws. The parties agree that any ambiguity in the terms and conditions of these provisions shall be resolved in favor of a meaning that complies and is consistent with the HIPAA Rules.

### **21. Regulatory References**

A reference in the terms and conditions of these provisions to a section in the HIPAA Rules means the section as in effect or as amended.

### **22. Survival**

The respective rights and obligations of the Contractor as stated in this Exhibit F survive the termination or expiration of this Agreement.

### **23. No Waiver of Obligation**

Change, waiver or discharge by the County of any liability or obligation of the Contractor under this Exhibit F on any one or more occasions is not a waiver of performance of any continuing or other obligation of the Contractor and does not prohibit enforcement by the County of any obligation on any other occasion.
