## **I. PURPOSE:**

The purpose of this Request for Proposal (RFP) is to solicit sealed proposals to establish contracts with qualified sources through competitive negotiation for provision of insurance services for Inbound International and Education Abroad Program Participants for the University of Mary Washington and other institutions per the cooperative procurement clause. Providers for both inbound International and outbound Education Abroad Program participants are required, but the University will consider proposals from providers that can offer one or the other, or both. The University reserves the right, in its best interest, to issue a multiple award.

## **II. ORGANIZATION OVERVIEW:**

The [University of Mary Washington \(UMW\)](#), founded in 1908 and located in Fredericksburg, Virginia, is ranked as a top 10 public liberal arts college nationally in U.S. News and focuses on what matters. Students develop interests into thriving careers through research projects, internships, study abroad programs, community service, and employment opportunities — experiences that turn inspiration into professional success. Mary Wash offers more than 100 majors, minors, and programs; 150+ student organizations and clubs; and NCAA Division III Athletics. Perfectly positioned between Washington, D.C., and Richmond, VA, UMW provides a top-notch curriculum, a close-knit campus community, and a prime location. Learn more at [umw.edu](#).

## **III. BACKGROUND:**

The University provides numerous opportunities for customized education abroad programs for study abroad, foreign language immersion, conservation, volunteerism, service learning, academic research, etc., each year. The University also enrolls students from a wide source of diverse locations around the globe. Health insurance is a University and, in some cases, a federal requirement, although UMW does not participate in a hard waiver program. In order to monitor and ensure insurance purchase, the University advance pays for international students' insurance premiums, and invoices the students accordingly.

- A. Currently, the University provides services to participating students through a University of Mary Washington (UMW) contract with Council on International Educational Exchange, Inc. (CIEE, Inc.), which is available for use through the Virginia Association of State College and University Purchasing Professionals (VASCUPP) cooperative.
- B. Please refer to the solicitation attachments for historical data related to spend against the current contract. These figures are estimated and provided for informational purposes only. The University makes no express or implied guarantee of any particular spend or usage under any contract resulting from this solicitation and shall not be held responsible if actual usage exceeds or does not meet these estimates.

## **IV. CONTRACT PARTICIPATION – COOPERATIVE PURCHASING/USE OF AGREEMENT BY THIRD PARTIES:**

- A. Under the authority of §6 of the Rules Governing Procurement of Goods, Services, Insurance and Construction by a Public Institution of Higher Education of the Commonwealth of Virginia (copy available on the [VASCUPP Website](#)), it is the intent of this solicitation and resulting contract(s) to allow for cooperative procurement. Accordingly, any public body (to include government/state agencies, political subdivisions, etc.), cooperative purchasing organizations, public or private health or educational institutions or any University related foundation and affiliated corporations may access any resulting contract if authorized by the contractor.
- B. Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor(s), the resultant contract(s) may be extended to the entities indicated above to purchase goods and services in accordance with the contract terms. As a separate contractual relationship, the participating entity will place

its own orders directly with the Contractor(s) and shall fully and independently administer its use of the contract(s) to include contractual disputes, invoicing and payments without direct administration from UMW. No modification of this contract or execution of a separate agreement is required to participate; however, the participating entity and the Contractor may modify the terms and conditions of this contract to accommodate specific governing laws, regulations, policies, and business goals required by the participating entity. Any such modification will apply solely between the participating entity and the Contractor.

- C. UMW shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the contract. It is understood and agreed that UMW is not responsible for the acts or omissions of any entity and will not be considered in default of the contract no matter the circumstances. Use of this contract(s) does not preclude any participating entity from using other contracts or competitive processes as needed.

## V. SMALL, WOMAN-OWNED AND MINORITY-OWNED (SWAM) PARTICIPATION:

It is the policy of the Commonwealth of Virginia to contribute to establishment, preservation, and strengthening of small businesses and businesses owned by women and minorities and to encourage their participation in State procurement activities. The Commonwealth encourages contractors to provide for the participation of Small (includes Micro) and otherwise Diverse Businesses through partnerships, joint ventures, subcontracts, and other contractual opportunities.

## VI. PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS:

### A. GENERAL PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS:

1. Proposal Requirements - The University reserves the right to:
  - accept or reject any and all proposals, in whole or in part, received as a result of this RFP,
  - waive minor informalities,
  - issue a lowered evaluation of the proposal for failure to submit all information requested,
  - negotiate with any or all responsible vendors in any manner necessary to serve the best interests of the University, or accept the best proposal as submitted, without negotiation.

Any proposal submitted without a signature binding the Offeror to the proposal will be considered non-responsive and may be rejected. *This Request for Proposal creates no obligation on the part of the University to award a contract or to compensate vendors for proposal preparation expenses.*

2. Protection of Trade Secrets/Proprietary Information: The Virginia Freedom of Information Act "FOIA" requires release of any procurement documents that are not appropriately marked and protected through the Trade Secrets or Proprietary Information provisions outlined in the paragraphs below.

If the Offeror intends to protect any Trade Secrets or Proprietary Information, they must:

- invoke the protection of the Code of Virginia, § 2.2-4342F, **in writing**, stating the reasons why protection is necessary, and,
- submit, at the same time as the original proposal submission, a separate redacted version of the proposal which contains identical content but blacks out any protected information not appropriate for public release. *If a redacted proposal is not received at the same time as the original proposal, no part of the document may later be protected by the Offeror and restricted from public review.*

*The designating of an entire proposal document, line-item prices and/or total proposal prices as proprietary or as a trade secret is not acceptable. If, after being given reasonable time, the Offeror refuses to withdraw the entire proposal designation as proprietary and/or confidential, the proposal will be rejected.*

3. **Oral Presentations:** Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the University. This will provide an opportunity for the Offeror to clarify or elaborate on the proposal. This is a fact-finding and explanation session only and does not include negotiation. *Oral presentations are an option of the university and may not be conducted. Therefore, proposals submitted in response to this RFP should not be submitted with the presumption that there will be opportunities to revise the proposal after submission.*
4. **Number of Proposals Required:** Vendors shall submit one (1) complete electronic proposal through eVA by the date and time specified in this solicitation. Paper or physical media submissions will not be accepted. All proposal documents must be uploaded in eVA in a non-corrupted, readable format and must not be password protected, unless the password is provided at the time of submission. If a redacted copy of the proposal is required, the vendor shall submit one (1) separate electronic redacted copy through eVA, clearly labeled "Redacted," in addition to the complete proposal.
5. **Proposal Formatting and Content:** Proposals should be as detailed as necessary to enable the University of Mary Washington to properly evaluate the Offeror's capabilities to provide the required services. Proposals shall be:
  - Prepared simply and economically, with attention to minimizing unnecessary content and file size.
  - Submitted electronically through eVA in commonly used, readable file formats.
  - Organized in a clear and logical manner.
  - Straightforward and concise, while fully addressing all solicitation requirements.
  - Formatted to facilitate electronic review, including the use of bookmarks, headings, or tables of contents where appropriate.

Any adjustments (increases/decreases) will be handled through purchase order changes.

- I. **IMMIGRATION REFORM AND CONTROL ACT OF 1986**: By entering into a written contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.
- J. **NONDISCRIMINATION OF CONTRACTORS**: A bidder, offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.
- K. **PRECEDENCE OF TERMS**: These Mandatory General Terms and Conditions and the Commonwealth of Virginia Procurement Manual for Institutions of Higher Education and their Vendors, shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.
- L. **PRICE CURRENCY**: Unless stated otherwise in the solicitation, bidders or offerors shall state bid or offer prices in US dollars.

## **XI. SPECIAL TERMS AND CONDITIONS:**

### A. **SOLICITATION**:

1. **ANNOUNCEMENT OF AWARD**: Upon the award or the announcement of the decision to award a contract resulting from a competitive solicitation process for any dollar value, or sole source procurement, the University will publicly post such notice on the DGS/DPS eVA VBO for a minimum of ten (10) days.

2. **AWARD – RFP:** Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror(s) which, in its opinion, has offered the best overall combination of quality, price and various elements of required goods/services, as stated in the solicitation, which in total are optimal relative to the agency's need, and shall award the contract to that offeror(s). The University may cancel this Request for Proposal, reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous (Governing Rule §16). Should the University determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, or if in the sole opinion of the University it is in the University's best interest to award to only one offeror, a contract may be negotiated and awarded to that Offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor's proposal as negotiated. The University, in its sole opinion, reserves the right, if determined to be in the best interest of the University, to make:
  - a. a separate award of each item,
  - b. an award of a group of items,
  - c. an award either in whole or in part,
  - d. a single award, or
  - e. a multiple award
3. **CONTRACTOR/SUBCONTRACTOR LICENSE REQUIREMENT:** By my signature on this solicitation, I certify that this firm/individual and any subcontractors are properly licensed for providing the services specified, and shall remain properly licensed during the life of the contract. Additionally, I understand that I may be asked to provide proof of this licensure at any time by the University, if so requested.
4. **CONTROLLING VERSION:** The PDF version of the solicitation and any addenda issued by University of Mary Washington Procurement Services is the mandatory controlling version of the document. Any modification and/or additions to the solicitation by the Offeror shall not modify the official version of the solicitation issued by UMW Procurement Services unless accepted in writing by the University. Such modifications or additions to the solicitation by the Offeror may be cause for rejection of the proposal; however, UMW reserves the right to decide on a case-by-case basis, in its sole discretion, whether to reject such a proposal. If the modifications or additions are not identified until after the award of the contract, the controlling version of the solicitation document shall still be the official state form (PDF) issued by UMW Procurement Services.
5. **COOPERATIVE PROCUREMENT/ADDITIONAL USERS - USE OF AGREEMENT BY THIRD PARTIES:**

It is the intent of this solicitation and resulting contract(s) to allow for cooperative procurement. Accordingly, any public body (to include government/state agencies, political subdivisions, etc.), cooperative purchasing organizations, public or private health or educational institutions, or any University affiliated agency and/or corporation may access any resulting contract if authorized by the Contractor. Use

of this Agreement does not preclude any participating entity from using other agreements or competitive processes.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor(s), the resultant contract(s) will be extended to the entities indicated above to purchase goods and services in accordance with contract terms. As a separate contractual relationship, the participating entity will place its own orders directly with the contractor(s) and shall fully and independently administer its use of the contract(s) to include contractual disputes, invoicing and payments without direct administration from the University. No modification of this contract or execution of a separate agreement is required to participate; however, the participating entity and the contractor may modify the terms and conditions of this contract to accommodate specific governing laws, regulations, policies, and business goals required by the participating entity. Any such modification will apply solely between the participating entity and the Contractor.

The Contractor will notify the University in writing of any such entities accessing this Contract. The Contractor will provide semi-annual usage reports for all entities accessing the Contract. The University shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the Contract. It is understood and agreed that the University is not responsible for the acts or omissions of any entity, and will not be considered in default of the Contract no matter the circumstances.

The Contractor is strongly encouraged to offer additional discounts to all contract participants as the result of increasing aggregated spend among all entities accessing the contract. A plan for extending deeper discounts among all contract participants will be requested during negotiations.

6. **DEBARMENT STATUS**: By participating in this procurement, the vendor certifies that they are not currently debarred by the Commonwealth of Virginia or any affiliated agency from submitting a response for the type of goods and/or services covered by this solicitation. Vendor further certifies that they are not debarred from filling any order or accepting any resulting order, or that they are an agent of any person or entity that is currently debarred by the Commonwealth of Virginia. If a vendor is created or used for the purpose of circumventing a debarment decision against another vendor, the non-debarred vendor will be debarred for the same time period as the debarred vendor.
  
7. **DRUG-FREE WORKPLACE**: During the performance of this contract, the contractor agrees to (i) provide a drug free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, “drug-free workplace” means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance during the performance of the contract.

8. **E-VERIFY PROGRAM:** Pursuant to the Code of Virginia, §2.2-4308.2., any employer with more than an average of fifty (50) employees for the previous twelve (12) months entering into a contract in excess of \$50,000 with any agency of the Commonwealth to perform work or provide services pursuant to such contract shall register and participate in the E-Verify program to verify information and work authorization of its newly hired employees performing work pursuant to such public contract. Any such employer who fails to comply with these provisions shall be debarred from contracting with any agency of the Commonwealth for a period up to one year. Such debarment shall cease upon the employer’s registration and participation in the E-Verify program. If requested, the employer shall present a copy of their Maintain Company page from E-Verify to prove that they are enrolled in E-Verify.
9. **EXTRA CHARGES PROHIBITED:** The bid or proposal price shall be complete; and shall include all applicable freight and any other charges; extra charges invoked by the Contractor shall not be honored or paid. These charges, for example, shall include but not be limited to fees invoked by the Contractor for the use of a University charge card for payment of invoices, or any order-associated eVA fees.
10. **INSURANCE:** By signing and submitting a bid or proposal under this solicitation, the bidder or offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers’ compensation insurance in accordance with §25 of the Rules Governing Procurement – Chapter 2, Exhibit J, Attachment 1, and 65.2-800 et seq. of the Code of Virginia. The bidder or offeror further certifies that the contractor and any subcontractors will maintain these insurance coverages during the entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

**MINIMUM INSURANCE COVERAGES AND LIMITS REQUIRED FOR MOST CONTRACTS:**

- a. Workers’ Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in the number of employees that change their workers’ compensation requirements under the Code of Virginia during the course of the contract shall be in noncompliance with the contract.
  - b. Employer’s Liability - \$100,000.
  - c. Commercial General Liability - \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. The Commonwealth of Virginia must be named as an additional insured and so endorsed on the policy.
11. **LATE PROPOSALS:** To be considered for selection, proposals must be submitted through eVA no later than the designated date and time stated in the solicitation. The official time for determining timely receipt shall be the eVA system’s electronic timestamp applied at the moment of submission. Proposals that are submitted in eVA after the designated due date and time are automatically disqualified and will not be considered for award. It is the sole responsibility of the Offeror to ensure that its proposal

is successfully submitted and time-stamped in eVA prior to the deadline. The University is not responsible for technical issues on the Offeror's side that prevent timely submission.

12. **PROCUREMENT MANUAL:** This solicitation and any resulting contract is subject to the provisions of the Commonwealth of Virginia Procurement Manual for Institutions of Higher Education and their Vendors and any revisions thereto, which are hereby incorporated into this contract in their entirety. The manual may be viewed on the [VASCUPP Website](#).
13. **QUALIFICATION OF OFFERORS:** UMW may make such reasonable investigations as deemed proper and necessary to determine the ability of the Offeror to perform the services and the Offeror shall furnish to UMW all such information and data for this purpose as may be requested. UMW reserves the right to inspect the Offeror's physical facilities prior to award to satisfy questions regarding the Offeror's capabilities. UMW further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such Offeror fails to satisfy UMW that such Offeror is properly qualified to carry out the obligations of the Contract and to provide the services and/or furnish the goods contemplated herein.
14. **SMALL BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:**
  - a. It is the goal of the University that 42% of its purchases are made from small businesses. This includes discretionary spending in prime contracts and subcontracts. All potential bidders/offerors are required to submit a Small Business Subcontracting Plan. Unless the bidder/offeror is registered as a Department of Small Business and Supplier Diversity (DSBSD) certified small business and where it is practicable for any portion of the awarded contract to be subcontracted to other suppliers, the contractor is encouraged to offer such subcontracting opportunities to DSBSD-certified small businesses. This shall not exclude DSBSD-certified women-owned and minority-owned businesses when they have received DSBSD small business certification. No bidder/offeror or subcontractor shall be considered a Small Business, a Women-Owned Business or a Minority-Owned Business unless certified as such by DSBSD by the due date for receipt of bids or proposals. If small business subcontractors are used, the prime contractor agrees to report the use of small business subcontractors by providing the procurement office at a minimum the following information: name of small business with the DSBSD certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product/service provided.
  - b. Each prime contractor who wins an award in which provision of a small business subcontracting plan is a condition of the award, shall deliver to the University on a quarterly basis, evidence of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the small business subcontracting plan. When such business has been subcontracted to these firms and upon completion of the contract, the contractor agrees to furnish the procurement office at a minimum the following information: name of firm with the DSBSD certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product or service provided. Payment(s) may be withheld until compliance with the plan is received and confirmed by the University. The University reserves the right to pursue other appropriate remedies to include, but not be limited to, termination for default.
  - c. Each prime contractor who wins an award valued over \$200,000 shall deliver to the University on a quarterly basis, information on use of subcontractors that are not DSBSD-certified small businesses.

When such business has been subcontracted to these firms and upon completion of the contract, the contractor agrees to furnish the procurement office at a minimum the following information: name of firm, phone number, total dollar amount subcontracted, and type of product or service provided.

15. **SOLICITATION COMMUNICATIONS:** From the date of issue of this RFP by the University until an official award or intent to award is issued, or when the University rejects all proposals, all communications regarding information related to the solicitation must be through Procurement Services. Any contact with individuals outside of Procurement regarding information related to the solicitation may result in the rejection of any Offeror's proposal and/or cancellation of this RFP.
16. **UNDERSTANDING OF REQUIREMENTS:** Your signature on your bid/proposal submission certifies your understanding of the following:
  - a. It is the responsibility of each offeror to inquire about and clarify any requirements of this solicitation that is not understood. The University will not be bound by oral explanations as to the meaning of specifications or language contained in this solicitation.
  - b. Therefore, all inquiries deemed to be substantive in nature regarding the specifications or other solicitation documents must be in writing and submitted to the responsible Contract Officer, whose name appears on the face of the solicitation, in the Procurement Services Office no later than five business days before the due date. Offerors must ensure that written inquiries reach the Contract Officer by the date stated in RFP. A copy of all queries and the respective response will be provided in the form of an addendum.
  - c. Your signature on your proposal and submission thereof certifies that you fully understand the requirements of this solicitation and have familiarized yourself with all federal, state and local laws, ordinances, rules, and regulations that may affect the cost, progress, or performance of the work. Failure or omission of any Offeror to receive or examine any form, instrument, addendum or other documents, or to acquaint itself with conditions existing at the site, shall in no way relieve the vendor from any obligations with respect to its proposal submission or to the contract.

B. **CONTRACT:**

1. **ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.
2. **CANCELLATION OF CONTRACT:** The University reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon sixty (60) days' written notice to the Contractor. Any contract cancellation notice shall not relieve the Contractor of the obligation to deliver and/or perform all outstanding orders issued prior to the effective date of cancellation. The Contractor shall be entitled to receive full compensation for all University-accepted services performed and/or goods received prior to the effective date of contract termination. Contractor shall not be entitled to, and hereby waives claims for lost profits and all other damages and expenses.
3. **CHANGES TO THE CONTRACT:** Changes can be made to the contract in any of the following ways:

- a. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
  - b. The University may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give the University a credit for any savings. Said compensation shall be determined by one of the following methods:
    - a. By mutual agreement between the parties in writing; or
    - b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the University's right to audit the contractor's records and/or to determine the correct number of units independently; or
    - c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the University with all vouchers and records of expenses incurred and savings realized. The University shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the University within thirty (30) days from the date of receipt of the written order from the University. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia Manual for Institutions of Higher Education and Their Vendors. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the University or with the performance of the contract generally.
4. **CONTRACTOR EMPLOYEE REQUIREMENTS – BACKGROUND SCREENS:** The Contractor shall ensure that its employees have undergone background screening and possess all necessary qualifications to comply with the terms of this contract, including, but not limited to all terms related to data and intellectual property protection and physical protection and safety of students, faculty and staff. To this end, all contractor staff considered for full-time or part-time employment on any property owned, leased or otherwise acquired by UMW, shall undergo a background screening, the cost of which shall be incurred by the Contractor, after an offer has been extended, and prior to commencement of work on any UMW property. If Contractor employs the use of a staffing company to provide seasonal or temporary labor at any point during any term of the contract, including optional renewals, background screening shall be performed by the Subcontractor to the same extent as for any full-time or part-time Contractor staff.
- a. The results of background checks shall be directed solely to the Contractor, including any criminal convictions. Consideration shall be given to the relationship to the job, how long ago the conviction occurred, the potential risk posed to employees, customers, campus and Contractor, and any other circumstances deemed relevant to the final determination of whether to employ or retain the

employee. Conviction information shall be maintained as confidential to the Contractor. If a conviction is found to be relevant to the role and the decision is made not to proceed, the Adverse Action Process shall be commenced, in accordance with the Fair Credit Reporting Act.

- b. Notwithstanding any other provision herein, and to ensure the safety of students, faculty, staff and facilities, UMW reserves the right to approve or disapprove any contract employee that will work on UMW property. Such request shall be in writing and state the reason. Such reason must be for good cause and may not be for an illegal reason. Disapproval by the University will solely apply to that individual's employment on UMW property and should have no bearing on the Contractor's employment of any individual outside of UMW properties.
- c. UMW reserves the right to audit a Contractor's background check process at any time.
- d. All Contractor employees shall have a duty to self-disclose any criminal conviction(s) occurring while assigned to the UMW campus. Such disclosure shall be made to the Contractor.
- e. Screens shall include:
  - a. Enhanced Nationwide Criminal Search; which shall include Social Security Number search, address history, legal name and alias, including for job-related criminal history

  - c. County Criminal Search for all identified counties.

5. **CONTINUITY OF SERVICES:**

- a. The Contractor recognizes that the services under this contract are vital to the University and must be continued without interruption and that, upon contract expiration, a successor, either the University or another contractor, may continue them. The Contractor agrees:
  - a. To exercise its best efforts and cooperation to affect an orderly and efficient transition to a successor;
  - b. To make all University owned facilities, equipment, and data available to any successor at an appropriate time prior to the expiration of the contract to facilitate transition to successor; and
  - c. That the University Contracting Officer shall have final authority to resolve disputes related to the transition of the contract from the Contractor to its successor.
- b. The Contractor shall, upon written notice from the Contract Officer, furnish phase-in/phase-out services for up to ninety (90) days after this contract expires and shall negotiate in good faith a plan with the successor to execute the phase-in/phase-out services. This plan shall be subject to the Contract Officer's approval.
- c. The Contractor shall be reimbursed for all reasonable, pre-approved phase-in/phase-out costs (i.e., costs incurred within the agreed period after contract expiration that result from phase-in, phase-out operations) and a fee (profit) not to exceed a pro rata portion of the fee (profit) under this contract. All phase-in/phase-out work fees must be approved by the Contract Officer in writing prior to commencement of said work.

6. **CONTROLLING VERSION:** The PDF version of the contract issued by University of Mary Washington Procurement Services is the mandatory controlling version of the document. Any modification and/or additions by the Contractor shall not modify the official version of the contract issued by UMW Procurement Services unless accepted in writing by the University.

7. **DEFAULT**: In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.
8. **EMERGENCY RESPONSE NOTIFICATION**: In the event of a local, state, or national emergency, the Contractor shall submit to the University its current updated emergency policies and/or procedures if any personnel are to be performing work on University grounds. In addition to any specific guidelines established by the University for any current or ongoing emergency, all guidelines established by the Commonwealth of Virginia, OSHA, the CDC and any other regulatory agency shall be followed. It is the responsibility of the Contractor to remain updated regarding any current University emergency policies and procedures.
9. **FISCAL YEAR PROCESSING**: The University of Mary Washington fiscal year is July 1st through June 30th. Payment cannot be made for multiple fiscal years in advance of services.
10. **INDEMNIFICATION**: Contractor agrees to indemnify, defend and hold harmless the University as an agency of the Commonwealth of Virginia, its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use of any materials, goods, or equipment of any kind or nature furnished by the contractor/any services of any kind or nature furnished by the contractor, provided that such liability is not attributable to the sole negligence of the using agency or to failure of the using agency to use the materials, goods, services, or equipment in the manner already and permanently described by the contractor on the materials, goods, services or equipment delivered.
11. **INDEPENDENT CONTRACTOR RELATIONSHIP**: In performing any and all of the services to be provided under this contract, the Contractor shall at all times and for all purposes be and remain an independent contractor. In no case and under no circumstances shall the Contractor or any of its employees, including but not limited to those of its employees actually performing any of the services, have authority to make any representations or commitments on behalf of the University or be considered the agent of the University for any purpose whatsoever. No persons engaged by the Contractor in connection with the provision of Services shall be considered employees of the University. As between the parties, the Contractor shall be responsible for hiring, supervising, training and instructing those individuals performing the services and shall pay any required state and federal taxes on behalf of such persons and provide them with any legally required employee benefits.
12. **NON-ASSIGNMENT**: Neither Party shall assign or transfer its rights or obligations under this Contract without the prior written consent of the other Party.
13. **NON-EXCLUSIVE CONTRACT**: Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. The contract shall not restrict UMW from acquiring similar, equal or like goods and/or services from other sources.
14. **NOTICES**: Any official legal notice, demand, request, consent, approval or communication required by this Agreement to be provided in writing by either party, shall be addressed to the University or Contractor at

**15. PAYMENT TERMS:**

**1. To Prime Contractor:**

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- b. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
- c. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- d. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (Rules Governing Procurement, Chapter 2, Exhibit J, Attachment 1 §53).

**2. To Subcontractors:**

- a. A contractor awarded a contract under this solicitation is hereby obligated:
  - i. To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
  - ii. To notify the agency and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.

3. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.
  - a. Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
    - i. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.
16. **RENEWAL OF CONTRACT:** This contract may be renewed by the University upon written agreement of both parties for Nine (9) One-Year Renewals, or as negotiated, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration. Only at the time of renewal may prices be negotiated for the upcoming term.
17. **SEVERABILITY:** If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.
18. **SUBCONTRACTS:** No portion of the work shall be subcontracted without prior written consent of the University. In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish the procurement agency the names, qualifications and experience of their proposed subcontractors. The contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the contract.
19. **TITLE IX:** Educational institutions that receive federal financial assistance are covered by Title IX of the Education Amendments of 1972. In compliance with Title IX, the University of Mary Washington prohibits discrimination in employment as well as in all programs and activities on the basis of sex. The University of Mary Washington's Policy on Sexual and Gender Based Harassment and Other Forms of Interpersonal Violence is available via [BoardDocs](#). Additional information regarding Title IX policies and procedures is available on the [Title IX web page](#).

XII. **SUPPLIER ONBOARDING and METHOD OF PAYMENT:** *All awarded Contractors must be [registered with the University](#) to receive payment via University-issued check or ACH. The Contractor shall be paid using one of the following methods for all University initiated procurements:*

1. University Charge Card: At the time of verified receipt of goods or services, and proper invoice, if the Contractor's eVA profile indicates acceptance of credit cards in payment, the University will authorize payment by University charge card, currently through the Bank of America Visa, under the following terms:
  - a. Any "Check-out fees" imposed by the contractor must be disclosed prior to the purchase.
  - b. No check-out fee or surcharge, that was appropriately disclosed in advance of the sale/purchase, shall be greater than 3% of the total sale., effective 4/15/2023. The University expects that these costs, as well as all contractor business expenses will be built into the contractor's quoted price.
2. Virtual Payables through Bank of America: All payments made under Virtual Payables will have a net 16 payment term. For more information about this payment option, contact UMW's Accounts Payable department at: [payables@umw.edu](mailto:payables@umw.edu) or view <http://www.bankofamerica.com/epayablesvendors>.
