Description

This is a non-personal services contract to support the United States Army, Office of the Surgeon General (US ARMY OTSG), and United States Army, Headquarters Medical Command (USA HQ MEDCOM), Direct Reporting Units (DRUs), other Army organizations and/or authorized users (as required) outside and within the Continental United States (OCONUS/CONUS) initiative to sustain the current information management/information technology (IM/IT) infrastructure and future IM/IT enhancements. This contract shall encompass a wide range of IT services, including network support, database management, and cloud operations, with a focus on compliance with federal IT security standards. The government shall not exercise any supervision or control over the contract service providers performing the services herein. Contractor service providers shall be accountable solely to the Contractor who, in turn, is responsible to the Government.
