### Description

---

This is a SOURCES SOUGHT NOTICE to determine the availability and technical capability of small businesses (including the following subsets: Small Disadvantaged Businesses, Certified 8(a), Service-Disabled Veteran-Owned Small Businesses, HUBZone Small Businesses and Woman-Owned Small Businesses) to provide the required products and/or services.

DISA EM2 is seeking information from potential sources for technical services and knowledge management. Technical services encompass sustaining, maintaining, and evolving a lab environment, providing testing and evaluation of new and emerging technologies in support of operational stakeholders. Knowledge Management services include solution development, content and record migration, system maintenance and support, and agile methodology to drive digital transformation and process automation.

See attached for additional details and draft PWS.
