

Exhibit B
Past Performance Template
General Instructions

Respondent shall list and provide information concerning a minimum of three (3) contracts or projects, other than for HHSC or DSHS, similar to the services enumerated in **Exhibit E, Scope of Work (SOW)**. HHSC prefers information from projects or contracts that were performed for states of comparable size and/or federal government within the last five (5) years. Respondent must verify client contacts are current. Respondent is responsible for ensuring that it observes any applicable attorney-client privilege requirements, obligations, and/or restrictions in providing contract or project information.

Respondent must provide a completed Past Performance Template for each contract or project. The Past Performance Template follows the instructions.
