

Vendor Questionnaire Form

1. Please provide a brief description of the food service sectors your organization currently services and how this will be beneficial to members of RAFT.

2. RAFT is made up of 22 school districts throughout the state. Each district varies in size and the number of delivery locations. Certain school districts are situated in rural regions, while others can be found in central locations. Please explain how your organization will meet the delivery needs of the RAFT membership.

3. RAFT members participate in the National School Breakfast and Lunch Program which is governed by the United States Department of Agriculture (USDA). One of the requirements of this program is for participants to focus on buying domestic food products as well as locally sourced food products. How can your organization help RAFT members meet these purchasing requirements?

4. How does your organization manage unforeseen events such as product shortages, instances when the wrong item was placed on the delivery truck, or a data entry order from a RAFT Member. Please provide a detailed description and timeline for the corrective action of such occurrences.

5. What is the company policy for ordering specialty items which may not be on the bid? An example would be a district is looking to buy a particular food item to recognize an upcoming holiday or school event.
