**AGAR Clauses**

452.203-71 Anti-Discrimination and Diversity, Equity, and Inclusion (DEI) Compliance (May 2026)

(a) By entering into this contract, the contractor certifies that:

- (1) It is compliant with all applicable Federal anti-discrimination laws and the Equal Protection principles of the U.S. Constitution, and it will remain compliant for the duration of the contract.
- (2) Neither it nor any subcontractor or teaming partner operates or funds any program, policy, or initiative that promotes DEI in a manner that violates any applicable Federal anti-discrimination laws, including but not limited to Title VI and VII of the Civil Rights Act of 1964, or the Equal Protection principles of the U.S. Constitution, and the contractor and any subcontractor or teaming partner will not do so for the duration of the contract.

(b) If the contractor participates in, facilitates, or funds programs that implicate Title VI of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972, as amended, including but not limited to grants to or for schools, colleges, universities, 4-H programs, non-governmental organization (NGO) programs, sports programs, and education-related grants to prisons or other detention facilities, the contractor certifies that it will remain compliant with those laws, including the requirements set forth in Executive Order 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity.

(c) The contractor affirms that the above requirements are conditions of payment that go to the essence of the contract and are therefore material terms of the contract. Payments under the contract are predicated on compliance with the above requirements, and therefore the contractor is not eligible for funding under the contract or to retain any funding under the contract absent compliance with the above requirements.

(d) This certification reflects a change in the Government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this contract.

(e) Submission of a knowing false statement relating to contractor's compliance with the above requirements and/or eligibility for the contract may subject the contractor to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

(f) The contractor must include the provisions of this clause in all subcontract solicitations.

(g) Failure on the part of the contractor or its subcontractors to comply with the terms of this clause may be grounds for the Contracting Officer to terminate this contract for default.

(End of Clause)

AGAR 452.203-72 Unenforceable Supplier Terms (MAY 2026)

(a) Definitions.

*Supplier terms* mean provisions customarily drafted by vendors of supplies or services and intended to create a binding legal obligation on the end user. The term applies:

1. Regardless of the format or style of the document. For example, supplier terms may appear in standard terms of sale or lease, Terms of Service (TOS), End User License Agreement (EULA), or another similar legal instrument or agreement, and may be presented as part of a proposal or quotation responding to a solicitation for a contract or order or otherwise become effective after the contract date.
2. Regardless of the media or delivery mechanism used. For example, supplier terms may be presented as one or more paper documents or may appear on a computer or other electronic device screen during a purchase, software installation, other product delivery, registration for a service, or another transaction.

(b) Applicability. When any supply or service acquired under this contract is subject to supplier terms, the supplier terms are deemed part of the contract only to the extent they are consistent with this clause. Supplier terms that conflict with any part of this clause, the contract, or Federal law are void and will not be considered incorporated into a contract, even if they are physically present in a contract documentation or systems. In the event of any inconsistency between supplier terms and this contract, this clause and the terms of the Government contract must govern and supersede any supplier terms in all cases.

(c) Authorization Required. Notwithstanding any other provision, no supplier terms must be binding on the Government unless the term is expressly authorized on the USDA Supplier Terms Authorization Form signed by the Contracting Officer, and the completed Authorization Form has been incorporated into the contract.

(d) Unenforceable Terms. Any supplier terms that impose obligations or restrictions inconsistent with applicable Federal law are unenforceable against the Government and deemed stricken from the agreement. This includes, but is not limited to, any clause that:

- (1) Requires the Government to pay future fees, penalties, interest, legal costs, early-termination fees, cancellation fees, minimum purchase commitments, true-up payments, seat-count minimums, usage minimums, continued-use charges, or any other financial obligation not expressly authorized by the contract.
- (2) Requires the Government to indemnify the contractor or any other entity.
- (3) Restricts the Government's ability to obtain similar supplies or services from another source.
- (4) Imposes any penalty, financial or otherwise, based on the Government's decision not to exercise an option.
- (5) Subjects the United States Government to the laws of any U.S. state, territory, district, municipality, or foreign nation, except where Federal law expressly permits such application.

**Great Onyx Medical Services**  
**1282A726Q0027**

- (6) Requires dispute resolution in a forum or venue other than one prescribed by applicable Federal law.
- (7) Establishes a period of limitations for bringing an action that differs from that provided by applicable Federal law.
- (8) Grants the contractor rights to use, mine, access, aggregate, analyze, or otherwise exploit Government data, usage data, or metadata.
- (9) Deems the Government to have accepted initial or revised terms based on silence, continued performance, or failure to object.
- (10) Grants the supplier the right to audit Government facilities, systems, records, or use of the product or service, except as expressly authorized by the contract and applicable Federal law.
- (11) Requires the Government to accept supplier security requirements, network access requirements, monitoring, penetration testing, or other technical or security measures.
- (12) Permits the supplier to suspend, degrade, or terminate access to products or services based on alleged non-payment, alleged breach, automated security triggers.
- (13) Limits the Government's right to use, install, access, test, evaluate, or transfer the licensed product or service in any manner consistent with the contract and Federal law.
- (14) Requires the Government to store, process, maintain, or transmit data in a particular geographic location, or permits the supplier to transfer Government data outside the United States, except as expressly authorized by applicable Federal law.
- (15) Authorizes the supplier to use the Government's name, seal, trademark, logo, or any reference to the Government as an end user or customer for marketing, publicity, promotional activities, press releases, or similar purposes.
- (16) Incorporates by reference, or requires the Government to accept, terms or conditions imposed by any third party, subcontractor, or upstream service provider, unless such terms are expressly incorporated into the contract by bilateral modification.
- (17) Limits, conditions, or negates the contractor's performance obligations, service levels, or remedies through a supplier-provided service level agreement (SLA).
- (18) Uses Government data, usage data, metadata, prompts, content, or interactions to train, fine-tune, improve, or derive any artificial intelligence, machine learning, or automated decision-making model.
- (19) Subjects the Government to automated decision-making, automated risk scoring, automated content moderation, or any algorithmic process that may affect access, performance, or rights under the contract.

**Great Onyx Medical Services**  
**1282A726Q0027**

(20) Utilizes artificial intelligence or algorithmic tools that produce decisions, recommendations, or outputs affecting contract performance without providing transparency, explainability, auditability, and bias-mitigation consistent with applicable Federal law and policy.

(21) Profiles, tracks, or analyzes Government user behavior, preferences, communications, or interactions for personalization, marketing, or algorithmic optimization purposes.

(e) Non-binding Actions. Neither the Government nor any Government authorized end user is deemed to have consented to any term, condition, or clause by virtue of its inclusion in the supplier agreement or through the use of clickwrap, browsewrap, "I agree" mechanisms, or similar means. Execution of such mechanisms does not bind the Government or its authorized end users to any unenforceable terms.

(f) End user. The supplier agreement must bind the ordering activity as the end user to the extent it does not conflict with the terms of this clause, but it must not bind or impose personal liability on any Government employee or any person acting on behalf of the Government in their personal capacity.

(g) Law and disputes. The supplier agreement is governed by Federal law.

(h) Statutory exception. This clause does not apply to indemnification or any other payment by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(i) Continued performance. The supplier or licensor must not unilaterally revoke, terminate, or suspend any rights granted to the Government except as allowed by the contract. If the supplier or licensor believes the ordering activity to be in breach of the supplier agreement, it must pursue its rights under the Contract Disputes Act or other applicable Federal statute while proceeding diligently with performance, pending final resolution of any dispute in accordance with the Disputes Clause at FAR 52.212-4(d) or FAR 52.233-1, as applicable.

(j) Arbitration. Binding arbitration must not be used unless specifically authorized by agency guidance.

(k) Equitable or injunctive relief. Equitable or injunctive relief, including the award of attorney fees, costs, or interest, may be awarded against the United States Government only when explicitly provided by statute (e.g., the Prompt Payment Act or the Equal Access to Justice Act).

(l) Revisions to supplier agreements. Any revisions to the supplier agreement must be incorporated into the contract using a bilateral modification. Unilateral revisions are not binding on the Government.

(m) No automatic renewals. If any license or service tied to periodic payment is provided under the supplier agreement (e.g., annual software maintenance or annual lease term), such license or service must not renew automatically upon expiration of its current term without prior express written consent from an authorized Government representative.

(n) Indemnification. Any clause of the supplier agreement requiring the supplier or licensor to defend or indemnify the end user is amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.

**Great Onyx Medical Services**  
**1282A726Q0027**

(o) Taxes or surcharges. Any taxes or surcharges which the supplier or licensor seeks to pass along to the Government as end user will be governed by the terms of the associated Government contract or order and must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed otherwise.

(p) Non-assignment. The supplier agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the Government's prior approval, except as expressly permitted by FAR 52.212-4(b) or FAR 52.232-23, as applicable.

(q) Confidential information. If the supplier agreement includes a confidentiality clause, such clause is amended to state that neither the agreement nor the contract price list, as applicable, must be deemed "confidential information." Issues regarding release of "unit pricing" will be resolved consistent with the Freedom of Information Act. Notwithstanding anything in the supplier agreement to the contrary, the Government may retain any confidential information as required by law, regulation, or its internal document retention procedures for legal, regulatory, or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of the supplier agreement.

(r) Conflict with Federal law. If any other language, provision, or clause of the supplier agreement conflicts or is inconsistent with Federal law or the terms and conditions of this contract, such language, provisions, or clauses will be considered null and void and will not be binding on the United States Government.

(End of Clause)

**452.204-70 Modification for Contract Closeout (Apr 2026)**

(a) If unliquidated funds in the amount of \$1000 or less remain on the contract, the Contracting Officer (Contracting Officer) may issue a unilateral modification for deobligation. The contractor will receive a copy of the modification but is not required to provide a signature. The Contracting Officer will immediately proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

(b) For commercial contracts not exceeding the simplified acquisition procedure threshold under FAR 12.001(c), if more than \$1,000 in unliquidated funds remain at closeout, the Contracting Officer will issue a bilateral deobligation modification. Only the modification requires the contractor's signature, though a Release of Claims may be requested. If the required documents are not returned within 60 days, the Contracting Officer will issue a unilateral modification and proceed with closeout once performance is complete, acceptance is confirmed, and final payment is made.

(c) For all other non-commercial or non-cost-reimbursement contracts, if more than \$1,000 in unliquidated funds remain at closeout, the Contracting Officer will issue a bilateral deobligation modification and a Release of Claims, both requiring contractor signature. If these documents are not returned within 120 days, the Contracting Officer will issue a unilateral modification and proceed with closeout upon completion of performance, acceptance, and final payment.

(End of Clause)

**452.204-71 Personal Identity Verification and Workforce Integrity of Contractor Employees (Apr 2026)**

**Great Onyx Medical Services**  
**1282A726Q0027**

(a) Compliance with PIV Requirements. The contractor must comply with the personal identity verification (PIV) policies and procedures established by the United States Department of Agriculture (USDA) Directives 4620-002 series, Homeland Security Presidential Directive 12, and any implementing guidance issued by the Contracting Officer. The contractor must appoint a representative responsible for PIV compliance and must maintain a current list of employees eligible for a USDA LincPass or otherwise authorized to perform work under this contract.

(b) PIV Sponsor Availability. The PIV Sponsor for this contract is the designated Government point of contact identified in the contract, typically the COR unless otherwise specified. The Government will notify the contractor of any changes. The contractor remains responsible for meeting all PIV obligations regardless of changes in sponsor availability.

(c) Contractor Workforce Integrity and Accountability. The contractor is fully responsible for ensuring that all individuals performing under this contract are properly vetted, eligible for access, authorized to perform the work, and accurately represented. At a minimum, the contractor must implement lawful and effective internal controls to:

- (1) Verify the identity, work authorization, and qualifications of all personnel assigned;
- (2) Ensure only the individuals presented to USDA for PIV enrollment or identity verification perform work;
- (3) Detect and address indicators of identity fraud, unauthorized substitution, or other workforce integrity risks; and
- (4) Ensure continuous oversight of personnel, including remote workers, in accordance with any reporting requirements specified in the Contract.

(d) Mandatory Removal and Replacement. If the Government determines that a contractor employee fails to meet eligibility, security, integrity, or performance requirements, the Contracting Officer may direct the contractor to remove the individual from performance. The contractor must:

- (1) Remove the employee immediately upon notice;
- (2) Provide a qualified replacement at no additional cost to the Government; and
- (3) Ensure continuity of operations so as not to impact mission requirements.
- (4) Failure to promptly remove or replace employees when directed may result in remedies including withholding payment, termination, or other actions authorized under this contract.

(e) Impact on Contractor Performance. Contractor compliance with this clause, including timely removal and replacement of personnel, adherence to PIV requirements, and maintenance of workforce integrity, is a material requirement of this contract. Incidents of identity discrepancies, failure to maintain an eligible workforce, submission of personnel who do not match verified

identities, unauthorized substitutions, or failure to comply with Government direction may result in termination and will be documented in the contractor's performance assessment and reflected in the Contractor Performance Assessment Reporting System (CPARS).

(f) Subcontractor Applicability. The contractor must include this clause in all subcontracts requiring routine unaccompanied physical access to a Federally controlled facility and/or routine unaccompanied access to a Federally controlled information system. The contractor is accountable for ensuring subcontractor compliance.

(g) No Government Direction of Hiring Practices. Nothing in this clause authorizes the Government to direct the contractor's internal hiring processes or require the disclosure of personal information beyond what is authorized by law, regulation, or contract terms. The contractor remains solely responsible for determining lawful methods to meet the requirements of this clause.  
(End of Clause)

**452.204-72 Use of Electronic Data Interchange (EDI) or Other Automation Technologies (Apr 2026)**

(a) In the event that Electronic Data Interchange (EDI) functionality or other automation technologies such as Robotics Process Automation is utilized to facilitate electronic transactions between USDA and its contractors, it is the sole responsibility of the Contractor to ensure accuracy of the electronically transferred data. The Government's electronic system shall serve as the system of record for all data exchanged or retrieved.

(b) The Government shall not be liable to the Contractor for any delay or failure associated with EDI or other automation technologies. The Contractor's use of this service is at the Contractor's sole risk. For electronic or automated services provided by USDA to the contractor, the services are provided on an "as is" and "as available" basis. For electronic or automated services provided by the contractor that interact with the USDA electronic systems, the USDA is not responsible for any costs incurred by the contractor related to the development, test, or support of the services. The Contractor shall be responsible for all fees associated with EDI. The Contractor is responsible for the confidentiality and security of its systems, interfaces, interconnections, and any documents that the customer receives from The Government pursuant to the contract.

(c) The Government reserves the right to restrict, refuse, or cancel any participation in EDI services.  
(End of clause)

**Solicitation Information**

**Award Type**

It is anticipated that a firm-fixed price will be awarded as a result of this solicitation consisting of one (1) one-year base period and four (4) one-year option periods shall be awarded as a result of this synopsis/solicitation. - Total hours for both positions must equal the total 400 hours per year.

FAR 52.212-2 Evaluation - Commercial Products and Commercial Services (Nov 2025)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

- Technical Capability
- Past Performance
- Price

(b) Options (if applicable). The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine

**Great Onyx Medical Services**  
**1282A726Q0027**

that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) Notice of award. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(c) The offeror affirms that the above requirements are conditions of payment that go to the essence of the contract and are therefore material terms of the contract. Payments under the contract are predicated on compliance with the above requirements, and therefore the offeror will not be eligible for funding under the contract or to retain any funding under the contract absent compliance with the above requirements.

(d) This certification reflects a change in the Government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this contract.

(e) Submission of a knowing false statement relating to offeror's compliance with the above requirements and/or eligibility for the contract may subject the offeror to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

(f) Failure on the part of the offeror or its subcontractors to comply with the terms of this clause may be grounds for the Contracting Officer to terminate the contract for default.  
(End of Provision)

**NOTICE FOR FILING AGENCY PROTESTS**

**United States Department of Agriculture (USDA) Protest Procedures**

The United States Department of Agriculture (USDA) is committed to fair, transparent, and efficient acquisitions. Interested parties with concerns about this solicitation are encouraged to seek resolution through the following USDA procedures.

**Tier 1: Contracting Officer Concern Resolution**

**Submission:** Interested parties with concerns about either the solicitation or subsequent award should first submit their concern directly to the Contracting Officer, providing sufficient detail to allow the Contracting Officer to understand and assess the issue.

**Process:** The Contracting Officer will review the concern, seek clarification as needed, and engage with the interested party to attempt prompt resolution.

**Review Timeline:** The Contracting Officer will make every effort to provide a response or resolution within 10 business days of receiving the concern.

**Effect on Award or Performance:** Tier 1 engagement is not considered an official notification of filing an agency protest and does not pause solicitation deadlines, delay award decisions, or suspend contract performance.

**Next Steps:** If the matter cannot be resolved at Tier 1, the interested party may file a written agency protest under Tier 2.

USDA encourages all parties to seek resolution with the Contracting Officer before filing an agency protest.

**Great Onyx Medical Services**  
**1282A726Q0027**

**Tier 2: Agency Protest**

If concerns cannot be resolved at Tier 1, an interested party may file a written agency protest with either the Contracting Officer or the USDA Independent Review Authority. The decision by the USDA Independent Review Authority is an alternative to a decision by the Contracting Officer. The USDA Independent Review Authority will not consider an appeal of the Contracting Officer's decision on an agency protest.

The protest must state whether the protester elects review by the Contracting Officer, by the USDA Independent Review Authority. If no election is stated, the Contracting Officer will decide the protest.

**Required Information:** Protests shall include the information set forth in FAR 33.104-4 (a)(3). Failure to submit the required information may result in a delay or dismissal of the protest.

**Submission:** Agency protests should be submitted electronically to [SPE.inquiry@usda.gov](mailto:SPE.inquiry@usda.gov) and the Contracting Officer.

**Timeliness:** Protests must be filed within the timeframes specified in FAR 33.104.

**Effect on Award or Performance:** Contract awards or performance will be suspended during the protest period unless justified in writing for urgent and compelling reasons or determined to be in the best interest of the Government.

**Review Timeline:** USDA strives to resolve agency-level protests within 35 business days of receipt.

**Election of Forum:** By filing a protest with USDA, the protesters agree not to file a protest on the same matter with the Government Accountability Office (GAO) or any other external forum while the agency protest is pending. If such a protest is filed externally, the USDA agency protest will be dismissed.

**Questions:** Questions regarding this notice or protest procedures should be directed to the Contracting Officer identified in this solicitation.

Medical Services for Great Onyx Corps Civilian Conservation Center (JCCC)

**General Information**

**1.0 Scope of Work**

- 1.1. The Physician and/or Nurse Practitioner/Physician Assistant shall provide **ON-SITE** Medical services for all students on Center, in accordance with applicable Federal laws/regulations, OSHA and HIPAA requirements, state and local laws, and guidelines of the American Medical Association. The USDA Forest Service Job Corps Civilian Conservation Centers (JCCCC) provide academic, vocational, and life-learning skills to at risk youth and young adults at 24 Job Corps Centers across the United States (U.S.). As part of this program, youth and young adults at the Centers are provided healthcare services as follows: medical, dental, mental health, and drug & alcohol intervention. Each Forest Service JCCCC has a need for basic health services provided by licensed medical professionals that includes examinations and assessments, treatment, issuance of prescriptions and immunizations, monitoring health conditions, recommending hospitalization, follow-up care, and prevention planning and intervention.
- 1.2. Medical services must also include analysis and use of the most efficient and cost-effective practice of contemporary, evidence-based health care possible given available time, resources, and personnel. These services will involve coordinating and integrating the medical services program with other health and wellness components/activities on Center and providing medical services to enrollees and established students on Center.
- 1.3. The general emphasis of Medical services must be on the early identification and diagnosis of medical problems, basic health care and health promotion, prevention, and education designed to help students overcome barriers to employability as outlined in the Policy and Requirements Handbook (PRH) Chapter 2, Support Student Services, Section 2.3, R4. Health Services at the link below; continuing links to other reference materials are held within that web page.
  - <https://prh.jobcorps.gov/Pages/Home.aspx>
- 1.4. In addition, contracted personnel shall adhere to any such standards as may be established by the Office of the Director, Job Corps, US Department of Labor (DOL), and the Contractor. The contractor shall be responsible for the direct supervision of contractor's personnel on the Center. Contractor's on-Center staff shall coordinate with the Health and Wellness Director and/or Center Director on all matters of program operations and coordination with other Center activities.

## **2.0 Background:**

Job Corps is a U.S. Department of Labor (DOL), Employment and Training Administration (ETA) program. Job Corps is designed to assist young people who need and can benefit from the wide-range of services provided at a Job Corps center. Services include the following: basic education, High School Diploma (HSD) program; General Educational Development (GED); vocational skills training; residential living program; healthcare; and related support services. The comprehensive combination of training and support services is designed to help each student become a responsible and productive citizen. Student populations range from 100 to over 300 enrollments depending on the Center's On Board Strength (OBS). Job Corps is a self-paced program: therefore, a student's length of enrollment varies. Students may remain in the program for up to two years, but the average length of enrollment is approximately eight to nine months.

**12.0. CONTRACTORS PERFORMANCE ASSESSMENT REPORTING SYSTEM (CPARS)**

- A. In accordance with FAR 42.1502 – Past performance evaluation shall be prepared at least annually and at the time the work under a contract or order is completed for each contract and/or order that exceeds the simplified acquisition threshold (SAT). This includes any contract and/or order that is below the SAT and is modified, which results in the contract exceeding the SAT.
- (a) FAR 42.1502 directs all Federal agencies to collect past performance information on contracts. The Department of Agriculture (USDA) has implemented the Contractor Performance Assessment Reporting System (CPARS) to comply with this regulation. One or more past performance evaluations will be conducted in order to record your contract performance as required by FAR 42.15.
- (b) The past performance evaluation process is a totally paperless process using CPARS. CPARS is a web-based system that allows for electronic processing of the performance evaluation report. Once the report is processed, it is available in the Past Performance Information Retrieval System (PPIRS) for Government use in evaluating past performance as part of a source selection action.
- (c) We request that you furnish the CO with the name, position title, phone number, and email address for each person designated to have access to your firm's past performance evaluation(s) for the contract no later than **30 days after award**. Each person granted access will have the ability to provide comments in the Contractor portion of the report and state whether or not the Contractor agrees with the evaluation, before returning the report to the Assessing Official. The report

information must be protected as source selection sensitive information not releasable to the public.

- (d) When your Contractor Representative(s) (Past Performance Points of Contact) are registered in CPARS, they will receive an automatically generated email with detailed login instructions. Further details, systems requirements, and training information for CPARS is available at <http://www.cpars.csd.disa.mil/>. The CPARS User Manual, registration for Online Training for Contractor Representatives, and a practice application may be found at this site.
- (e) Within 60 days after the end of a performance period, the CO will complete an interim or final past performance evaluation, and the report will be accessible at <http://www.cpars.csd.disa.mil/>. Contractor Representatives may then provide comments in response to the evaluation or return the evaluation without comment. Comments are limited to the space provided in Block 22. Your comments should focus on objective facts in the Assessing Official's narrative and should provide your views on the causes and ramifications of the assessed performance. In addition to the ratings and supporting narratives, blocks 1 – 17 should be reviewed for accuracy, as these include key fields that will be used by the Government to identify your firm in future source selection actions. If you elect not to provide comments, please acknowledge receipt of the evaluation by indicating "No comment" in Block 22, and then signing and dating Block 23 of the form. Without a statement in Block 22, you will be unable to sign and submit the evaluation back to the Government. If you do not sign and submit the CPAR within 60 days, it will automatically be returned to the Government and will be annotated: "The report was delivered/received by the contractor on (date). The contractor neither signed nor offered comment in response to this assessment." Your response is due within 60 calendar days after receipt of the CPAR.
- (f) The following guidelines apply concerning your use of the past performance evaluation:
  - (1) Protect the evaluation as "source selection information." After review, transmit the evaluation by completing and submitting the form through CPARS. If for some reason you are unable to view and/or submit the form through CPARS, contact the CO for instructions.
  - (2) Strictly control access to the evaluation within your organization. Ensure the evaluation is never released to persons or entities outside of your control.
  - (3) Prohibit the use of or reference to evaluation data for advertising, promotional material, pre-award surveys, responsibility determinations, production readiness reviews, or other similar purposes.
- (g) If you wish to discuss a past performance evaluation, you should request a
