Part I Taxpayer Identification Number (TIN)
 Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification
 Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

 An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

TEX. EDUC. CODE CH. 22 NATIONAL CRIMINAL HISTORY RECORD INFORMATION CERTIFICATION

Background: Texas Education Code Chapter 22 requires that criminal history records be obtained regarding covered employees of entities that contract with a school district or charter school to provide services to the school (“Contractors”) and entities that contract with school contractors (“Subcontractors”). Covered employees with disqualifying criminal histories are prohibited from serving at a school district or charter school. Contractors/Subcontractors shall (1) complete this form certifying compliance with the requirements of Texas Education Code Chapter 22 to Harmony; and (2) require that each of their subcontractors complies with the requirements of Texas Education Code Chapter 22.

Criminal history records will be obtained by either the Contractor/Subcontractor or Harmony, as follows:

- (1) Contractor/Subcontractor: The only Contractors/Subcontractors who will be granted access to obtain criminal history record information are those “qualified school contractors” that (1) contract or subcontract to provide services to Harmony; and (2) are determined eligible by the Texas Department of Public Safety (DPS) to obtain criminal history record information under the National Child Protection Act of 1993 (34 U.S.C. § 40101 *et seq.*) (NCPA), specifically, those contractors/subcontractors who provide “care or care placement services” and are based in Texas, for an employee, applicant for employment, or volunteer of the “qualified school contractor.” All “qualified school contractors” are required to obtain their covered employees’ criminal histories, certify compliance to Harmony, and obtain similar certifications from their subcontractors. Before or immediately after employing or securing the services of a person who is a “covered employee” (as defined below) the Contractor/Subcontractor shall send or ensure that the employee sends to DPS all information that is required by DPS for obtaining the person’s national criminal history record information, which may include (but is not limited to) a complete set of the person’s fingerprints and a recent electronic digital image photograph of the person, as required by DPS. DPS shall obtain the person’s national criminal history record information (“CHRI”) and report the results through the criminal history clearinghouse as provided by Texas Government Code 411.0845. For more information or to set up an account, Contractor/Subcontractor should contact the Texas Department of Public Safety’s Crime Records Service at 512.424.2474. Contractor/Subcontractor shall obtain all CHRI that relates to all covered employees through the criminal history clearinghouse as provided by Texas Government Code 411.0845. In addition, Contractor/Subcontractor shall require that each of its subcontracting entities obtains all criminal history record information that relates to its covered employees, if the subcontracting entity is also a “qualified school contractor.” Contractor/Subcontractor shall: (1) provide Harmony with a fitness determination (as set forth below) as to each covered employee, based on all criminal history record information obtained; and (2) certify to Harmony that Contractor/Subcontractor has received all CHRI relating to a person who is employed by or under a current offer of employment by Contractor/Subcontractor.

- (2) Harmony: All Contractors/Subcontractors who are not “qualified school contractors” are required to follow the instructions listed below, so that Harmony may obtain their covered employees’ CHRI, as applicable. Contractor/Subcontractor shall also require that any of its subcontracting entities that are not “qualified school contractors” follow the instructions listed below, so that Harmony may obtain their covered employees’ CHRI. **Contractor/Subcontractor is responsible for the payment of all fingerprinting costs. Should Harmony pay any costs of fingerprinting Contractor/Subcontractor employees, Contractor agrees to reimburse Harmony for such costs; in the event Contractor fails to reimburse Harmony for the costs of fingerprinting Contractor/Subcontractor employees, Contractor agrees that Harmony may deduct such costs from any payment due and owing by Harmony to Contractor.**

Definitions:

- Covered employees: Employees of a Contractor/Subcontractor who have or will have continuing duties related to the service to be performed at a school district or charter school and have or will have direct contact with students. Harmony will be the final arbiter of what constitutes *continuing duties* and *direct contact* with students.
- Continuing duties related to contracted services: Work duties that are performed pursuant to a contract to provide services to a school entity on a regular, repeated basis rather than infrequently or one-time only. See 19 Tex. Admin. Code §153.1101(2).
- Direct contact with students: The contact that results from activities that provide substantial opportunity for verbal or physical interaction with students that is not supervised by a certified educator or other professional district employee. Contact with students that results from services that do not provide substantial opportunity for unsupervised interaction with a student or students, such as addressing an assembly, officiating a sports contest, or judging an extracurricular event, is not, by itself, direct contact with students. However, direct contact with students does result from any activity that provides substantial opportunity for unsupervised contact with students, which might include, without limitation, the provision of coaching, tutoring, or other services to students. See 19 Tex. Admin. Code § 153.1101(7).
- Public Works Contractor: An entity that contracts directly or subcontracts with an entity that contracts with a school district or charter school to provide construction services to the school.
- Exception for Certain Public Works Contractors’ Employees and Applicants: The criminal history record information requirements outlined above do not apply to an employee or applicant for employment of a public works contractor (as defined above) if: (1) the public work does not involve the construction, alteration, or repair of an instructional facility as defined by Texas Education Code Section 46.001; (2) the employee’s duties will be completed not later than the seventh (7th) day before a new instructional facility will be used for instruction; or (3) for an existing instructional facility, the work area contains sanitary facilities and is separated from all areas used by students by a secure barrier fence at least six (6) feet high, and the Contractor adopts, informs employees of, and enforces a policy prohibiting employees and any subcontractor’s employees from interacting with students or entering areas used by students.
- Disqualifying criminal history: (1) a conviction or other criminal history information designated by Harmony; or (2) a felony or misdemeanor offense that would prevent a person from being employed under Texas Education Code § 22A.157, that is: if a person has been (a) convicted or placed on deferred adjudication community supervision for an offense requiring registration as a

sex offender; the sale, distribution, or display of harmful material to a minor; improper relationship between educator and student; a felony offense of public indecency; a felony offense of public indecency; a felony offense involving school property; or an equivalent crime in another state; or (b) convicted of a Title 5 felony or an equivalent crime in another state.

- Types of Criminal History Record Information: National criminal history record information (“CHRI”) from the Texas Department of Public Safety criminal history clearinghouse. Harmony and/or Contractor/Subcontractor may obtain from any law enforcement or criminal justice agency all CHRI that relates to a covered employee.
-

On behalf of _____ (“Contractor/Subcontractor”), I, the undersigned authorized signatory for Contractor/Subcontractor, certify to Harmony Public Schools (“Harmony”) (and, in the case of a Subcontractor, certify to Contractor and Harmony) that **[check one]**:

☐ **OPTION A: Service Provider certifies that none of the employees of Service Provider are covered employees, as defined above.** For each covered employee who is employed by or under a current offer of employment by Service Provider, Service Provider certifies to Harmony that it will timely complete the “Service Provider Criminal History Background Check Certification” form and submit such to Harmony. If this box is checked, I further certify that Service Provider has taken precautions or imposed conditions to ensure that its employees will not become *covered employees*. Service Provider will ensure that these precautions or conditions continue to exist throughout the time that the contracted services are provided. If Harmony, in its sole discretion, determines that employees of Service Provider are *covered employees*, as defined above, Service Provider will provide Harmony with the name, date of birth, and any other requested information of such covered employees so that Harmony may obtain CHRI on the covered employees, upon request by Harmony.

☐ **OPTION B: Service Provider certifies that some or all of the employees of Service Provider are covered employees, but the criminal history record information requirements do not apply to its employees or applicants for employment because:**

- (1) Service Provider is a public works contractor (an entity that contracts directly or subcontracts with an entity that contracts with a school district or charter school to provide construction services to the school); and
- (2) the public work does not involve the construction, alteration, or repair of an instructional facility as defined by Texas Education Code Section 46.001; the employee’s duties will be completed not later than the seventh (7th) day before a new instructional facility will be used for instruction; or for an existing instructional facility, the work area contains sanitary facilities and is separated from all areas used by students by a secure barrier fence at least six (6) feet high, and the Service Provider adopts, informs employees of, and enforces a policy prohibiting employees and any subcontractor’s employees from interacting with students or entering areas used by students.

If Option B is selected, **Service Provider** further certifies to Harmony that:

- (a) Service Provider shall ensure that the conditions or precautions that resulted in the determination that the criminal history record information requirements do not apply to its employees or applicants for employment continue to exist throughout the time that the contracted services are provided;
- (b) For each covered employee who is employed by or under a current offer of employment by Service Provider, it will timely complete the "Service Provider Criminal History Background Check Certification" form and submit such to Harmony; **and**
- (c) If Harmony, in its sole discretion, determines that the conditions in paragraph (1) and/or (2) above are not satisfied as to Service Provider it will provide Harmony with the name, date of birth, and any other requested information of its covered employees so that Harmony may obtain CHRI on the covered employees, upon request by Harmony.

OPTION C: Service Provider certifies that some or all of the employees of Service Provider are covered employees, and Service Provider is a "qualified school contractor." For each covered employee who is employed by or under a current offer of employment by **Service Provider**, **Service Provider** certifies to Harmony that it will timely complete the "**Service Provider** Criminal History Background Check Certification" form and submit such to Harmony. If this option is selected, I further certify that:

- (1) Service Provider certifies to Harmony that Service Provider has received all criminal history record information relating to a person who is employed by or under a current offer of employment by Service Provider. Service Provider provides Harmony with the following fitness determination as to each covered employee, based on all CHRI obtained: None of the covered employees has a disqualifying criminal history;
- (2) If Service Provider at any time receives information that a covered employee subsequently has a reported disqualifying criminal history, Service Provider will immediately remove the covered employee from contract duties and notify Harmony in writing within 3 business days; **and**
- (3) Upon request by Harmony, Service Provider will provide Harmony with the name, date of birth, and any other requested information of covered employees so that Harmony may obtain CHRI on the covered employees.

OPTION D: Service Provider certifies that some or all of the employees of Service Provider are covered employees, and Service Provider is not a "qualified school contractor." If this option is selected, I further certify that:

- (1) For each covered employee who is employed by or under a current offer of employment by Service Provider, **Service Provider certifies to Harmony that will timely complete the "Service Provider Criminal History Background Check Certification" form and submit such to Harmony**, providing the following information regarding each covered employee as required by DPS in order to provide CHRI, so that Harmony may obtain the covered employees' CHRI: (a) Full name (first, middle, and last); (b) Date of birth; (c) Sex; (d) number

- assigned to any form of unexpired identification card issued by Texas or another state, D.C., or a U.S. territory that includes the person's photograph; (e) if the employee has ever been fingerprinted by a public school in Texas (and if so, the name of the school system); and (f) the person's written consent to the release of his or her criminal history record information;
- (2) **Service Provider** shall provide Harmony's "Texas Fingerprint Service Code Form" document to all covered employees and ensure that they schedule fingerprinting appointments in a timely manner. **Service Provider** shall be solely responsible to send or ensure that each covered employee sends to DPS all information that may be required by DPS for obtaining national criminal history record information, which may include, but is not limited to, a complete set of the person's fingerprints and a recent electronic digital image photograph of the person. Any covered employee whose CHRI is not received by Harmony at least ten (10) Harmony business days prior to the start of the services to be performed by **Service Provider** at Harmony is subject to exclusion from service, in Harmony's sole discretion, until his or her CHRI can be obtained and reviewed by Harmony. Service Provider is responsible for the payment of all fingerprinting costs. Because Service Provider is not a "qualified school contractor," it will not be permitted to view the CHRI obtained by Harmony;
- (3) DPS shall obtain the person's national criminal history record information and report the results through the criminal history clearinghouse as provided by Texas Government Code 411.0845. Service Provider agrees that Harmony will obtain all CHRI that relates to a covered employee through the criminal history clearinghouse as provided by Texas Government Code 411.0845. Service Provider agrees that Harmony will review each covered employee's CHRI, to determine, in Harmony's sole discretion, whether any covered employee(s) should be prohibited from serving at Harmony. Harmony will notify Service Provider of its determination; and
- (4) If Harmony at any time receives information that a covered employee subsequently has a reported disqualifying criminal history or should be prohibited from serving at Harmony, in Harmony's sole discretion, Harmony will notify Service Provider of its determination. Service Provider will immediately remove the covered employee from contract duties.
-

Upon contract award and/or initiation of PO/contract from Harmony, the Service Provider shall complete Harmony's "Contractor Criminal History Background Check Certification" form, providing the following information regarding each covered employee as required by DPS in order to provide criminal history record information, so that Harmony may obtain the covered employees' criminal history record information: (a) Full name (first, middle, and last); (b) Date of birth; (c) Sex; (d) number assigned to any form of unexpired identification card issued by Texas or another state, the District of Columbia, or a U.S. territory that includes the person's photograph; (e) if the employee has ever been fingerprinted by a public school in Texas (and if so, the name of the school); and (f) the person's written consent to the release of his or her criminal history record information. Contractor/Subcontractor shall be solely responsible to send or ensure that each covered employee sends to DPS all information that may be required by DPS for obtaining national criminal

history record information, which may include, but is not limited to, a complete set of the person's fingerprints and a recent electronic digital image photograph of the person.

If, during the term of the contract with Harmony, Contractor/Subcontractor employs additional covered employees or assigns new covered employees to perform services at Harmony, Contractor shall immediately notify Harmony and provide Harmony with all of the information listed in the preceding paragraph as to each additional covered employee, so that Harmony may obtain the additional covered employees' CHRI. If, during the term of the contract with Harmony, Contractor/Subcontractor ceases to employ a covered employee in connection with an Harmony contract, whose information was previously provided to Harmony, Contractor/Subcontractor shall immediately notify Harmony of the same and provide Harmony with each former covered employee's (a) Full name (first, middle, and last); (b) Date of birth; (c) Sex; and (d) number assigned to any form of unexpired identification card issued by Texas or another state, the District of Columbia, or a U.S. territory that includes the person's photograph, so that Harmony may unsubscribe from that individual's criminal history record.

If Harmony, in its sole discretion, objects to the assignment of a covered employee for any reason, including, but not limited to, on the basis of the covered employee's CHRI and/or insufficient qualifications, lack of experience, and the like, Contractor/Subcontractor agrees to discontinue using that covered employee to provide services at Harmony.

I also certify to Harmony (and, in the case of a Subcontractor, certify to Contractor and Harmony) on behalf of Contractor/Subcontractor/Service Provider that Contractor/Subcontractor/Service Provider has required its subcontractors to comply with Texas Education Code Chapters 22 and 22A and obtained certifications from its subcontractors of such compliance. Noncompliance or misrepresentation regarding this certification may be grounds for contract termination and other legal actions.
