Description

The government has a requirement for emergency maintenance support in accordance with the Statement of Work at the Anniston Army Depot (ANAD). This procurement is a 100% small business set aside. The applicable North American Industry Classification System Code is 811310. All responses for the solicitation must be submitted in digitized/electronic format. Paper copy responses shall not be accepted. Any clauses or provisions of the solicitation which mention writing, returning, or submission of offer will mean electronic submission. All solicitation responses must be submitted through the Procurement Integrated Enterprise Environment (PIEE) Solicitation Module. Responses sent by email will not be accepted. Instructions for Posting Offer can be found under the Solicitation Module Documentation-Training and Resources. It is the responsibility of the offeror to confirm receipt and ensure its offer, in its entirety, reaches the Army Contracting Command-Detroit, Anniston Army Depot (ANAD), before the time set for closing of the solicitation. Vendors wishing an electronic copy may download it on or after the issue date by accessing the following address via the Internet: <http://www.sam.gov>. CAUTION: This solicitation will be issued electronically as will any amendments thereto. Because of this, the Government is under no obligation and is, in fact, unable to maintain a bidder's mailing list. It is therefore incumbent upon any interested parties to periodically access the above Internet address in order to obtain any amendments which may be issued. Failure to obtain any said amendments and to respond to them prior to the date and time set for receipt of proposals may render your proposal non-responsive and result in the rejection of your proposal. All questions need to be submitted in writing via email to the point of contact no later than Tuesday, 23 June 2026 at 2:00 PM CST. The solicitation will close Wednesday, 1 July 2026 at 10:00 AM CST. All solicitation responses must be submitted through the Procurement Integrated Enterprise Environment (PIEE). POINT OF CONTACT: Crystal Hodges, 256-235-6231, crystal.l.hodges8.civ@army.mil.
