## Description

---

The Medical Readiness Contracting Office - West (MRCO-W), JBSA Fort Sam Houston, TX is requesting information and conducting market research to identify sources capable of providing two (2) Neonatal Transport Systems (and accessories) to transport infants from around the world by ground and air at Brooke Army Medical Center (BAMC), Fort Sam Houston, TX. **Neonatal Transport Systems must adhere to the FULL list of salient characteristics outlined in Attachment 1.** This is a one-time purchase.

MRCO-W is issuing this Sources Sought Notice as part of market research to determine if there is an adequate number of qualified, interested contractors that are capable of satisfying the requirement, and whether a small business set-aside is appropriate. The Government may use the responses to this Sources Sought for information and planning purposes.

This Sources Sought is only for the purpose of identifying potential sources as part of MRCO-W's market research. No Request for Quote (RFQ) exists at this time. Responses to this Sources Sought Notice are NOT quotes on which MRCO-W can issue any contract. This Sources Sought is issued for information and planning purposes only and does not itself constitute an RFQ.

Interested sources should submit a response to [cathy.l.harris2.civ@health.mil](mailto:cathy.l.harris2.civ@health.mil) and include the following information:

1) Organization's name, CAGE code, address, point of contact, phone number, e-mail address. Please advise if the requirement can be met through a contract vehicle the source already has (i.e GSA schedule number if applicable).

2) Confirm the Offeror's ability to provide Neonatal Transport Systems (and all accessories) **including confirmation that the vendor's product fully satisfies the requirement as defined in Attachment 1 – Salient Characteristics.**
