Description

This is a Request for Information (RFI) to identify potential sources possessing the capabilities described herein and ascertain whether the required services are commercial in nature. This RFI is issued solely for information and planning purposes and does not constitute a solicitation. Neither unsolicited proposals nor any other kind of offer will be considered in response to this RFI. Responses to this notice are not offers and will not be accepted by the Government to form a binding contract. In keeping with the standards of FAR Part 10, the Government may request additional information from responders. Responders are solely responsible for all expenses associated with responding to this RFI or any follow-up information request. All information received in response to this RFI or any follow-up information request that is marked Proprietary will be handled accordingly. Responses to the RFI will not be returned. At this time, questions concerning the composition and requirements for a future request for proposal will not be entertained.

NOTE: At this time no solicitation exists. Therefore, please do not request a copy of the solicitation. **NO PHONE CALLS WILL BE ACCEPTED.** It is the responsibility of any potential Offeror to monitor this site for the release of any solicitation.

1. RFI Title: Analytical services for the Defense Health Agency (DHA) Medical Treatment Facility (MTF).
