SMALL AND DIVERSE BUSINESS CERTIFICATION

The University of California values supplier diversity and supporting small businesses. It is the policy of the University of California, consistent with State and Federal Law, to optimize opportunities for business contracting with small business enterprises, and to give all responsive, responsible vendors a fair and equal opportunity to compete for campus business. The UC uses a third party database to search small and diverse businesses across hundreds of sources, including the [Federal System for Award Management](#), the [California Department of General Services](#), and many more.

For more information on UC Santa Barbara's Small and Diverse Business Program, including how to become certified, please visit: <https://www.bfs.ucsb.edu/procurement/small-and-diverse-business-program>.

CERTIFICATION that the above information is correct:

NAME	TITLE (REQUIRED)
SIGNATURE	DATE

NOTE: Invoices to UCSB must contain your **UCSB Purchase Order Number** and emailed to invoicesonly@bfs.ucsb.edu

¹ Instead of UCSB issuing a check or ACH payment, the payment is included in a file sent to U.S. Bank, which would in turn notify your company of all the paid transactions. UCSB will issue your company a dedicated virtual credit card number for each payment batch. Your company would access and draw down funds from the card product. Best for suppliers that routinely invoice the campus but cannot integrate their billing with UCSB's invoice processing system.
