

Addendum No. 1
Amendment to Mandatory Walkthrough Schedule and Responses to Inquiries
School District Integrated Security Camera System Project

Issued Via: District RFP Web Page

Date of Issuance: June 17, 2026

District Contact: Darren Schaffer, Executive Director of Administrative Services

To All Prospective Vendors:

This Addendum No. 1 is issued to modify, clarify, and/or interpret the Request for Proposal (RFP) documents issued on June 15, 2026. Proposing Vendors must explicitly acknowledge receipt of this Addendum No. 1 on the Bid Form (Section 22).

I. Amendment to Procurement Timeline

Section 12 (Walkthrough Procedures) of the RFP is hereby amended to provide a secondary, optional session for the mandatory site walkthrough requirement. To accommodate scheduling conflicts and maximize competitive bidding, prospective vendors may choose to attend either of the following two official sessions:

1. Monday, June 29, 2026, from 10:00 AM to 2:00 PM
2. (NEW SECONDARY DATE): Monday, July 6, 2026, from 10:00 AM to 2:00 PM

CRITICAL REGISTRATION REQUIREMENT: Attendance at one (1) of these two sessions is strictly mandatory for proposal eligibility. Vendors do not need to attend both. Whichever date your team chooses, you must physically check in at the Danby-Rush Tower Middle School main office to log your attendance. The final cutoff for all technical questions remains unchanged at July 10, 2026, at 3:00 PM.

II. Responses to Received Technical Inquiries

Vendor Question 1 (Received: June 15, 2026)

Do you have updated floor plans for the project indicating security door and camera locations?

District Response (Issued: June 16, 2026)

In accordance with Section 12 (Walkthrough Procedures) of the RFP, the District will provide plans on the June 29, 2026 walkthrough. To protect school safety and maintain infrastructure integrity, these plans are classified as sensitive security documentation and will not be published on the District's public RFP web page. The updated plans will be made available for review by eligible vendors during the site walkthrough. Following the walkthrough, digital access to these floor plans will be securely shared through a restricted folder exclusively to verified prospective vendors who physically checked in for the walkthrough.

The District looks forward to your participation on June 29th.

Vendor Question 2 (Received: June 16, 2026)

Will vendors who attended a prior walkthrough be required to attend the open house walkthrough on the 29th? If yes, and there is a conflict on that date, are we able to coordinate another walkthrough on a different day/time?

District Response (Issued: June 17, 2026)

Yes. Because this solicitation is an official re-issuance with an updated scope, all prospective vendors must physically attend and check in to be eligible to submit a proposal.

To accommodate prospective bidders and ensure a highly competitive procurement process, the District has established a secondary walkthrough date for all vendors. Vendors may choose to attend either of the following two official sessions:

1. Monday, June 29, 2026, from 10:00 AM to 2:00 PM
2. Monday, July 6, 2026 from 10:00 AM to 2:00 PM

Attendance at one (1) of these sessions is required to be eligible to bid. Whichever date you choose, your team must physically check in at the Danby-Rush Tower Middle School main office upon arrival.

This update along with our first batch of inquiries will be published today in Addendum No. 1, which can be accessed from our RFP webpage: <https://www.jr7.k12.mo.us/page/q-and-a>
