I. INTRODUCTION

A. Entity Background

The Travis County Healthcare District d/b/a Central Health (“Central Health” or the “district”) is a hospital district created under Chapter 281 of the Texas Health and Safety Code that is responsible for providing or arranging for the provision of hospital and medical care to low-income residents of Travis County. Central Health’s mission is to improve the health of the community by caring for those who need it most – particularly the uninsured and underinsured. Central Health is making healthcare better through the direct practice of medicine, partnerships and collaborations with other providers, and building facilities to provide care in the communities most in need. The district’s Healthcare Equity Plan, adopted in early 2022, is guiding up to \$700 million in investments to close the gaps that persist throughout the safety-net healthcare system.

Central Health owns Sendero Health Plans, a community nonprofit insurer that covers members through the Affordable Care Act Health Insurance Marketplace. Central Health clinical partner, CommUnityCare Health Centers, is a federally qualified health center network with more than 27 primary care locations throughout Central Texas. A network of partners, including Integral Care (behavioral health), Lone Star Circle of Care (a Federally Qualified Health Center), and the Dell Medical School at The University of Texas at Austin, help Central Health extend services deeper into the community.

B. Purpose of Request for Proposals

In accordance with organizational procurement policies and funding requirements, Central Health is conducting a formal competitive solicitation for its Learning Management System (LMS) solution. The current system has been extended through prior contract terms, and this represents an opportunity to evaluate available solutions in the market. Additionally, Central Health is looking for one vendor, starting with an LMS but with the future option to add modules such as Management & Career Pathways, Performance & Engagement, and Succession Planning.

Central Health is soliciting proposals from qualified vendors to provide a Learning Management System that:

- Streamlines compliance training and certification tracking
- Improves reporting and audit readiness
- Enhances user experience for learners and administrators
- Reduces manual administrative work through automation
- Integrates with existing HR and IT systems
- Include options to add modules to scale to support Workforce Agility

A successful implementation will result in improved learner experience, compliance rates, reduced administrative burden, and increased visibility into workforce training and performance.

C. Procurement Authority

Central Health has designated a Procurement Authority who is responsible for the conduct of this procurement on behalf of Central Health; therefore, all deliveries (including Proposal delivery) shall be addressed as follows:

A. Pre-proposal Conference

If a pre-proposal meeting is held the date and time of that conference will be noted in the Procurement Schedule on page 2 of this RFP. Conference call and video conference information will be available the day before the meeting and will be posted on Bidnet and Central Health's website.

The Procurement Authority may initiate discussions with Proposers who submit Responsive or potentially Responsive Proposals, but Proposals may be accepted and evaluated without such discussion. Any resulting clarifications will be issued to all Proposers. While Proposers may initiate requests for clarifications pursuant to above, general discussions SHALL NOT be initiated by the Proposers. The Evaluation Committee will evaluate and score written Proposals using the evaluation criteria identified in section VII. EVALUATION CRITERIA.

F. Selection of Finalists

The selection process may be conducted in two steps. In step one, the Evaluation Committee will evaluate and score written Proposals using the evaluation criteria identified in section VII. **AGREEMENT FOR ____ BY AND BETWEEN TRAVIS COUNTY
HEALTHCARE DISTRICT D/B/A CENTRAL HEALTH AND ____**

This Agreement for ____ (“Agreement”) is entered into by and between the Travis County Healthcare District d/b/a Central Health, a hospital district created under Chapter 281 of the Texas Health and Safety Code, (“Central Health”), and ____, a [corporation/partnership/etc] (“Consultant”) (each a “Party” and collectively the “Parties”), effective as of ____, 20__ (the “Effective Date”).

WHEREAS, Central Health desires to obtain consultants to provide ____ services for Central Health[, CommUnityCare, Sendero Health Plans, Community Care Collaborative (the “Central Health Enterprise”)]; and

WHEREAS, Central Health issued a Request for Proposal (RFP) ____ on ____ (the “RFP”), which sought qualified entities to perform the aforementioned services; and

WHEREAS, Central Health received and evaluated the proposals submitted in response to the RFP and selected Consultant as the most qualified entity, providing the best value to Central Health; and

WHEREAS, Consultant has the desire, ability, experience, and knowledge to provide the desired services; and

WHEREAS, Consultant is willing to perform these services on the terms set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the amount and sufficiency of which are acknowledged, Central Health and Consultant agree as follows:

I. PERFORMANCE OF SERVICES

- 1.1 **Services.** Consultant will provide ____ (“Services”) identified in the Scope of Services, attached hereto as Attachment A.
- 1.2 **Additional Costs and Services.** The Parties acknowledge that the scope of Services is based on information, assumptions, and beliefs that the Parties have as of the Effective Date. Given that the Services may be contingent on circumstances that neither Party can control or foresee, the scope of Services that Consultant is required to provide may change. The Parties acknowledge this situation and agree that, as soon as either recognizes that a development is likely to result in a change to the Scope of Services, it will so inform the other Party so that Parties can discuss the situation and determine what, if any, adjustments to the Agreement are required as a result of the development. No change in compensation or any other provision of this Agreement is effective unless and until this Agreement is amended pursuant to Section 17.1 of this Agreement.
- 1.3 **Cooperation and Coordination.** Consultant will cooperate and coordinate with Central Health staff in the performance of the Services. Consultant will meet on an as-needed basis with Central Health staff to discuss the progress and goals of the services and, when requested, will make reports to the Central Health Board of Managers on the same.
- 1.4 **Standard of Care.** Consultant will provide Central Health with high quality and cost-effective Services meeting a standard that a reasonably prudent and consultant would provide in similar circumstances performing the same services in Travis County, Texas.
- 1.5 **Licenses and Equipment.** Consultant warrants that it will possess and maintain during the duration

of the Agreement all permits, licenses and professional credentials necessary to perform the Services. Consultant must also own and provide the appropriate equipment necessary to provide the Services.

II. TERM OF AGREEMENT

- 2.1 **Initial Term.** This Agreement is for a period of time, beginning on ___, 20___, and ending on ___, 20___ (the “Initial Term”). Consultant will not be compensated until the Agreement has been executed by both Parties.
- 2.2 **Renewal Term.** Central Health may unilaterally extend this Agreement for up to ___ (___) additional ___ (___) [month/year] period(s) (each a “Renewal Term”). All provisions of this Agreement will remain unchanged and in full force and effect during the Renewal Term, unless otherwise amended by the Parties pursuant to the terms of the Agreement.
- 2.3 **Agreement Extension.** Upon expiration of the Initial or any Renewal Term, Consultant agrees to hold over under the terms and conditions of this Agreement for such a period of time as is reasonably necessary to negotiate or award a new contract.

III. COMPENSATION

- 3.1 **Compensation.** For and in consideration of the satisfactory performance of the Services referred to in Section 1 and Attachment A of this Agreement, Central Health will pay Consultant a total of ___ dollars (\$___) during the Initial Term (the “Not to Exceed Amount”) and any Renewal Term. The Parties agree that this Not to Exceed Amount is inclusive of all administrative and travel expenses incurred to perform the Services and further agree that this amount is not a guaranteed minimum.
- 3.2 **Administrative and Travel Expenses.** With Central Health’s prior written approval, Consultant may bill Central Health for those administrative and travel expenses that are beyond the reasonable and ordinary expenses Consultant incurs in connection with the performance of Services under the Agreement. For avoidance of doubt, the phrase “expenses that are beyond reasonable and ordinary expenses” means expenses the Consultant incurs due to abnormal circumstances. An example of an abnormal circumstance would be a circumstance that required Consultant to travel outside of the Austin, Texas metropolitan area at the express direction of Central Health to perform the Services under this Agreement.
- 3.3 **Satisfactory Completion of Services.** Central Health will not pay Consultant for any Services that are not satisfactorily completed or for any additional fees or costs, not including those to which Central Health has given its express, written approval.
- 3.4 **Payment Method.** Subject to Section 3.1 above, Central Health will make payment to Consultant by electronic payment upon submission of an invoice that meets the requirements of Section 3.5 below. Invoices must be submitted to: finance@centralhealth.net.
- 3.5 **Invoice.** Consultant will submit invoices to Central Health within thirty (30) days of the end of the month in which the Services encompassed by the invoice were rendered. Failure to submit the invoice timely will result in a delay of payment. At a minimum, invoices will include: (i) name, address, and telephone number of Consultant and similar information if payment is to be made to a different address; (ii) Central Health contract or purchase order number, as applicable, (iii) identification of Service(s) performed; (iv) the number of hours each Service took to complete or

perform; and (v) any additional payment information, including expense information, which may be called for by the Agreement. Central Health shall pay all invoices within thirty (30) days following receipt in accordance with the Prompt Payment Act, Chapter 2251 of the Texas Government Code.

- 3.6 **W-9 Taxpayer Identification Form.** Consultant will provide Central Health with an Internal Revenue Service Form W-9, Request for Taxpayer Identification Number and Certification, which is completed in compliance with the Internal Revenue Code and its rules and regulations. Consultant acknowledges that this W-9 Form must be provided to Central Health before any funds are payable under this Agreement. If there are any changes in the W-9 form during the term of the Agreement, Consultant will provide Central Health with a new and correct W-9 form before the next payment is due.
- 3.7 **Overpayment.** Consultant will refund to Central Health any money that has been paid to Consultant by Central Health, which Central Health determines has resulted in an overpayment to Consultant. This refund will be made by Consultant within thirty (30) days of the date that the refund is requested by Central Health. If Consultant fails to refund any money owed to Central Health within thirty (30) days of Central Health's request for same, Central Health may deduct the amount owed to it from the next payment payable to Consultant.
- 3.8 **Delinquent Property Taxes.** Notwithstanding anything to the contrary contained herein, if Consultant is delinquent in the payment of Travis County property taxes at the time of invoicing, Consultant agrees to assign any payments to be made by Central Health for Services provided hereunder to the Travis County Tax Assessor-Collector.
- 3.9 **Sales Tax.** In recognition of the fact that Central Health is a political subdivision of the State of Texas, all payments due hereunder will exclude any sales or excise taxes imposed by any federal, state, or local government. Central Health agrees to provide Consultant with sales and use tax exemption certificates or other documentation necessary to support sales or use tax exemptions, upon request.

IV. TERMINATION

- 4.1 **Termination for Default.** If either Party defaults in the performance of its obligations (including compliance with any covenants) under this Agreement and such default is not cured within thirty (30) days of the receipt of written notice thereof, then the non-defaulting Party will have the right (in addition to any other rights that it may have) by further written notice to terminate the Agreement on any future date that is not less than thirty (30) days from the date of that further notice.
- 4.2 **Termination for Convenience.** In addition to, and without restricting any other legal, contractual, or equitable remedies otherwise available, Central Health may terminate the Agreement without cause and penalty, by giving the Consultant at least thirty (30) days written notice.
- 4.3 **Termination for Gratuities.** Central Health may terminate this Agreement if it is found that gratuities of any kind, including entertainment or gifts, were offered or given by the Consultant or any agent or representative of the Consultant to any Central Health official or employee with a view toward securing this Agreement. If this Agreement is terminated by Central Health pursuant to this provision, Central Health will be entitled, in addition to any other rights and remedies, to recover from the Consultant at least three times the cost incurred by Consultant in providing the gratuities.

- 4.4 **Funding Out.** If Central Health fails to provide funding for this Agreement, Central Health may terminate this Agreement without penalties by giving Consultant written notice that this Agreement is terminated due to the failure to fund it.

V. INDEPENDENT CONTRACTOR

- 5.1 **Independent Contractor.** This Agreement does not create and will not be construed as creating an employer/employee relationship, a partnership, or a joint venture between Central Health and Consultant. Consultant further acknowledges that neither Consultant nor any employee of Consultant will be considered an employee of Central Health or gain any rights against Central Health pursuant to Central Health's personnel or workplace policies.

Consultant shall cooperate with Central Health in transferring data processing servicing to such provider as Central Health may designate upon payment by Central Health of Consultant's direct labor, service, and materials costs. BUSINESS ASSOCIATE AGREEMENT

BUSINESS ASSOCIATE AGREEMENT

For purposes of this Attachment, Central Health is referred to as “Covered Entity” and Contractor is referred to as “Business Associate.” Central Health and Contractor are collectively referred to as the “parties,” and any reference in this Attachment to the “Service Agreement” means the Agreement for Consulting Services between the parties.

1. OBLIGATIONS

1.1. In the course of performing the services contemplated by the Service Agreement, Business Associate acknowledges and agrees that it will create, receive, maintain, or transmit information that is protected by the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), the Health Insurance Technology for Economic and Clinical Health Act of 2009 (“HITECH Act”), and current and future regulations promulgated under HIPAA and/or the HITECH Act, as well as Texas laws related to the privacy and security of health information, including, but not limited to, Texas Health and Safety Code Chapters 181 and 182.

1.2. To the extent that Business Associate uses, discloses, maintains, or transmits protected health information (“PHI”) that concerns alcohol and substance abuse treatment, Business Associate acknowledges and agrees that:

(i) such information is protected by 42 C.F.R. Part 2 (“Part 2”), and Business Associate is bound by these regulations;

(ii) Part 2 prohibits Business Associate from further disclosing such information unless disclosure is authorized by Part 2, Subparts D or E, or Business Associate obtains the written consent of the individual whose PHI is to be further disclosed; and

(iii) if necessary, Business Associate will resist any effort to obtain access to such information by initiating judicial proceedings against the person or entity attempting to gain access in contravention of Part 2.

1.3. Obligations of Business Associate and Business Associate Subcontractors. Business Associate agrees (and its Subcontractors will agree through the execution of a written contract) to comply with all of the provisions of this Section 1.3. For purposes of clarification, the obligations set forth in this Section shall apply to all of Business Associate’s subcontractors (as that term is defined in 45 C.F.R. 160.103) and subcontractor’s downstream subcontractors who create, receive, use, disclose, or have access to Covered Entity’s PHI. Any reference to Business Associate in this Agreement includes all of Business Associate’s subcontractors, directors, officers, employees, affiliates, agents, and representatives, as well as subcontractors’ downstream subcontractors. Business Associate expressly acknowledges and agrees that it will be liable for the actions and omissions of its subcontractor(s) and its subcontractors’ downstream subcontractors (collectively referred to as “Subcontractor” or “Subcontractors”).

1.3.1 *Use Reasonable Safeguards to Secure Protected Health Information.* The HITECH Act and final Omnibus Rule as published at 78 Federal Register 5566 (January 25, 2013) require Business Associate to comply with 45 C.F.R. Sections 164.308, 164.310, 164.312 and 164.316 as if Business Associate were a Covered Entity, and Business Associate agrees that it will comply with those provisions of the Security Standards for the Protection of Electronic Protected Health Information (the “Security Rule”). Business Associate acknowledges and agrees that the provisions of the Security Rule with which it must comply require Business Associate to:

(i) employ appropriate administrative and physical safeguards, consistent with the size and complexity of Business Associate’s operations, to protect the confidentiality of PHI and

Exhibit H
BUSINESS ASSOCIATE AGREEMENT

to prevent the use or disclosure of PHI in any manner inconsistent with the terms of this Business Associate Agreement. These safeguards will include, without limitation:

- (a) implementing written policies and procedures in compliance with HIPAA, HITECH, and the Privacy and Security Rule;
- (b) performing a security risk assessment; and
- (c) regularly and adequately training its employees, and any Subcontractors who will have access to PHI on the policies and procedures required by HIPAA, HITECH, their implementing regulations, and state law.

- (ii) use, to the extent possible, commercially reasonable efforts to secure electronic protected health information ("EPHI") through technical safeguards that render such EPHI unusable, unreadable and undecipherable to individuals unauthorized to acquire or otherwise have access to such EPHI. At a minimum, Business Associate will use technical safeguards that are compliant with 45 C.F.R. Section 164.312, or such later regulations or guidance promulgated by the U.S. Department of Health and Human Services ("HHS") or issued by the National Institute for Standards and Technology ("NIST") that concern the protection of identifiable data such as PHI.

- (iii) provide Covered Entity with a copy of its written information security program before execution of this Business Associate Agreement.

1.3.2 *Use and Disclose Protected Health Information for Permissible Purposes.*

- (i) Business Associate agrees that it will:
 - (a) use or disclose PHI only in connection with fulfilling its duties and obligations under this Business Associate Agreement and the Service Agreement;
 - (b) not use or disclose PHI other than as permitted by Section 2 of this Business Associate Agreement or as required by Section 1.3.3 of this Agreement; and
 - (c) not use or disclose PHI in any manner that violates applicable federal and state laws or would violate such laws if used or disclosed in such manner by Covered Entity.

- (ii) Business Associate may disclose PHI that is not protected by Part 2 to Subcontractors as necessary to perform its obligations under the Service Agreement and as permitted or required by applicable federal or state law.

- (iii) Under no circumstances will Business Associate:
 - (a) sell PHI in such a way as to violate Texas Health and Safety Code, Chapter 181.153;
 - (b) use or further disclose genetic information for underwriting purposes;
 - (c) attempt to re-identify any information in violation of Texas Health and Safety Code Section 181.151, regardless of whether such action would be permitted if performed by the Covered Entity; or

- (d) use PHI for marketing purposes in such a manner as to violate Texas Health and Safety Code Section 181.152. Before Business Associate can sell, use, or disclose PHI for marketing purposes, Business Associate must first obtain Covered Entity's written consent.
