### **1.7 Cancellation of Solicitation or Rejection of Individual Proposals**

At the Agency's sole discretion, an RFP may be canceled or any or all responses to the solicitation may be rejected, in whole or in part, when the Agency determines that it is in the Agency's best interest to do so.

MDA reserves the right to reject any and all proposals during any step of the procurement process, even after negotiations have begun. Agency reserves the right to reject any and all proposals if the Offeror takes exception to the terms and conditions of the RFP and/or fails to meet the terms and conditions and/or in any way attempts to limit the rights of Agency and/or the State of Mississippi, including but not limited to, the required contractual terms and provisions set forth in this RFP.

Reasons for rejecting individual proposals or qualifications include but are not limited to:

The Agency may reject proposals that do not conform to the requirements outlined in this RFP. Proposals may be rejected for reasons which include, but are not limited to, the following:

Further, submission of proposals that are not complete and/or signed is subject to rejection as non-responsive. The Agency reserves the right to permit the offeror to withdraw nonconforming terms and conditions from its proposals prior to a determination by the Agency staff of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if an offeror's price is substantially higher than those of other offerors, meaning those in excess of a twenty-five percent (25%) differential, the offeror's price may be deemed non-responsive.

### **1.8 Expenses Incurred in the Procurement Process**

All parties participating in the procurement process with regard to this solicitation shall bear their own costs of participation, pursuant to Section 1.4.4 of the *Public Procurement Review Board Office of Personal Services Contract Review Rules and Regulations*.

Offeror shall also provide a document stating the specific statutory authority for each redaction/exemption. Offeror may be subject to exclusion pursuant to Chapter 15 of the *OPSCR Rules and Regulations* if the Agency or the PPRB determine that redactions made by the offeror were made in bad faith in order to prohibit public access to the portions of the proposal which are not subject to Miss. Code Ann. §§ 25-61-9, 75-26-1 through 75-26-19, and/or 79-23-1. The redacted version of the proposal, or if an offeror does not produce a redacted version, the full proposal document, will be released at the Agency's sole discretion, without notice to the offeror and will be produced as a public record exactly as submitted.

**1.12 Offeror Investigations**

Before submitting a proposal, each offeror shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the contract and to verify any representations made by the Agency upon which they will rely. If the offeror receives an award as a result of its proposal submission, failure to have made such investigations and examinations will in no way relieve the offeror from its obligation to comply in every detail with all provisions and requirements of the contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever for additional compensation.

**1.13 Certification of Independent Price Determination**

By submitting a proposal, the offeror certifies that the prices submitted in response to the solicitation have been arrived at independently and without any, consultation, communication, or agreement with any other offeror or competitor for the purpose of restricting competition.

**1.15 Registration with Mississippi’s Accountability System for Governmental Information and Collaboration (MAGIC)**

If the offeror is not already registered as a supplier in MAGIC, the offeror should register as a supplier with the State of Mississippi. **1.16 Discussions with Offerors**

Discussions may be conducted to promote understanding of the Agency’s requirements and the offeror’s proposal, or to facilitate arriving at a contract that will be most advantageous to the Agency. The Offeror may update its proposal to reflect clarifications needed following discussions.

Discussions may be conducted with offerors who submit proposals determined to be reasonably susceptible of being selected for award; however, proposals may also be accepted without such discussions. Agency reserves the right to accept any proposal as submitted for contract award, without substantive negotiation of proposed terms, services or prices. For these reasons, *all parties are advised to propose their most favorable terms initially.*

**1.17 Solicitation Document**

**1.20 Minor Informalities and Irregularities**

The MDA has the right to waive minor defects or variations of a proposal from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured and if doing so does not create an unfair advantage for any offeror. If insufficient information is submitted by an offeror for the MDA to properly evaluate the offer, the MDA has the right to require such additional information as it may deem necessary after the submission deadline, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured and such request does not create an unfair advantage for any offeror.

**1.21 Right to Reject Proposals**

Agency reserves the right to reject any and all proposals during any step of the procurement process, even after negotiations have begun. Agency reserves the right to reject any and all proposals if the Offeror takes exception to the terms and conditions of the RFP and/or fails to meet the terms and conditions and/or in any way attempts to limit the rights of Agency and/or the State of Mississippi, including but not limited to, the required contractual terms and provisions set forth in this RFP.

**1.22 No Obligation to Contract**

The release of this RFP does not constitute an acceptance of any submitted proposals, nor does such release in any way obligate the Agency to execute a contract with any offeror. Agency reserves the right to accept, reject, or negotiate any and all offers on the basis of the evaluation criteria contained within this document. The final decision to execute a contract with any party rests solely with the Agency including the decision to make no contract award.

The MDA is under no obligation to award a contract and may terminate a legally executed contract at any time.

#### **1.23.4 Pre-Contract Work at Offeror’s Risk**

Any work performed by the awarded Offeror prior to the start date of a valid, executed contract is done at Offeror’s sole risk. The State is under no obligation to pay for work performed prior to contract start date.

#### **1.23.6 Exceptions to the Standard Terms**

MDA discourages exceptions to the draft contract content, regardless of whether the contract clause is required or not. Such exceptions may cause proposals to be rejected as non-responsive. Proposals which condition the proposal based upon the State accepting other terms and conditions not found in the RFP, or which take exception to the State’s terms and conditions, may be found non-responsive, and no further consideration of the proposals will be given.

#### **1.23.7 Term**

The initial term of the contract resulting from the RFP shall be for a period of two (2) years and will begin upon PPRB contract approval and execution by both parties. ## SECTION 6. Evaluation and Award

Proposals will be evaluated in accordance with the criteria set forth in this RFP.

All proposals received in response to this RFP by the stated deadline will receive an evaluation. The evaluation of any proposal may be suspended and/or terminated at the Agency's discretion at any point during the evaluation process at which time the Agency determines that said proposal and/or Offeror fails to meet any of the mandatory requirements as stated in this RFP, the proposal is determined to contain fatal deficiencies to the extent that the likelihood of selection for contract negotiations is minimal, or Agency receives reliable information that would make contracting with the Offeror impractical or otherwise not in the best interests of MDA and/or the State of Mississippi.

- 6.1 Minor Informalities:** Proposals with errors that do not alter the substance of the proposal can be accepted, and the Agency may allow the offeror to correct the problem as long as the irregularities are insignificant mistakes that can be waived or corrected without prejudice to other offerors. The Agency has the right to waive minor defects or variations of a proposal from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured.

If insufficient information is submitted by an offeror with the proposal for the Agency to properly evaluate the proposal, the Agency has the right to require such additional information as it may deem necessary after the time set for receipt of proposals, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

- 6.2 Discussions:** Discussions may be conducted with Offerors who submit proposals determined to be reasonably susceptible of being selected for the award, but proposals may also be accepted without such discussions.
- 6.3** Agency will evaluate Offerors' proposals in three steps.

**6.3.1 Step One: Compliance Phase: Determination of Responsive and Responsible Offerors**

During this initial phase of the evaluation process, all proposals received are reviewed to determine if mandatory RFP requirements have been satisfied, meaning whether a proposal/Offeror is responsive, and responsible. Compliance requirements are not assigned a point percentage or score but are simply recorded as **Pass or Fail**.

Proposals will be reviewed to determine whether Offeror will be deemed responsive and responsible. If any component receives a Fail score (a "No" response) on any item or contains an item which for some reason cannot be evaluated, it may be deemed as non-responsive and/or non-responsible. Failure to comply with the RFP requirements may result in the proposal being eliminated from further consideration. All proposals which are determined to be responsive, responsible, and/or acceptable will continue to the next phase.

**A. Responsive Respondent**

Offeror must submit a proposal that conforms in all material respects to this RFP, as determined by the Agency.

- ***Nonconforming Terms and Conditions:*** A proposal response that includes terms and conditions that do not conform to the terms and conditions in the proposal document is subject to rejection as non-responsive. The MDA reserves the right to permit the offeror to withdraw nonconforming terms and conditions from its proposal response prior to a determination by the MDA of non-responsiveness based on the submission of nonconforming terms and conditions.
- ***Conditioning Proposal Upon Other Awards:*** Any proposal which is conditioned upon receiving award of both the particular contract being solicited and another Mississippi contract shall be deemed non-responsive and not acceptable.

**B. Responsible Respondent**

Offeror must have the capability in all respects to perform fully the contract requirements and the integrity and reliability which will assure good faith performance, as determined by MDA. At a minimum, an offeror must meet or exceed the minimum qualifications as stated herein to be deemed responsible.

If any component of the proposal receives a Fail score (a “No” response) on any item or contains an item which for some reason cannot be evaluated, it may be deemed as non-responsive and/or non-responsible. Failure to comply with the RFP requirements may result in the proposal being eliminated from further consideration. All proposals which are determined to be responsive, responsible, and/or acceptable will continue to the next phase.

**6.3.2 Step Two: Analysis Phase: Evaluation Committee**

During this phase, proposal packages that satisfactorily complete Step One will be reviewed and analyzed by an evaluation committee to determine if offeror’s proposal adequately meets the needs of MDA. There is a total of 100 points available. The contract should be awarded to the responsive, responsible offeror(s) whose proposal is determined to be the most advantageous to the MDA taking into consideration price and the factors set forth in the RFP.

The evaluation factors are listed in order of their relative importance.

- I. Technical Factors (Proposed Methodology) - 36 Points-** Technical factors are scored by the evaluation committee and generally help determine the offeror’s technical ability to perform the services requested. The evaluation committee will provide scoring of technical factors.
  - A. The overall quality of the proposed plan for performing the required services. (0-18 points)**

B. The degree of completeness of response to the specific requirements of the solicitation. **(0-18 points)**

**II. Cost Factors (Price) – 35 Points** Cost is reviewed by OSSS procurement staff and/or designee(s) as it is objectively scored.

The lowest cost proposed will receive the maximum 35 points allocated to cost. The point allocations for cost on the other offers will be evaluated according to the following formula: Price of the lowest responsive and responsible offer, divided by the price of the responsive and responsible offer being rated times the maximum 35 points allocated for cost equals the awarded points.

$$X \div Y \times 35 = Z$$

X = Lowest bid price  
Y = Offeror's bid price  
Z = Points Awarded

Points will be awarded based on the total all-inclusive maximum contract price per year total only. However, offerors must also include all other required cost documents.

**III. Management Factors – 29 Points-** Management factors aid in determining the offeror's qualifications to provide the service. These factors can include, but are not limited to, the capability and experience of the proposed staff, the offeror's record of reliability in performing similar services, and work plans and/or schedules. The evaluation committee will provide scoring of management factors.

A. Proposer's ability to provide the required services as reflected/evidenced by qualifications (education, experience, etc.). This includes the ability of the proposer to provide a work product that is legally defensible. **(0-18 points)**

B. The personnel, equipment, and financial resources to perform the services currently available or demonstrated to be made available at the time of contracting. **(0-11 points)**

### **6.3.3 Best and Final Offer (BAFO)**

At the Agency's discretion, the top three (3) scoring Offerors may be given the opportunity to provide a BAFO relative to their cost proposal. The Agency will notify finalists if a BAFO may be submitted and will establish a date and time for submission. Although a finalist is under no obligation to submit such an offer, any such BAFO should include any applicable revised financial exhibits and must be signed by an appropriate representative of your company. If a finalist chooses to not make a BAFO, the financial proposal included in your company's response to this RFP will be considered as the BAFO. Unsolicited BAFOs, including but not limited to such offers submitted by non-finalists, will not be accepted. The numerical scores for the Cost factor from the Analysis Phase will be adjusted for any BAFO received from a finalist. BAFO is not required. Therefore, Offerors are encouraged to submit their best offer.

**6.3.4 Tie Score Protocol**

If Step Two scores are compiled and a tie occurs between the leading proposals which results in the agency being unable to clearly determine which Offeror(s) should be the awardee(s), a separate three (3) person evaluation panel will be selected to score the proposals who are tied. After the tied proposals are rescored the Offeror(s) who receives the highest total score from Step II should be the Awardee(s).

**6.3.5 Step Three: Finalize Contract**

MDA will contact the offeror with the proposal which best meets the agency's needs (based on factors evaluated as stated herein) and may attempt to negotiate an agreement that is deemed acceptable to both parties.

**6.4 Negotiating with Next-Ranked Offeror**

Should negotiations fail to result in a contract that is acceptable to both parties, or the State ceases doing business with any Contractor selected through this RFP process, for any reason, the State reserves the right to initiate negotiations with the next ranked Offeror.

**6.5 Award**

The Agency will issue a Notice of Intent to Award to the responsive and responsible Offeror whose proposal is determined in writing, to be the most advantageous to the State/MDA taking into consideration price and the evaluation factors set forth in the RFP. No other factors or criteria shall be used in the evaluation.

**6.6 Notice of Intent to Award and Evaluation Committee Report**

The Notice of Intent to Award and Evaluation Committee Report for this procurement will be made available to the public through (1) posting on the Mississippi Contract/Procurement Opportunity Search Portal website, (2) on the agency website and (3) directly to all Offerors who responded to the solicitation.

**6.7 Notice of Contract Award**

Following approval of the contract by the Public Procurement Review Board (if required) and any other required entities, and the full execution of the contract agreement, a Notice of Contract Award will be made available to the public through (1) posting on the Transparency website and (2) on the agency website.

XXXXXXXX

For the Authority: XXXXXXXX

2. **Termination for Default**--If the Authority gives the Contractor a notice that the personal or professional services are being provided in a manner that is deficient, the Contractor shall have 30 (thirty) days to cure the deficiency. If the Contractor fails to cure the deficiency, the Authority may terminate the Contract for default and the Contractor will be liable for the additional cost to the Authority to procure the personal and professional services from another source. Termination under this paragraph could result in Contractor being excluded from future contract awards pursuant to Chapter 15 of the *Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations*. Any termination wrongly labelled termination for default shall be deemed a termination for convenience.
3. **Termination for Convenience**--The Authority may, when the interests of the Authority so require, terminate this Contract in whole or in part, for the convenience of the Authority. The Authority shall give written notice of the termination to Contractor specifying the part of the Contract terminated and when termination becomes effective. Approval of a subcontract by the Authority shall not be deemed to be approval of the incurrence of any additional obligation of the Authority. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the Authority may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
