INVITATION FOR VENDOR RESPONSE

Dear Vendor,

- **Region 4 Project Number: R42026-06**
- **Project Name: TEA-Authorized Board Governance Training and Trustee Development Services**

In accordance with Region 4 ESC policies and procedures, Region 4 departments are authorized to engage with "Approved Vendors" only. A Region 4 Approved Vendor is one that has been authorized for use upon having met a set of pre-determined criteria through a formal procurement process and awarded a contract ("Contract", "Agreement", or "Project") upon approval by the Region 4 Board of Directors.

The first step in obtaining Approved Vendor status is to respond to this solicitation and submit all required information and documentation. Upon completion of the Project evaluation process and verification of compliance with Region 4's liability insurance requirements and Minority/Women Owned Business Enterprises (MWBE) Program, one or more Vendors will be recommended to the Board of Directors for contract award. Once the Region 4 Board of Directors formally approves the selected Vendor(s) for award, the Region 4 Purchasing Services department will issue a Notice of Award letter, affirming the awarded Vendor(s) status as an Approved Vendor for this specific Project.

The tentative term of this Project is from September 1, 2026 , through August 31, 2027 , with four (4) automatic annual renewals, not to extend beyond June 30, 2031. Thereafter, Region 4, at its sole discretion, may elect to either extend the Project for a term not to exceed one hundred and twenty (120) days for business continuity purposes, if needed.

Pre-Proposal Conference: Pre-Proposal conference will be held **virtually via Zoom, following the schedule below:**
Tuesday, July 7, 2026, at 10:00 AM (CST) virtually via Zoom

Bid Lines

1 It is the intention of Region 4 ESC to establish an agreement to furnish and/or deliver goods and services provided by awarded vendors to the Center. Proposers are requested to submit a proposal offering their complete and total line of available products and services to school districts.

Pricing may be exclusively line item pricing or (highly recommended) in combination with a minimum catalog discount. Example: During the life of the agreement, models change and new products come to market that are in the same category and are added to the vendor's "catalog" and are available for purchase by users of the agreement. If you fail to propose a minimum discount off your catalog, it may limit the ability to change pricing of catalog items and services during the life of the award. The competitive range, if any, will be determined by Region 4 and will include only those proposals that Region 4 determines have a reasonable chance of being awarded a contract.

"Catalog" means the available list of tangible personal property and/or services, in the most current listing, regardless of date, during the life of the contract, that takes the form of a catalog, price list, schedule, shelf price or other form that:

- A. is regularly maintained by the manufacturer or vendor of an item; and
- B. is either published or otherwise available for inspection by a customer during the purchase process;
- C. to which the minimum discount proposed by the proposing vendor may be applied.
