Description

Synopsis

The Contracting Department, NAVSUP Fleet Logistics Center, Norfolk, VA, 23511-3392 intends to negotiate a 100% Small Business Set-Aside Firm Fixed Price type contract. The Naval Services Training Command (NSTC) established a CPR AED Emergency O2 Training to teach how to administer oxygen and how to use a defibrillator Cardiopulmonary resuscitation is a lifesaving emergency procedure for cardiac arrest. Failure to address these life-threatening complications can cause manning issues which could severely impact Warfighter Effectiveness if action is not taken. Delivery is FOB Destination and is required not later than 30 days after contract award; Delivery Location is multiple locations in the US. Responsibility and Inspection unless otherwise specified in the order, the supplier is responsible for the performance of all inspection requirements and quality control. The Government will conduct an acceptance inspection at the point of delivery. The North American Industry Classification System (NAICS) code for this acquisition is 611699 with a size standard of \$16.5 million. Potential contractors are hereby notified that the solicitation and subsequent amendments to the solicitation will ONLY be available for download at the above site; this office will no longer issue hard copy solicitations. By submitting a quote, the vendor is self-certifying that neither the requestor nor the principal corporate officials and owners are currently suspended, debarred, or otherwise ineligible to receive contracts from any federal agency. Failure to do so may represent grounds for refusing to accept the quote. By submission of a quote, the contractor acknowledges the requirement that a prospective awardee must be registered in the System for Award Management (SAM) database prior to award, during performance, and through final payment of any contract resulting from this solicitation, except for awards to foreign vendors for work to be performed outside the United States. Lack of registration in the SAM database will make a contractor ineligible for award. Contractors may obtain information on registration and annual confirmation requirements by calling 866-606-8220, or via the Internet at <https://www.sam.gov>. Please direct all questions regarding this requirement via e-mail to the POC identified in this synopsis: Sarah Celestin, Contract Specialist, sarah.n.celestin.civ@us.navy.mil, (757) 443-2105.
