Description

The 55th Contracting Squadron has an ongoing requirement to acquire Local Telecommunication Services (LTS) and Long-Distance Telecommunication Services (LDTS). The purpose of this sources sought notice is to conduct market research to gain a better understanding of the commercial telecommunication industry and to compile a list of potential interested vendors. This sources sought is for market research purposes only and no contract will result directly from this notice. The information gathered may be utilized for potential future contract actions. The total scope of the services required can be found in the attached Performance Work Statement.

Interested parties shall submit a response to this sources sought in the form of a Microsoft Word document or PDF document, no less than 1 page and no more than 5 pages in length. Submissions shall include:

1. Interest
 - o Interested parties shall submit a brief statement showing their interest in submitting a quote on a potential future contract of a similar nature and scope.
2. Technical Capability
 - o Interested parties shall show their ability to perform a project of similar scope as to the one listed in Section 2. SCOPE
 - o Offeror may include comments or questions in their response that would be helpful in better understanding the proposed project scope
3. Past Performance
 - o Interested parties shall submit 2-3 examples of past performance. These past performance examples shall be of a similar size, scope, and complexity. Experience in other State, Local, or Federal government buildings is preferred

Interested parties shall submit a response to this sources sought notice via email to SSgt Javier Contreras-Smith (javier.contreras_smith@us.af.mil) and Tyler Imhoff (tyler.imhoff.1@us.af.mil) no later than the specified date.
