C. SBE/DVOB GOAL INFORMATION

As an aid in meeting the commitment of New Jersey's Small Business Enterprise (SBE)/Disabled Veteran-Owned Business (DVOB) Set-Aside Program, NJ TRANSIT has assigned a **two percent (2%) Category three (3) SBE/DVOB** goal relative to the gross sum amount of the Proposal or contract for SBE and/or DVOB utilization.

D. SCORING WEIGHT

The written Technical Proposal score shall constitute 70% of the total evaluation score and the Cost Proposal will constitute 30% of the total evaluation score.

E. SCORING REQUIREMENTS

Proposers must achieve a minimum of 75 out of 100 points available on their Technical Proposal, in order to have their Cost Proposal evaluated. Proposals that fail to meet the required 75 point minimum, for the Technical Proposal evaluation, will not be considered for further review and their Cost Proposal will not be evaluated. Proposals that do not comply with the material terms and conditions of this solicitation shall be rejected as non-responsive. NJ TRANSIT reserves the right to reject any and all Proposals in accordance with law.

Cost Proposals will be allotted a proportionate score based on the percentage difference from the lowest Cost Proposal submitted.
