I. Introduction to the Request for Proposals (RFP)

The Tulare County Association of Governments (TCAG), as the Metropolitan Planning Organization and the Regional Transportation Planning Agency (RTPA) for Tulare County, is requesting proposals from qualified consultants for the preparation of Tulare County Mobility Management Plan.

The objective of this RFP is to select a qualified consultant to enter into an agreement to conduct public outreach in disadvantaged communities, coordinate with stakeholders in the health and human services sectors, and produce a comprehensive mobility management plan focused on the needs of the 51 Census Tracts in Tulare County designated as ‘areas of persistent poverty’ as defined under the federal government’s Bipartisan Infrastructure Law.

A joint venture of firms or a single firm for all or part of the tasks described is acceptable to accomplish the anticipated Scope of Services outlined in Attachment A.

II. Scope of Services

Attachment A identifies the Scope of Services.

III. Selection Timeline

June 19, 2026	Distribution of Request for Proposals
July 6, 2026	Deadline for Written inquiries/questions
July 27, 2026	Proposals Due to TCAG by 5:00 PM
August 3-7, 2026	Interviews (potential)

IV. Budget & Consultant Administration Responsibilities

1. **Working meetings**: Schedule and coordinate all necessary working meetings with TCAG project manager and staff.
2. **Budget**: The project is budgeted for Fiscal Year 2026/2027. The total amount budgeted for is \$350,000. Ten percent retention will be held for the preparation of the reports and released at contract completion. Up to two (2) six-month contract extensions may be permitted upon written agreement between TCAG and Consultant.
3. **Invoices and progress reports**: Invoices and accompanying progress reports shall be submitted monthly. All invoices shall include a description of work completed, including the percent completed for each project task, and the hourly rate and expenditures for each employee or subcontractor. Direct expenses shall include receipts or an acceptable form of backup.

V. Proposal Requirements

1. **Firm experience and qualifications:** Prospective consultants shall provide a summary description of the firm's overall qualifications for this project and previous experience with similar or related engagements. Qualifications and examples of previous related experience/projects should be included for the project manager and each of the key project staff proposed for the project. For each employee that works on this project (except support or clerical), the proposal must list the location of the office that the employee works. Failure to provide the requested information may disqualify a proposal. (15 page maximum)
2. **Understanding of the Project:** Prospective consultants shall include a narrative introducing the consultant's understanding of the project requirements. The contents of this section are to be determined by the respondent but should demonstrate a familiarity with mobility management, planning non-emergency medical transportation, and rural public transportation. Firms or principals who have experience bringing together diverse stakeholder groups and negotiating multiparty agreements between health care and human services providers and public transportation agencies are strongly desired. Familiarity with Medi-Cal criteria and processes for transportation reimbursements is an advantage. Prospective consultants should identify in the proposal the types of information needed to complete the Scope of Services (20 pages maximum)
3. **Project Management:** Prospective consultants shall designate by name the project manager to be employed. The selected consultant shall not substitute the project manager without prior approval by the TCAG Executive Director. (3 page maximum)
4. **Project Personnel:** Prospective consultants shall describe the qualifications of all professional personnel assigned to this project, including a summary of similar work or studies each member has performed and a resume of each professional. Project personnel changes require that TCAG is notified by Project Manager. (10 page maximum)
5. **References:** Prospective consultants shall provide names and contact information for three (3) clients for whom the prospective consultant has performed technical and management assignments of similar scope and complexity to that proposed in this request. At least two (2) references shall be provided for projects on which the proposed and named project manager has worked. Up to one may exclusively include a project on which the proposed professional personnel for this project with the most hours assigned participated in. Full points cannot be awarded for past projects in which the proposed project manager or primary professional assigned did not participate. This could necessitate projects references outside of the work of the proposing firm. A summary statement for each assignment shall be provided. (5 page maximum)
6. **Subcontracting:** If subcontractors are used, prospective consultants must submit a description of each person, firm, and the work to be done by each subcontractor. The TCAG Executive

Director must approve all subcontractors, and no work may be subcontracted, nor the subcontractor changed, without the prior approval of the TCAG Executive Director.

7. Methodology: Prospective consultants shall describe the approach to the project, specific techniques and data sources that will be used, what the reports will include, and the specific administrative and operational management expertise that will be employed. (10 page maximum)
8. Conflict of Interest: Prospective consultants shall disclose any financial, business or other relationship with TCAG, any of the eight (8) incorporated cities in Tulare County, the County of Tulare, or any of their officers or officials that may have an impact on the outcome of the project. The prospective consultant shall also list current clients who may have a financial interest in the outcome of the project.
9. Project Costs: Prospective consultants shall include a cost proposal section or exhibit demonstrating the total cost of the work solicited under this RFP, by task. For each task, estimated costs should be broken down. Cost proposals shall detail all direct and indirect costs to be incurred for the project, broken down by task, and shall include the labor rates.
10. Signature: The proposal and accompanying certifications shall be signed by an official (or officials, as applicable) authorized to bind the consultant and shall contain a statement to the effect that the proposal is a firm offer for a 90-day period. The proposal shall also provide the following information: type of business entity (i.e. corporation, California limited partnership, etc.) and whether the business entity is registered to do business in California; and name, title, address, and telephone number of individuals with authority to negotiate and contractually bind the company.
11. Insurance Requirements: TCAG will require the selected consultant to obtain and maintain, at consultant's sole cost and expense, insurance coverage as outlined in the attached Sample Consultant Services Contract (Attachment D) (at the end of drafting this, check that your Attachments are labeled correctly).

The selected consultant shall maintain said insurance policies in effect during the term of the contract and shall cause all parties supplying services, labor, or materials to maintain insurance in amounts and coverage not less than those specified in the attached Sample Consultant Services Contract.

The selected consultant shall file certifications of this insurance, including all applicable endorsements, with TCAG prior to commencement of its performance under this agreement. Consultant must maintain adequate levels of insurance throughout the duration of the agreement.

12. Indemnity and Harmless Clause: TCAG will require the selected consultant to hold harmless, defend and indemnify TCAG, their officers, employees and agents from any liability, claims,

actions, costs, damages or losses, for injury, including death to any person, or damage to any property arising out of the consultant's services, in accordance with the indemnity language included in the Sample Consultant Services Contract (Attachment D).

The proposal must list the percentage of work, by cost expended, to be completed by DBE-certified consulting firms, prime or sub-consultants. Proof of DBE certification for qualified firms is required to be submitted with the proposal. If the percentage is less than 13.5% an explanation of the attempt and failure to meet this goal must be provided. Failure to provide the requested information may disqualify the proposal.

15. Title VI of the Civil Rights Act of 1964: The contractor agrees to comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (49 USC 2000d) and the regulations of the U.S. Department of Transportation issued there under in 49 CFR Part 21.

16. 6. Public Record: All proposals submitted in response to this RFP shall become the exclusive property of TCAG. At such time as the selection committee recommends a proposal to the TCAG Board and such recommendation appears on the TCAG Board agenda, all proposals submitted in response to this RFP shall become a matter of public record and shall be regarded as public records. If there are any trade or proprietary secrets included by the consultant, the consultant may provide a different copy of the proposal that would be acceptable to release to the public.

Tulare County Mobility Management Plan Draft Scope of Services

Element 1: Existing Conditions Analysis and Needs Assessment

Task 1: Evaluate Existing Transportation Resources

A review of current human services transportation needs and resources available in the 51 U.S. Census Tracts in Tulare County that are designated as 'areas of persistent poverty' will be conducted, building upon that provided by the 2023 Tulare County Coordinated Human Services Transportation Plan. A list and a map of Census Tracts that comprise the project area is provided at the end of the scope of services.

Transportation resources including public transportation, shuttle systems operated by health care providers, private non-emergency medical transportation (NEMT) providers, and reimbursements for volunteer drivers will be identified along with a brief description of the services they offer and the eligibility criteria for these services.

Public and private health care and human services entities will be consulted to confirm that the information related to services they provide is correct and current. Other services offered by health care providers to benefit populations who are transportation disadvantaged, such as mobile health care clinics, should also be noted.

The existing conditions report shall also note the location of health care facilities and major employment centers throughout the county.

Deliverable: Existing Conditions Report

Task 2: Identify Areas of Greatest Need

The consultant shall undertake a comprehensive analysis to identify which of the 51 Tulare County Census Tracts designated as 'areas of persistent poverty' experience the most significant

challenges related to transportation and access to health care and human services. The scoring of tracts shall be based on clear and measurable criteria related to availability of transportation, health outcomes, and socioeconomic characteristics. Tracts that experience a very high incidence of asthma or cardiovascular disease should be given priority weighting. When it can be obtained, anonymized data related to missed medical or wellness appointments according to patient zip codes should be utilized. Areas with high concentrations of unemployment shall also be noted, particularly where this coincides with limited access to health care.

Deliverable: Needs Assessment

Element 2: Mobility Management Planning

Task 3: Community and Stakeholder Engagement

The Consultant will perform community outreach and public engagement of underserved and environmental justice communities within the 51 'areas of persistent poverty' Census Tracts in Tulare County.

At least two (2) public workshops each should be held in communities in the northern and southern parts of the county, respectively. The first of these meetings should seek input on current transportation challenges experienced by members of the community and the latter should solicit feedback on the proposals developed by the consultant before the study is finalized.

In addition to taking inventory of the transportation needs of underserved communities, community engagement should be used to develop and refine equity-focused policies in support of the plan and its goals.

Stakeholder engagement will focus heavily on input from partners in the health care and social services sphere. Entities that have previously provided letters of support for the creation of the Tulare County Mobility Plan, such as Family HealthCare Network (FHCN) and Tulare County Health and Human Services Agency (TC-HHSA), should be involved as soon as possible once work on the plan begins. Other private entities and public agencies that provide health and wellness

services should be engaged and encouraged to participate with an explanation of the plan purpose and benefits.

A Technical Advisory Group (TAG) will be formed with these entities as well as representatives of local transportation providers. The TAG will meet at least three (3) times during the development of the Tulare County Mobility Management Plan. At least one (1) meeting each should address the concept of a coordinated transportation services agency (CTSA), the roles and responsibilities of participating parties, and the software and technology recommendations to effectively implement mobility management in areas of persistent poverty in Tulare County.

Deliverables: Public workshop agendas and minutes, Creation of a Technical Advisory Group, Comments collected and responses

Task 4: Develop Agreement with Participating Partners

The consultant will work with TCAG and the Technical Advisory Group (TAG) to formulate a mobility management agreement with participating partners. The agreement will provide a framework for closer coordination between providers of health care and social services and public transportation providers, including the ability for front-office staff at clinics to connect patients who lack transportation with rides to their appointments.

The agreement will place a priority on improving access to health and wellness services for the Tulare County census tracts identified as 'areas of persistent poverty' and incorporate strategies to reduce missed appointments. A variety of strategies should be employed, with the aim of identifying those strategies which will provide reliable and cost-effective transportation to rural areas experiencing persistent poverty. These should include, at minimum: publicly supported vanpools and volunteer driver reimbursement programs, block booking of appointments, and connecting people to existing public transportation resources where appropriate. The designation of an entity that will serve as the coordinated transportation services agency for Tulare County will also be explored as part of the agreement's development. The agreement should also address terms of reimbursement for transportation services provided to health care and social services clients.

Deliverable: Mobility Management Agreement, Coordinated Transportation Services Agency (CTSA) designation or recommendation

Task 5: Green Line Call Center Expansion

The plan shall identify measures that can be taken to expand the existing 'Green Line' travel information call center into a comprehensive mobility management provider.

The City of Visalia currently operates The Green Line call center as a one-call resource for travel information for travelers in Tulare County. The Green Line provides information about all local fixed route and demand-response transit services and can assist with paratransit and microtransit reservations. Staff at The Green Line are also able to provide information about local services provided by common carriers such as Greyhound and FlixBus. Visalia Transit also offers travel training for potential transit riders who have independent living difficulties. The Tulare County Mobility Plan seeks to expand on these services by incorporating information about non-emergency medical transportation (NEMT), streamlining processes for making reservations for demand-response service, increasing awareness of travel training options, and broadly strengthening its mobility management function.

This will necessarily include the adoption of a software suite, web portal, or concierge platform that will enable easy two-way communication between The Green Line and front-office staff at medical centers and social services agencies. This platform will ideally enable staff at participating health care and social services providers to easily find and secure transportation for their clients who do not have their own transportation, without requiring them to have any prior familiarity with the services that are available. The study will examine software suites that provide these functions and make recommendations as to which solutions might be appropriate for the expanded mobility management function.

Deliverable: Integration with participating providers of non-emergency medical transportation (NEMT), health care, and social services; Software suite recommendation(s)

Task 6: Develop a Regionwide Process for Processing Transportation Payments from Insurers and Health Providers

The plan will propose an efficient mechanism for public transportation agencies based in Tulare County to accept payment from managed care plans and health care providers for transporting patients to and from eligible health and wellness activities. Stakeholder input should be utilized to develop a system of billing and payments that will allow the designated mobility manager to easily process payments for trips that qualify for reimbursement. The Billing and Payments Element will address what data must be collected to satisfy insurance provider requirements for transportation reimbursements as well as the complete eligibility criteria for these reimbursements. The Billing and Payments Element shall include provisions for both demand-response reservations and traditional fixed-route transit. The question of whether single-ride tickets or 1-day transit passes purchased by patients prior to arriving for their appointments can be tracked and reimbursed will be explored. The proposed method of billing and payment should be made as simple to administrate as possible while providing all information necessary to process payments in an expeditious manner. The billing and financial policies of participating organizations shall be considered to ensure that payment records contain all data necessary to satisfy applicable requirements, including medical insurance auditing policies.

Deliverable: Billing and Payments Element of Tulare County Mobility Management Plan

Task 7: Develop On-Demand Microtransit Service Oriented Around Improved Access to Health Care and Employment in Areas of Persistent Poverty

The creation of an on-demand microtransit service that is specifically focused on improving access to health care and employment in the Tulare County Census tracts designated as ‘areas of persistent poverty’ is a crucial element of the Tulare County Mobility Management Plan.

The consultant shall analyze feedback collected during public outreach together with operational data and rider surveys from existing on-demand microtransit services operated by Porterville Transit, RIDE Tulare County, and Visalia Transit to propose a service model that will maximize the amount of trips to and from health care and employment-related destinations that can be provided to residents in areas of persistent poverty. Close coordination with health care providers and employers is strongly encouraged to promote shared rides to the greatest extent possible for improved service efficiency.

Recommendations shall be made for potential locations to install electric vehicle charging infrastructure in areas of persistent poverty to facilitate the reliable operation of zero-emission vehicles used by public transportation agencies and vanpools. Agreements related to electric vehicle charging shall be explored with stakeholder organizations that have charging infrastructure at their properties or who plan to install charging infrastructure within the next 2-3 years, with the goal of increasing opportunities for charging zero-emission transit and vanpool vehicles in underserved rural areas.

Strategies shall also be formulated for promoting vanpools based in designated 'areas of persistent poverty' that provide transportation to health care services and employment centers in nearby urbanized areas. The potential for community vanpools based in rural, disadvantaged communities that serve both employment and health care-related destinations in the same general vicinity should be examined.

Deliverable: On-Demand Microtransit and Vanpool Strategies for Areas of Persistent Poverty

Task 8: Develop a Financial Plan

The consultant will work with TCAG and stakeholders to develop a financial plan covering the proposed expansion of The Green Line as well as the expenses associated with the deployment of the on-demand microtransit service focused on areas of persistent poverty. The financial plan should address fleet needs, infrastructure requirements, technology and information systems requirements, and operating costs related to all other elements of the Tulare County Mobility Management Plan. In addition to outlining the funding needs, the financial plan should include projections of available revenues as well as identifying potential funding opportunities and/or constraints. The exploration of funding opportunities should include those related to health care and employment as well as traditional public transportation funding.

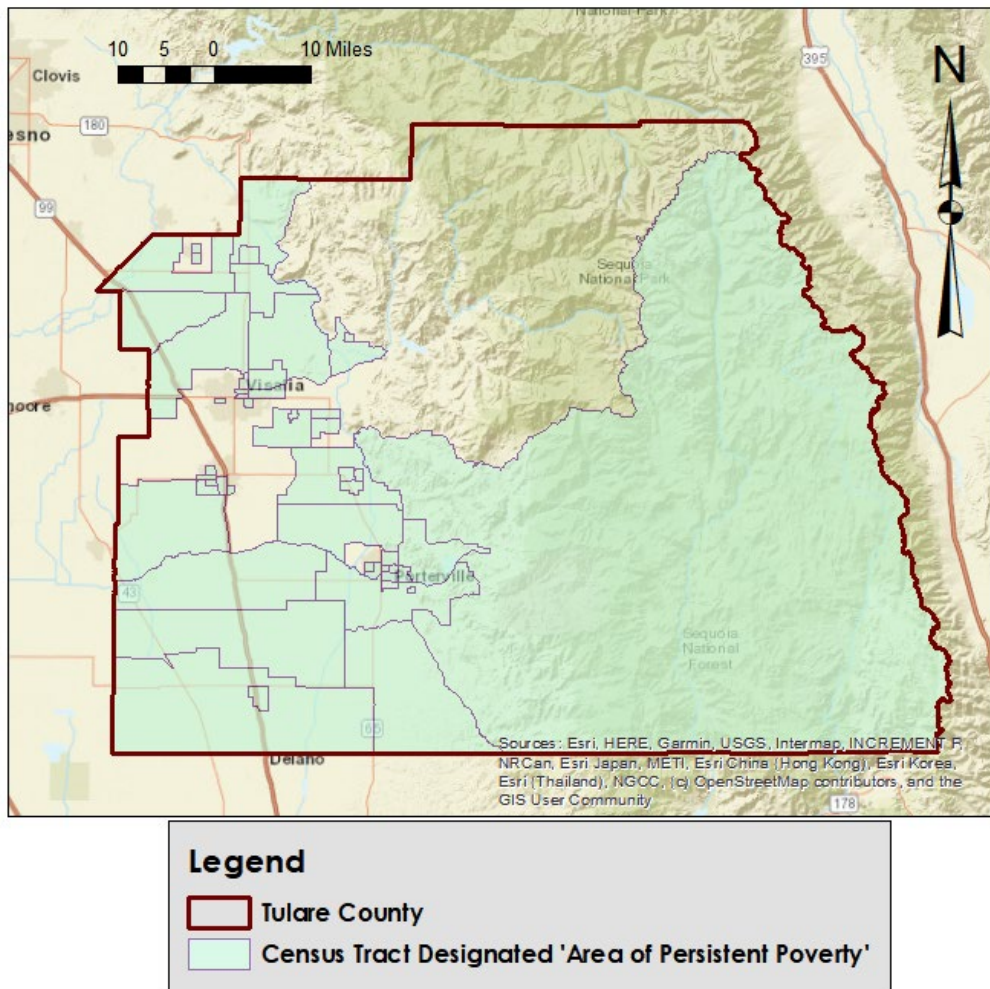

Deliverable: Financial Plan

Task 9: Develop a Regional Emergency Management and Response Plan

The consultant will work with TCAG, Tulare County-based transit agencies (Porterville Transit, RIDE Tulare County, and Visalia Transit), and Tulare County Office of Emergency Management to

develop an emergency management and response plan related to the utilization of transit vehicles, equipment, and staff in the event of a public emergency. The plan will focus on the Census Tracts designated as areas of persistent poverty, particularly those which are also at elevated risk of experiencing natural disasters such as wildfires or floods. The emergency management and response plan will consider the locations of the transit agency's central yards, and other locations at which they store and have frequently deployed assets, to make recommendations that will facilitate the rapid deployment of any transit assets that might be called to use in an emergency.

 - c. *CONTRACTOR hereby grants to TCAG and the COUNTY a waiver of any right to subrogation which any insurer of CONTRACTOR may acquire against the county by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the TCAG or the COUNTY has received a waiver of subrogation endorsement from the insurer.*

d. Each insurance policy required by this agreement shall be endorsed to state that coverage shall not be canceled, except after written notice has been provided to TCAG.

3. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of TCAG and the COUNTY OF TULARE for all work performed by the CONTRACTOR, its employees, agents and subcontractors. TULARE COUNTY ASSOCIATION OF GOVERNMENTS' GENERAL AGREEMENT TERMS AND CONDITIONS

(Revised 05/10/2018)

- 1. COMPLIANCE WITH LAW:** CONTRACTOR must provide services in accordance with applicable Federal, State, and local laws, regulations and directives. With respect to CONTRACTOR'S employees, CONTRACTOR must comply with all laws and regulations pertaining to wages and hours, state and federal income tax, unemployment insurance, Social Security, disability insurance, workers' compensation insurance, and discrimination in employment.
- 2. PAYMENT DOES NOT IMPLY ACCEPTANCE OF WORK:** CONTRACTOR is not entitled to any payments under this Agreement until TCAG confirms that services provided, including any furnished deliverables, satisfy all of the requirements of this Agreement. Payments to CONTRACTOR by TCAG shall not excuse CONTRACTOR from its obligation to replace unsatisfactory deliverables, including equipment, components, materials, or services even if the unsatisfactory character of such deliverables, equipment, components, materials, or services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and services that do not conform to the requirements of this Agreement may be rejected by TCAG and in such case must be replaced by CONTRACTOR without delay and at no cost to the TCAG.
- 3. DISALLOWANCE:** If CONTRACTOR requests or receives payment from TCAG for services hereunder, reimbursement for which is later disallowed by the State of California or United States Government, CONTRACTOR shall promptly refund the disallowed amount to TCAG upon TCAG'S request. At its option, TCAG may offset the amount disallowed from any payment due or to become due to CONTRACTOR under this Agreement or any other Agreement between CONTRACTOR and TCAG. CONTRACTOR'S obligations under this section 2 will survive the expiration or termination of this Agreement.
- 4. LIABILITY OF TCAG:** TCAG'S payment obligations under this Agreement shall be limited to the payment of the compensation provided for in section 3, "PAYMENT FOR SERVICES," of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall TCAG be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect, or incidental damages, including, but not limited to, lost profits, arising out of or in connection with this Agreement or the services performed in connection with this Agreement.
- 5. QUALIFIED PERSONNEL:** CONTRACTOR shall utilize only competent personnel under the supervision of, and in the employment of, CONTRACTOR (or CONTRACTOR'S authorized subcontractors) to perform the services. CONTRACTOR will comply with TCAG'S reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at TCAG'S request, must be supervised by CONTRACTOR. CONTRACTOR shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.
- 6. INDEPENDENT CONTRACTOR STATUS:** The Parties enter into this Agreement with the express understanding that CONTRACTOR will perform all services required under this Agreement as an independent contractor. The Parties agree that CONTRACTOR and any of its agents, employees, or officers cannot be considered agents, employees, or officers of TCAG.

CONTRACTOR agrees to advise everyone it assigns or hires to perform any duty under this Agreement that they are not employees of TCAG. Subject to any performance criteria contained in this Agreement, CONTRACTOR will be solely responsible for determining the means and methods of performing the specified services and TCAG will have no right to control or exercise any supervision over CONTRACTOR as to how CONTRACTOR will perform the services. As CONTRACTOR is not TCAG'S employee, CONTRACTOR is responsible for paying all required state and federal taxes. In particular, TCAG will not:

- (1) Withhold FICA (Social Security) from CONTRACTOR'S payments.

TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)

- (2) Make state or federal unemployment insurance contributions on CONTRACTOR'S behalf.
- (3) Withhold state or federal income tax from payments to CONTRACTOR.
- (4) Make disability insurance contributions on behalf of CONTRACTOR.
- (5) Obtain unemployment compensation insurance on behalf of CONTRACTOR.

Notwithstanding this independent contractor relationship, TCAG will have the right to monitor and evaluate the performance of CONTRACTOR to assure compliance with this Agreement.

7. LICENSES AND PERMITS: CONTRACTOR represents and warrants that it possesses and will maintain during the term of this Agreement all licenses and permits required for its performance of the services required under this Agreement.

8. GOVERNING LAW: The laws of the State of California, without reference to California conflict of laws principles, govern this Agreement and its interpretation. The Parties agree that this Agreement is made in and will be performed in Tulare County, California.

9. RECORDS AND AUDIT: CONTRACTOR must maintain complete and accurate records with respect to the services rendered and the costs incurred under this Agreement. In addition, CONTRACTOR must maintain complete and accurate records with respect to any payments to employees or subcontractors. All of the records must be prepared in accordance with generally accepted accounting procedures, must be clearly identified, and must be kept readily accessible. Upon request, CONTRACTOR must make the records available within Tulare County to the Auditor of Tulare County and to his or her agents and representatives, for the purpose of auditing and/or copying the records for a period of five (5) years from the date of final payment under this Agreement. Additional record-keeping requirements may be located in Exhibit F or G (related to federally-funded contracts generally, or FTA-funded contracts specifically).

10. CONFLICT OF INTEREST:

(a) At all times during the performance of this Agreement, CONTRACTOR must comply with the law of the State of California regarding conflicts of interests and appearance of conflicts of interests, including, but not limited to, Government Code Section 1090 *et seq.*, and the Political Reform Act, Government Code Section 81000 *et seq.*, and regulations promulgated by the California Fair Political Practices Commission. The statutes, regulations, and laws previously referenced include, but are not limited to, prohibitions against any public officer or employee, including CONTRACTOR for this purpose, from making any decision on behalf of TCAG in which the officer, employee, or consultant/contractor has a direct or indirect financial interest. A violation can occur if the public officer, employee, or consultant/contractor participates in or influences any TCAG decision that has the potential to confer any pecuniary benefit on CONTRACTOR or any business firm in which CONTRACTOR has an interest, with certain narrow exceptions.

(b) CONTRACTOR agrees that if any facts come to its attention that raise any questions as to the applicability of conflicts of interests laws, then it will immediately inform TCAG and provide all information needed for resolution of this question.

11. INSURANCE: The attached **Exhibit C** outlines the minimum scope, specifications, and limits of insurance required under this Agreement. Additional insured endorsements required as outlined in **Exhibit C** cannot be used to reduce limits available to TCAG as an additional insured from CONTRACTOR'S full policy limits. Insurance policies cannot be used to limit liability or to limit the indemnification provisions and requirements of this Agreement or

TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)

act in any way to reduce the policy coverage and limits available from the insurer(s). If CONTRACTOR fails to maintain or renew coverage, or to provide evidence of renewal, then TCAG may consider that failure a material breach of this Agreement. TCAG may also withhold any payment otherwise due to CONTRACTOR for failure to provide evidence of renewal until CONTRACTOR provides such evidence.

12. INDEMNIFICATION AND DEFENSE:

(a) To the fullest extent permitted by law, CONTRACTOR must indemnify, defend (at CONTRACTOR'S sole cost and expense and with legal counsel approved by TCAG, which approval may not be unreasonably withheld), protect and hold harmless TCAG, all subsidiaries, divisions, committee, and affiliated agencies of TCAG, and all of their representatives, partners, designees, officers, directors, employees, consultants, agents, successors, and assigns, (each, an "Indemnified Party" and collectively, the "Indemnified Parties"), from and against all claims (including, without limitation, claims for bodily injury, death or damage to property), demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs, and expenses (including, without limitation, attorneys' fees, disbursements, and court costs, and all other professional expert or consultants' fees and costs and TCAG general and administrative expenses) of every kind and nature whatsoever (individually, a "Claim"; collectively, "Claims") which may arise out of, pertain to, or relate (directly or indirectly) to the negligence, recklessness, or misconduct of CONTRACTOR with respect to any work performed or services provided under this Agreement (including, without limitation, the acts, errors, and/or omissions of CONTRACTOR, its principals, officers, agents, employees, vendors, suppliers, consultants, sub-consultants, contractors, and anyone employed directly or indirectly by any of them, or for whose acts they may be liable, or any or all of them). CONTRACTOR'S obligation to indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an Indemnified Party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR'S indemnification obligation shall be reduced in proportion to the established comparative liability.

(b) The duty to defend is a separate and distinct obligation from CONTRACTOR'S duty to indemnify. CONTRACTOR shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, the Indemnified Parties immediately upon tender to CONTRACTOR of the Claim in any form or at any stage of an action or proceeding, whether or not liability is established. Payment to CONTRACTOR by any Indemnified Party or the payment or advance of defense costs by any Indemnified Party cannot be a condition precedent to enforcing the Indemnified Party's rights to indemnification under this Agreement. An allegation or determination that persons other than CONTRACTOR are responsible for the Claim does not relieve CONTRACTOR from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if CONTRACTOR asserts that liability is caused in whole or in part by the negligence or willful misconduct of an Indemnified Party. If it is finally adjudicated that liability was caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR may submit a claim to the TCAG for reimbursement of reasonable attorneys' fees and defense costs in proportion to the established comparative liability of the Indemnified Party. CONTRACTOR'S indemnification obligations under this Agreement will survive the expiration or earlier termination of this Agreement until action against the Indemnified Parties for the matter indemnified is fully and finally barred by the applicable statute of limitations or statute of repose. CONTRACTOR'S liability for indemnification under this Agreement is in addition to any liability CONTRACTOR may have to TCAG for a breach by CONTRACTOR of any of the provisions of this Agreement. Under no circumstances may the insurance requirements and limits set forth in this Agreement be construed to limit CONTRACTOR'S indemnification obligation or other liability under this Agreement. The terms of this Agreement are contractual and the result of negotiation between the Parties.

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS’
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

(c) CONTRACTOR must indemnify and hold TCAG harmless from all loss and liability, including attorneys’ fees, court costs and all other litigation expenses, for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by TCAG, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

13. TERMINATION:

(a) **Without Cause:** TCAG may terminate this Agreement without cause by giving thirty (30) days’ prior written notice to CONTRACTOR of its intention to terminate under this provision, specifying the date of termination. TCAG will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. TCAG will not pay lost anticipated profits or other economic loss. The payment of any compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement, and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR in accordance with this Agreement. TCAG will not impose sanctions on CONTRACTOR under these circumstances.

(b) **With Cause:** Either Party may terminate this Agreement immediately, by written notice to the other Party, should the other Party:

- (1) Be adjudged a bankrupt, or
- (2) Become insolvent or have a receiver appointed, or
- (3) Make a general assignment for the benefit of creditors, or
- (4) Suffer any judgment that remains unsatisfied for 30 days, and that would substantively impair the ability of the judgment debtor to perform under this Agreement, or
- (5) Materially breach this Agreement.

In addition, TCAG may terminate this Agreement based on:

- (6) Material misrepresentation, either by CONTRACTOR or anyone acting on CONTRACTOR’S behalf, as to any matter related in any way to TCAG’S retention of CONTRACTOR, or
- (7) Other misconduct or circumstances that, in the sole discretion of TCAG, either impairs the ability of CONTRACTOR to competently provide the services under this Agreement, or exposes TCAG to an unreasonable risk of liability.

For any of the occurrences except item (5) above, termination may be effected upon written notice by the terminating Party specifying the date of the termination. If CONTRACTOR fails to perform according to the terms and conditions of this Agreement, then TCAG may, in addition to any other remedy it may have, issue a declaration of default after 10 days’ written notice to CONTRACTOR.

Upon a material breach, the Agreement may be terminated after the failure of the defaulting Party to remedy the breach to the satisfaction of the non-defaulting Party within 5 days of written notice specifying the breach. If the breach is not remedied within that 5-day period, then the non-defaulting Party may terminate this Agreement on further written notice specifying the date of termination. If the nature of the breach is such that it cannot be cured within a 5-day period, then the defaulting Party may submit a written proposal within that period which sets forth a specific means to resolve the default. If the non-defaulting Party consents to that proposal in writing, which consent may not be unreasonably withheld, then the defaulting Party must immediately embark on its plan to

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS’
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

cure the default or breach. If the default or breach is not cured within the time agreed, then the non-defaulting Party may terminate this Agreement upon written notice specifying the date of termination.

TCAG will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. The payment of such compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement, and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR by the date of termination in accordance with this Agreement. TCAG will not pay lost anticipated profits or other economic loss, nor will TCAG pay compensation or make reimbursement to cure a breach arising out of or resulting from such termination. If TCAG terminates this Agreement for cause and the expense of finishing CONTRACTOR’S scope of work exceeds the unpaid balance of the Agreement, then CONTRACTOR must pay the difference to TCAG. TCAG may impose sanctions under these circumstances, which may include possible rejection of future proposals based on specific causes of CONTRACTOR’S non-performance.

(c) **Effects of Expiration or Termination:** Expiration or termination of this Agreement will not terminate any obligations to indemnify, to maintain and make available any records pertaining to the Agreement, to cooperate with any audit, to be subject to offset, or to make any reports of pre-termination contract activities. Where TCAG terminates CONTRACTOR’S services, that termination will not affect any rights of TCAG to recover damages against CONTRACTOR.

(d) **Suspension of Performance:** Independent of any right to terminate this Agreement, the Executive Director of TCAG may immediately suspend performance by CONTRACTOR, in whole or in part, in response to health, safety or financial emergency, or a failure or refusal by CONTRACTOR to comply with the provisions of this Agreement, until such time as the cause for suspension is resolved, or a notice of termination becomes effective.

14. LOSS OF FUNDING: It is understood and agreed that if TCAG’S funding is either discontinued or reduced for the services to be provided hereunder, then TCAG will have the right to terminate this Agreement under section 13 (a) (“Termination Without Cause”) as of the end of the term for which funds are appropriated. Such termination shall be without penalty, liability, or expense to TCAG of any kind, provided that TCAG shall pay CONTRACTOR in accordance with section 13 (a) for services satisfactorily performed prior to the date of such termination and to the extent funds have been appropriated for such payment.

15. SUBMITTING FALSE CLAIMS; MONETARY PENALTIES: Under applicable federal and state law, if CONTRACTOR submits a false claim to TCAG under this Agreement, then CONTRACTOR will be liable to TCAG for the statutory penalties set forth in those statutes, including but not limited to statutory fines, treble damages, costs, and attorneys’ fees. CONTRACTOR will be deemed to have submitted a false claim to TCAG if CONTRACTOR:

- (a) Knowingly presents or causes to be presented to TCAG a false claim or request for payment or approval;
- (b) Knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by TCAG;
- (c) Conspires to defraud TCAG by getting a false claim allowed or paid by TCAG;
- (d) Knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to TCAG; or

(Revised 05/10/2018)

(e) Is a beneficiary of an inadvertent submission of a false claim to TCAG, later discovers the falsity of the claim, and fails to disclose the false claim to TCAG within a reasonable time after discovery of the false claim.

16. FORM DE-542: If CONTRACTOR is an individual, CONTRACTOR acknowledges that this Agreement is subject to filing obligations under Unemployment Insurance Code Section 1088.8. Accordingly, TCAG has an obligation to file a report with the Employment Development Department, which report will include CONTRACTOR'S full name, social security number, address, the date this Agreement was executed, the total amount of the Agreement, its expiration date or whether it is ongoing. CONTRACTOR agrees to cooperate with TCAG to make that information available and to complete Form DE- 542. Failure to provide the required information may, at TCAG'S option, prevent approval of this Agreement, or be grounds for termination by TCAG.

17. WORKS FOR HIRE: CONTRACTOR acknowledges that all work(s) under this Agreement are "work(s) for hire" within the meaning of the United States Copyright Act (Title 17 United States Code) and hereby assigns to TCAG all rights and interests CONTRACTOR may have in the work(s) it prepares under this Agreement, including any right to derivative use of the work(s). All software and related materials developed by CONTRACTOR in performance of this Agreement for TCAG will be the sole property of TCAG, and CONTRACTOR hereby assigns and transfers all its right, title, and interest therein to TCAG. CONTRACTOR will execute all necessary documents to enable TCAG to protect TCAG'S intellectual property rights under this section.

18. WORK PRODUCT: All work product, equipment, or materials created for TCAG or purchased by TCAG under this Agreement belong to TCAG and CONTRACTOR must immediately deliver them to TCAG at TCAG'S request upon termination or completion of this Agreement.

19. TIME OF ESSENCE: The Parties agree that time is of the essence under this Agreement, unless they agree otherwise in writing.

20. CONFIDENTIALITY: CONTRACTOR may not use or disclose any information it receives from TCAG under this Agreement that TCAG has previously identified as confidential or exempt from mandatory public disclosure except as necessary to carry out the purposes of this Agreement or as authorized in advance by TCAG. Unless required to do so by law, including, but not limited to, the Ralph M. Brown Act or the California Public Records Act, TCAG may not disclose to third parties any information it receives from CONTRACTOR that CONTRACTOR has previously identified as confidential. If TCAG determines that it must disclose any information that CONTRACTOR previously identified as confidential, then it shall promptly give CONTRACTOR written notice of its intention to disclose such information and the authority for such disclosure. CONTRACTOR shall have period of five (5) calendar days thereafter within which to seek a protective court order to prevent such disclosure or to notify TCAG that it will not seek such an order. TCAG shall cooperate with CONTRACTOR in any efforts to seek such a court order. TCAG shall not disclose the information until the five (5) day period has expired without a response from CONTRACTOR, or CONTRACTOR has notified TCAG that it will not seek such an order, or CONTRACTOR has sought and a court has declined to issue a protective order for such information. If CONTRACTOR seeks a protective order for such information, CONTRACTOR shall defend and indemnify TCAG from any and all loss, injury, or claim arising from TCAG'S withholding of the information from the requestor. This includes any attorney's fees awarded to the requestor. The duty of TCAG and CONTRACTOR to maintain confidentiality of information under this section continues beyond the term of this Agreement.

21. ASSIGNMENT/SUBCONTRACTING: Unless otherwise provided in this Agreement, TCAG is relying on the personal skill, expertise, training and experience of CONTRACTOR and CONTRACTOR'S employees and no part of this

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS’
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

Agreement may be assigned or subcontracted by CONTRACTOR without the prior written consent of TCAG, which consent TCAG may grant, delay, deny, or condition in its absolute discretion.

22. DISPUTES AND DISPUTE RESOLUTION: CONTRACTOR shall continue with its responsibilities under this Agreement during any dispute. If a dispute arises out of or relating to this Agreement, or the breach of the Agreement, and if the dispute cannot be settled through negotiation, then the Parties agree first to try in good faith to settle the dispute by non-binding mediation, to be held in Tulare County, California, before resorting to litigation or some other dispute resolution procedure, unless the Parties mutually agree otherwise. The Parties must mutually select the mediator, but in case of disagreement, then the Parties will select the mediator by lot from among two nominations provided by each Party. The Parties will split equally all costs and fees required by the mediator; otherwise each Party will bear its own costs of mediation. If mediation fails to resolve the dispute within 30 days, then either Party may pursue litigation to resolve the dispute.

23. PROPERTY TAXES: Under the terms of California Revenue and Taxation Code section 107.6 (possessory interest tax), CONTRACTOR’S possession or use of any TCAG-owned real property under this Agreement may create a “possessory interest” in the real property. If a possessory interest is created, then it may be subject to property taxation and CONTRACTOR may be subject to the payment of property taxes on that possessory interest.

24. FURTHER ASSURANCES: Each Party will execute any additional documents and perform any further acts that may be reasonably required to effect the purposes of this Agreement.

25. CONSTRUCTION: This Agreement reflects the contributions of all Parties and so the provisions of Civil Code section 1654 will not apply to address and interpret any alleged uncertainty or ambiguity.

26. HEADINGS: Section headings are provided for organizational purposes only and do not in any manner affect the scope, meaning, or intent of the provisions under the headings.

27. NO THIRD-PARTY BENEFICIARIES INTENDED: Unless specifically set forth, the Parties to this Agreement do not intend to provide any other party with any benefit or enforceable legal or equitable right or remedy.

28. WAIVERS: The failure of either Party to insist on strict compliance with any provision of this Agreement will not be considered a waiver of any right to do so, whether for that breach or any later breach. The acceptance by either Party of either performance or payment will not be considered a waiver of any preceding breach of the Agreement by the other Party.

29. ORDER OF PRECEDENCE: In the event of any conflict or inconsistency between or among the body of the Agreement (which includes these “General Agreement Terms and Conditions”) and any Exhibit, Schedule, or Attachment, then the terms and conditions of the body of the Agreement shall prevail.

30. CONFLICT WITH LAWS OR REGULATIONS/ SEVERABILITY: This Agreement is subject to all applicable laws and regulations. If any provision of this Agreement is found by any court or other legal authority, or is agreed by the Parties to be, in conflict with any code or regulation governing its subject matter, only the conflicting provision will be considered null and void. If the effect of nullifying any conflicting provision is such that a material benefit of the Agreement to either Party is lost, then the Agreement may be terminated at the option of the affected Party. In all other cases, the remainder of the Agreement will continue in full force and effect.

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS’
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

31. ENTIRE AGREEMENT: This Agreement represents the entire agreement between CONTRACTOR and TCAG as to its subject matter and no prior oral or written understanding will be of any force or effect. No part of this Agreement may be modified without the written consent of both Parties.

32. ASSURANCES OF NON-DISCRIMINATION: CONTRACTOR must not discriminate in employment or in the provision of services based any characteristic or condition upon which discrimination is prohibited by state or federal law or regulation. The Parties recognize that both CONTRACTOR and TCAG have the responsibility to protect TCAG employees and clients from unlawful activities, including discrimination and sexual harassment in the workplace. Accordingly, CONTRACTOR agrees to provide appropriate training to its employees regarding discrimination and sexual harassment issues, and to promptly and appropriately investigate any allegations that any of its employees may have engaged in improper discrimination or harassment activities. TCAG, in its sole discretion, has the right to require CONTRACTOR to replace any employee who provides services of any kind to TCAG under this Agreement with other employees where TCAG is concerned that its employees or clients may have been or may be the subjects of discrimination or harassment by such employees. TCAG’S right to require replacement of employees under this section does not preclude TCAG from terminating this Agreement with or without cause as provided for under this Agreement. Additional nondiscrimination requirements may be located in Exhibit F or G (related to federally-funded contracts generally, or FTA-funded contracts specifically).

33. DRUG-FREE WORKPLACE POLICY: CONTRACTOR acknowledges that under the Federal Drug-Free Workplace Act of 1989 and the California Drug-Free Workplace Act of 1990, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on TCAG premises. CONTRACTOR agrees that any violation of this prohibition by CONTRACTOR, its employees, agents, or assigns will be deemed a material breach of this Agreement.

34. RECYCLED PAPER CONTENT: To the extent CONTRACTOR’S services under this Agreement include printing services, pursuant to Public Contract Code section 22153, CONTRACTOR shall use paper that meets the recycled content requirements of Public Contract Code section 12209.

EXHIBIT
TO TULARE COUNTY ASSOCIATION OF GOVERNMENTS SERVICES AGREEMENT
ADDITIONAL TERMS & CONDITIONS FOR FEDERALLY-FUNDED CONTRACTS
(Form revision approved 05/10/2018)

FEDERALLY-FUNDED SERVICES. TCAG will be paying for the services to be provided under this Agreement, in whole, or in part, with Federal grant funds, and so the following additional terms and conditions will apply to this Agreement:

(1) Equal Employment Opportunity — Except as otherwise provided under 41 CFR Part 60, if this Agreement meets the definition of “federally assisted construction contract” in 41 CFR Part 60–1.3, then during the performance of this Agreement, CONTRACTOR agrees as follows:

(A) CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(B) CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(C) CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with CONTRACTOR'S legal duty to furnish information.

(D) CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of CONTRACTOR'S commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(E) CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(F) CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(H) CONTRACTOR will include the portion of the sentence immediately preceding paragraph (A) and the provisions of paragraphs (A) through (H) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor.

CONTRACTOR will take such action with respect to any subcontract or purchase order as the TCAG may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided*, however, that in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a sub-contractor or vendor as a result of such direction by the TCAG, then CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States. TCAG further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work.

TCAG agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. TCAG further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, TCAG agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to TCAG under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from TCAG; and refer the case to the Department of Justice for appropriate legal proceedings.

CONTRACTOR and each of its subcontractors shall include the equal opportunity clause in each of its subcontracts.

(2) Davis-Bacon Act, as amended (40 U.S.C. 3141–3148). — If this Agreement involves payment for construction services in excess of \$2,000, then CONTRACTOR must comply with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the Davis-Bacon Act, CONTRACTOR is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the U.S. Secretary of Labor. In addition, CONTRACTOR is required to pay wages not less than once a week. TCAG must provide CONTRACTOR with a copy of the current prevailing wage determination issued by the U.S. Department of Labor with respect to the services to be provided under the subject Agreement. CONTRACTOR’S execution of the subject Agreement constitutes CONTRACTOR’S acceptance of the wage determination. TCAG must report all suspected or reported violations to the Federal awarding agency.

(3) Copeland “Anti- Kickback” Act (40 U.S.C. 3145). — CONTRACTOR must comply with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). Under 40 U.S.C. 3702 of the Act, CONTRACTOR is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(5) Rights to Inventions Made Under a Contract or Agreement — If the Federal award supporting payments for services under this Agreement meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the Agreement is with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” then TCAG and CONTRACTOR recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(6) Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended — If this Agreement involves payments for services in excess of \$150,000, then CONTRACTOR must comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(7) Debarment and Suspension (Executive Orders 12549 and 12689) — By execution of this Agreement, CONTRACTOR certifies to TCAG that it is not a party listed on the government-wide exclusions list in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension,” and is not debarred, suspended, or otherwise excluded from the award of a federally-supported contract under statutory or regulatory authority other than Executive Order 12549.

(8) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) — If this Agreement involves payments for services in excess of \$100,000, then by execution of this Agreement, CONTRACTOR certifies to TCAG that it will not and has not used Federally-appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. CONTRACTOR must also disclose to TCAG in writing any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award.

The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid

waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

(10) Records Retention and Access — Pursuant to 2 CFR §§ 200.333 through 200.337, the following provisions regarding Records Retention and Access will apply to this Agreement:

(A) Retention requirements for records. CONTRACTOR must retain all financial records, supporting documents, statistical records, and all other of its records pertinent to this Agreement for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or TCAG. The only exceptions to the 3 year limit are the following:

(a) If any litigation, claim, or audit is started before the expiration of the 3-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

(b) When CONTRACTOR is notified in writing by TCAG or Federal awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs to extend the retention period.

(c) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition.

(d) When records are transferred to or maintained by TCAG, or Federal awarding agency, the 3-year retention requirement is not applicable to CONTRACTOR.

(e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of CONTRACTOR'S fiscal year in which the program income is earned.

(f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

i. *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to TCAG or the Federal Government to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

ii. *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to TCAG or Federal Government for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(B) Methods for collection, transmission and storage of information. In accordance with the May 2013 Executive Order on Making Open and Machine Readable the New Default for Government Information, the Federal awarding agency and CONTRACTOR should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine readable formats rather than in closed formats or on paper. The Federal awarding agency or TCAG must always provide or accept paper versions of Federal award-related information to and from

CONTRACTOR upon request. If paper copies are submitted, the Federal awarding agency or TCAG must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

(C) Access to records.

(a) Records of CONTRACTOR. The Federal awarding agency, Inspectors General, the Comptroller General of the United States, and TCAG, or any of their authorized representatives, must have the right of access to any documents, papers, or other records of CONTRACTOR which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to CONTRACTOR'S personnel for the purpose of interview and discussion related to such documents.

(b) Only under extraordinary and rare circumstances would such access include review of the true name of victims of a crime. Routine monitoring cannot be considered extraordinary and rare circumstances that would necessitate access to this information. When access to the true name of victims of a crime is necessary, appropriate steps to protect this sensitive information must be taken by both CONTRACTOR and the Federal awarding agency or TCAG. Any such access, other than under a court order or subpoena pursuant to a bona fide confidential investigation, must be approved by the head of the Federal awarding agency or delegate.

(c) Expiration of right of access. The rights of access in this section are not limited to the required retention period but last as long as the records are retained. Federal awarding agencies and TCAG must not impose any other access requirements upon CONTRACTOR.

(11) Small and minority businesses, women's business enterprises, and labor surplus area firms — Pursuant to 2 CFR § 200.321, if any subcontracts are to be let with respect to this Agreement, CONTRACTOR must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps must include: (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists; (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources; (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

If, to meet the objectives of 49 CFR Part 26, an additional exhibit regarding CONTRACTOR's DBE Commitment is incorporated in this Agreement, CONTRACTOR further agrees to the following: Neither CONTRACTOR, sub recipient, nor any subcontractor shall discriminate on the basis of race, color, national origin, or sex in the performance of this contract. CONTRACTOR shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by CONTRACTOR to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to: (1) Withholding monthly progress payments; (2) Assessing sanctions; (3) Liquidated damages; and/or (4) Disqualifying CONTRACTOR from future bidding as non-responsible.
