

Addendum 1: RFP for Website/Mobile Application  
February 11<sup>th</sup>, 2016

**Please note that in the Table of Contents under Project Deliverables the wrong date appears. It says RFP Closing: March 4<sup>th</sup> 2016 ..... 10, it should read RFP Closing: March 11<sup>th</sup>, 2016.... 10**

Are there currently separate budgets for the website and mobile app?

- Currently there are no separate budgets for the website and mobile application. The Town of Slave Lake is looking at these two products as one budget item.

If so, what are the budgets for each component?

- There are no separate budgets for the website and mobile application.

What is the total overall budget for this RFP?

- The overall budget for this RFP is \$35,000.

Does the Mobile Application have to be downloadable?

- The Town of Slave Lake is looking for bidder to show us how best the Town of Slave Lake can reach residents via their cellphones, or tablets. How the bidder sees that potential is up to the bidder.

Can companies from outside Canada apply for this?

- Yes, companies from outside of Canada can apply for this RFP. But we ask that all pricing be in Canadian Dollars.

Do we need to come over to Slave Lake, Alberta for meetings?

- No, during the evaluation stage of the RFP, if we need more information or and meetings we will set them up via Skype. You may have to come to Slave Lake to train staff if that is required by your RFP.

Can we perform the tasks (related to RFP) outside Canada?

- Yes, you can preform tasks outside of Canada related to the RFP.

Can we submit our proposals via email?

- No, any and all RFPs must be submitted via regular postage mail, via courier, or hand delivered. All submissions must be delivered to the Town of Slave Lake before 2:00 PM on March 11<sup>th</sup>, 2016. Any submissions received after that will not be considered.
