Response Specifics:

Opportunity Description:

This Request for Quotations ("the RFQ") issued by the City of Lethbridge (the "City") is an invitation to submit non-binding offers for the provision of Parks - Mobile Application Development as further described in Part 4, for the Rates established in Appendix A. The respondent selected pursuant to this RFQ process will be informed in writing. Respondents not selected will also be informed in writing.

Parks maintains an extensive database of information to share with its users and looks for ways to make this information available. In addition to traditional information sources such as the City Website and published pathway maps; Parks is looking to provide users with GPS-enabled mobile application to download for access to relevant information while they are actively using the parks and pathway systems on the ground. To goal is to create a product that is innovative and highly valuable to Park users while fitting in with the pre-existing suite of City of Lethbridge' application and web-products both in operational compatibility as well as aesthetic identity.
