Subject: Complaint: RFQQ: 1623-583

Ms. Williams,

This email serves as formal complaint for RFQQ 1623-583.

DSHS is asking that bidders must have experience developing mobile application **for a Human Services Governmental entity, specifically for Child Welfare entities**, which is very specific and suggests that DSHS might already has a vendor in mind with this particular experience.

After reviewing the Q&A, it seems that a number of vendors have expressed the same concerns. By listing such specific experience, DSHS is limiting the number of vendors who can response to this RFQQ. We ask that DSHS remove "*Human Services Governmental entity, specifically for Child Welfare*" from the qualifications so vendors have a fair chance to bid on the RFQQ.

If you have any questions, please feel free to reach me at the number listed below.

Thank you,
