**BPA Terms and Conditions**

**Part I: General**

This is a 1 year Blanket Purchase Agreement . The contractor shall provide American Sign Language Interpretation Services, at or near the St Croix National Scenic Riverway for the quoted period of April 1, 2016 through March 31, 2017. Four more option years (for services through March 31, 2021) are available to be exercised at the discretion of the government.

**Purpose:**

Provide ASL-certified interpretation services on a semi-regular basis to a deaf employee. The employee works in the Administration division, which is technical work requiring communication with all park personnel on both sensitive and routine matters, such as personnel management, personal property transactions, etc. Because the employee uses automated systems to manipulate data it is important for the employee to understand the scope of work she is being asked to do – an ASL interpreter is critical in that communication.

**Specifications:**

*Working Conditions:* The work will almost always be performed at the Saint Croix National Scenic Riverway headquarters in Saint Croix Falls, WI with an occasional need to be outside in non-inclement weather on a boat. Most meetings will occur in the headquarters' library, auditorium or an office.

*Working Timeframe:* Meetings will rarely exceed 2 hours, and will occur between 8:30 AM and 5:00 PM, Monday through Friday.

*Reservation Fee:* The NPS will pay an hourly rate for ASL interpretive services, and reservations will be made in 2 hour blocks as most meetings run between 55 and 75 minutes long. Reservations made that exceed 2 hours may require a second interpreter.

*Expectations:* All interpreters must be ASL-certified by the states of Wisconsin since most meetings will occur within the state of Wisconsin. The interpreter must be able to confirm availability within 4 days of receipt of request, but not less than 3 days prior to the reservation start time.

*Cancellations:* Any cancellation initiated by the Saint Croix National Scenic Riverway staff shall be in writing, submitted to the vendor via email, fax or other written format.

*Special Notes:*

- Where applicable an agenda will be provided to the interpreter in advance of the reservation.
- Acronyms and special language (“accounts receivable”) are a regular part of business in Administration. Someone (i.e., meeting chair) will make sure the interpreter knows the acronyms or other special language in advance of the meeting.
- Meetings that occur outside or on a boat may require personal protective equipment (PPE) to be worn. If the interpreter is not able to wear the PPE, they should inform the person making the reservation.

**Contract Details:**

Contract anticipated to be 5 years, a base plus 4 option years to be exercised at the discretion of the Government. Pricing will be provided on the base year contract action and may be negotiated on a year by year basis at the time the Option Year is exercised.

Mileage is estimated to be 3,000 miles per year. Actual mileage will be reimbursed at a rate commiserate with the US General Services Administration Mileage Reimbursement Rate as found at [www.gsa.gov/mileage](http://www.gsa.gov/mileage)

Mileage will be calculated from the vendor's home, office or prior job location to the site where services are being rendered, round trip.

**PART 4 EXECUTIONS**

The Contractor will provide services on an on-call basis and as needed. Contractor will provide an invoice upon completion of services for the day.

Upon receipt, a purchase order for the total cost of the services provided will be created and the information provided to the vendor to invoice in [www.IPP.gov](http://www.IPP.gov). The hours worked shall include the timeframe from arrival to the Park facility, until departure from the Park facility.

**PART 5 SCHEDULES**

Requests for service will be on an as needed basis. The authorized person to make calls for service must be present when services are provided. The authorized person to make delivery calls is Sarah Waterworth, Administrative Officer, 617- 682-0344. (2) Certification. (If the Contracting Officer has identified end products and countries of origin in paragraph (i)(1) of this provision, then the offeror must certify to either (i)(2)(i) or (i)(2)(ii) by checking the appropriate block.)

\_\_\_ (i) The offeror will not supply any end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product.

\_\_\_ (ii) The offeror may supply an end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product. (4) \_\_\_ Have, \_\_\_ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

ASL Services  
**St Croix National Scenic Riverway**

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products* (Executive Order 13126). *(The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).)*
