- I. **PURPOSE:** The City of Charlottesville, Department of Parks & Recreation is seeking proposals from qualified graphic design firms/agencies to assist with the creation of various marketing and communication materials. The Department of Parks & Recreation will work with the qualified offeror on an as-needed basis and cannot guarantee any specific amount of work or make any monetary commitments. The City reserves the right to award contracts to more than one qualified offeror.
- II. **BACKGROUND:** The Charlottesville Parks & Recreation Department is a major department within the City of Charlottesville that offers a variety of services to the citizens of the City of Charlottesville as well as the Central Virginia region. Major facilities include 26 parks, 4 swimming pools, 7 recreation centers, a skate park and an 18-hole golf course. In addition to the facilities, Charlottesville Parks & Recreation also provides a variety of recreational classes and programs in the areas of aquatics, athletics, enrichment, fitness & wellness, outdoor adventure, senior programs and therapeutic recreation. The popular City Market, Farmers in the Park and Holiday Market are also managed by Charlottesville Parks & Recreation.

The Department produces many different types of printed and digital marketing and communication materials each year. The largest design project each year consists of the program guide which is a 64-page full color catalog that publishes three times per year and is highly utilized for recreational program registrations. In addition to the program guide, typical design projects include advertisements, flyers/posters, web banners and various graphics utilized for digital media.

III. **STATEMENT OF NEEDS:**

The offeror will assist the Department of Parks & Recreation with developing, designing and producing a variety of marketing and communication materials. Examples of marketing and communication materials include brochures, magazines, annual reports, advertisements, direct mail pieces, videos, radio commercials, television commercials, websites, logos, press kits, Point of Sale displays, banners, e-mail templates or any other materials needed.

GENERAL NEEDS:

1. The offeror will work under the direction of the Business and Marketing Manager.
2. The offeror will supply the Business and Marketing Manager with a written quote for each project. The Business and Marketing Manager will approve/deny or modify the quote before work commences.
3. The offeror will supply the Business and Marketing Manager with digital outputs of the final design files. Examples include .pdf, .jpeg, .tiff, .eps or any other type that is requested.
4. Charlottesville Parks & Recreation will manage and purchase all advertisements created by the offeror.
5. Charlottesville Parks & Recreation owns and has full and unlimited rights to all marketing materials created by the offeror.
6. The offeror shall provide Charlottesville Parks & Recreation with the master files to all marketing materials created by the offeror.

IV. **PROPOSAL PREPARATION AND SUBMISSION INSTRUCTIONS:**

A. **GENERAL INSTRUCTIONS:**

1. **RFP Response:** In order to be considered for selection, offerors must submit a complete response to this RFP. One (1) original and (3) copies of each proposal along with an electronic copy of the proposal on CD either in Microsoft Word or PDF format must be submitted to the City as a complete sealed proposal. No other distribution of the proposal shall be made by the offeror.
2. **Proposal Preparation:**
 - a. Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in the City of Charlottesville requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information

may be rejected by the City. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

- b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.
 - c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
 - d. As used in this RFP, the terms "must", "shall", "should" and "may" identify the criticality of requirements. "Must" and "shall" identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as "should" or "may" are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the RFP, some individual "must" and "shall" items may not be fully satisfied, but it is the intent to satisfy most, if not all, "must" and "shall" requirements. The inability of an Offeror to satisfy a "must" or "shall" requirement does not automatically remove that Offeror from consideration; however, it may seriously affect the overall rating of the Offerors' proposal.
 - e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.
 - f. Ownership of all data, materials, and documentation originated and prepared for the City pursuant to the RFP shall belong exclusively to the City and be subject to public inspection in accordance with the *Virginia Freedom of Information Act*. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the *Virginia Freedom of Information Act*; however, the offeror must invoke the protections of § 2.2-4342F of the *Code of Virginia*, in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable.
 - g. All costs of proposal preparation and presentation shall be borne by each offeror. The City is not liable for any cost incurred by the offeror prior to issuance of a contract.
3. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the City. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The City will schedule the time and location of these presentations. Oral presentations are an option of the City and may or may not be conducted.
- B. SPECIFIC PROPOSAL INSTRUCTIONS: Proposals should be as thorough and detailed as possible so that the City may properly evaluate your capabilities to provide the required goods/services. Offerors are required to submit the following items as a complete proposal:
- 1. Section 1 – Experience and Qualifications: A written narrative statement to include:

Any bidder or offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid or proposal a statement describing why the bidder or offeror is not required to be so authorized.

A. EVALUATION CRITERIA: Proposals shall be evaluated by the City of Charlottesville using the following criteria:

1. **Experience and Qualifications (30%)**: The ability, experience, and continuity of the proposed staff, consultants, and sub-consultants to be assigned to the project including the capability of the required staff, consultants, and sub-consultants to perform the services needed within the timeframe designated to provide the solution to the City. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among all the offerors on the basis of the evaluation criteria, including price. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the City Manager or Purchasing Agent shall select the offeror which in their opinion has made the best proposal, and shall award the contract to that offeror. Should the City Manager or Purchasing Agent, as appropriate, determine in writing and in their sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. EE. PAYMENT:

A. To Prime Contractor:

- a. The City shall promptly pay for completed delivered goods or services by the required payment date. The required payment date shall be either: (i) the date on which payment is due under the terms of a contract for the provision of goods or services, or (ii) if a date is not established by contract, not more than 45 days after goods or services are received or not more than 45 days after an invoice is rendered, whichever is later. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial executions or deliveries to the extent that the contract provides for separate payment for partial execution or delivery. Within 20 days after the receipt of an invoice for goods or services, the City shall notify the supplier of any defect or impropriety that would prevent payment by the required payment date. In the event that the City fails to make payment by the required payment date, the City shall pay any finance charges assessed by the supplier that shall not exceed one percent per month. In cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made.

- e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the City shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve a city department of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia*, § 2.2-4363).

B. To Subcontractors:

- a. A contractor awarded a contract under this solicitation is hereby obligated:

- (1) To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the City for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
- (2) To notify the City and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.

- b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the City, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the City.
