Bidders may withdraw their bids at any time prior to the date and hour specified in the advertisement for the receipt of bids. However, no bidder shall withdraw or cancel his bid for a period of ninety (90) calendar days after the advertised date and hour for the receipt of bids.

7. RESPONSIBILITY OF BIDDER:

The Authority reserves the right to refuse to accept any bid from any person, firm or corporation that is, or an affiliate is, in arrears or is in default to the Chicago Transit Authority upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligations to the Authority, or had failed to perform faithfully any previous contract with the Authority.

The bidder, if requested, must present within two (2) business days, evidence satisfactory to the Procurement Administrator, of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and Contract Documents.

8. CONSIDERATION OF BIDS:

The Authority reserves the right to extend the bid opening date and to reject any or all bids or any part thereof. The Authority further reserves the right to excuse informalities in the bids and bidding when, in the judgment of the Authority, the best interests of the Authority will be served and the spirit of competition will be maintained. If only one(1) bid is received, a cost or price analysis and evaluation and/or audit shall be performed of the single bidder's cost breakdown in order to determine if pricing is fair and reasonable.

9. ORDER OF PRECEDENCE OF BEST PRICE:

In determining the best price, the Authority reserves the right to consider the bids in the following order of precedence:

- A. Firm fixed price or charge;
- B. Base price or charge plus/minus escalation specified in Special Conditions, if any;
- C. Base price or charge plus/minus maximum percent or dollar escalation.

10. NEGOTIATED CONTRACTS:

The Authority reserves the right to reject all bids received, and may, but is not required to, negotiate a contract with any responsible bidder(s), if the bids received are at unreasonable prices but otherwise acceptable, or for other reasons determined to be clearly in the public's best interest and in accordance with established guidelines.

In the event that negotiations are conducted, the Authority or its duly authorized representative shall have the right to examine and audit books, records, documents and other evidence and accounting procedures and practices, sufficient to reflect properly all costs claimed to have been incurred or anticipated in performing the Contract. The Contractor agrees to include in first-tier subcontracts (or other subcontracts where a substantial portion of the work is being performed) a clause to the effect that the Authority or duly authorized representatives have access to and the right to examine any of the Subcontractor's directly pertinent books, documents, papers, or other records involving transactions related to the subcontract.

11. ACCEPTANCE OF BIDS:

The Authority will accept in writing one or more of the bids or reject all bids within ninety (90) calendar days from the date of opening the bids, unless the lowest responsible bidder, upon request of the Procurement Administrator, extend the time of acceptance.

The Contract shall not be in force and effect until it has been executed by the Authority's signatory duly authorized by the Authority's regulations, bylaws, and procedures.

12. PERFORMANCE-PAYMENT BOND AND INSURANCE:

When required by the Contract Documents, the successful bidder or bidders shall, within ten (10) business days after acceptance of the bid by the Authority, furnish any applicable performance or payment bonds in the full amount of the Contract on an approved American Institute of Architects (A.I.A.) bond form and/or furnish and keep in force, during the life of the Contract, any and all insurance in amounts designated, as provided in the Insurance Requirements, form CTA 415.27 (Revised) attached hereto, with insurance companies acceptable to the Chicago Transit Authority. In the event that the bidder fails to furnish the performance-payment bond and/or insurance requirements in said period of ten (10) business days after acceptance of the bid, then, the bid deposit of the bidder may be retained by the Authority. The bid deposit may be used as liquidated damages, not as a penalty, to partially cover costs and losses by the Authority.

14. INTERPRETATION OF CONTRACT DOCUMENTS:

If any person contemplating submitting a bid is in doubt as to the meaning of any part of the Contract Documents, written request for an interpretation thereof may be submitted to the Procurement Administrator. The person submitting the request will be responsible for its prompt delivery. Any change or interpretation of the proposed documents will be made only by Addendum duly issued by the Procurement Administrator. Addendums shall be posted on www.transitchicago.com, and the Procurement Administrator will use good faith efforts to notify by email, or by mail if requested in writing, each person who has registered on www.transitchicago.com to receive the Contract Documents, or otherwise was provided the Contract Documents by the Authority, of such Addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of bid. Oral explanation will not be binding. **Bidder must acknowledge receipt of each addendum issued in space provided on the signature page of Bid Documents.**

15. CATALOGS:

Subsequent to bid opening, when requested by the Procurement Administrator, each bidder shall submit in **DUPLICATE**, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, appointments, and finishes, necessary to fully describe the material or work he proposes to furnish. This information will be furnished to the Authority within ten (10) calendar days from date of request. Failure to furnish this information may result in the disqualification of the Bid.

16. TRADE NAMES:

In cases where an item is identified by a manufacturer's name, trade name, catalog number, or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated by the bid.

The reference to the manufacturer's name, trade name, catalog number, or reference, is intended to be descriptive but not restrictive and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states on the face of his bid exactly what he proposes to furnish, or forwards with the bid, a cut, illustration, or other descriptive matter which will clearly indicate the character of the article covered by his bid.

The Procurement Administrator, hereby reserves the right to approve an "equal" or to reject as not being an "equal," any article the bidder proposes to furnish which contains variations from specification requirements.

17. RETURN OF BID DEPOSIT:

The bid deposit of all bidders, except the two apparent lowest bidders on each contract, will be returned within ten (10) calendar days after the opening of bids. The bid deposit of the two (2) apparent lowest bidders will be returned after the bid has been accepted by the Authority including the acceptance by the Authority of satisfactory performance-payment bond and/or insurance where such bond or insurance are required.

Within ten (10) calendar days after the date of opening of bids a bidder may request that a bid bond be substituted for the bid deposit. The Procurement Administrator may allow substitution of a bid deposit upon application in writing thereof, and submittal of a bid bond in an amount equal to the bid deposit. Any bid bond submitted must reference the specific CTA inquiry number and have an Alfred M. Best Company "B+" Policyholders Rating and an "X" Financial Rating.

The period of the bond must be for not less than ninety (90) calendar days from the date of bid opening.

18. TAXES:

All bid materials and any subsequent contract (including any later amendments thereto) will be subject to public disclosure under FOIA upon request, without any further notice to you, after the successful bidder and the Authority have executed a written contract. The Authority may also publish the content of the bid materials and any subsequent contract in connection with this procurement, in whole or in part, on its website or in any other format without any further notice to you.

If you have any questions regarding the FOIA process at the Authority, please contact the Authority's Freedom of Information Officer at (312) 681-2809 or via e-mail at FOIA@transitchicago.com.

Unless otherwise defined herein, words, terms and phrases shall have the meanings ascribed in the Requirements for Bidding and Instructions to Bidders, and the rules for contractual interpretation therein shall apply.

2. DELIVERY:

Unless otherwise specified in the Special Conditions, all materials shipped to the Authority must be shipped F.O.B. destination location. If prior delivery notification is specified, arrangements must be made by the vendor with the Authority's designated receiving location at least twenty-four (24) hours in advance to arrange for receipt of the materials. The material must then be delivered where directed and as agreed upon.

Unless otherwise specified or agreed upon, truck deliveries to 567 W. Lake Street, Chicago, IL 60661-1465 shall be made between 8:00 A.M. and 4:00 P.M. on weekdays, and to other locations between 7:00 A.M. and 3:00 P.M. on weekdays. No deliveries will be accepted on Saturdays, Sundays or Holidays.

The quantity of material delivered by truck shall be ascertained from a weight certificate issued by a duly licensed Chicago Public Weigh-Master upon request. In the case of delivery by rail, weight will be ascertained from bill-of-lading from originating line, but the Authority reserves the right to re-weigh at the nearest available railroad scale.

To the extent that any federal funds are utilized in this Contract, whenever shipping any equipment, materials, or commodities pursuant to this Contract, the Contractor shall utilize privately-owned United States-flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved to the extent that such vessels are available at fair and reasonable rates. The Contractor shall furnish a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in this paragraph to the Authority and to the Division of National Cargo, Office of Market Development, Maritime Administration, 400 Seventh Street, S.W., Washington, D.C., 20590, marked with appropriate identification of the project. The Contractor shall furnish this bill-of-lading within twenty (20) business days following the date of loading for shipments originating within the United States, or within thirty (30) business days following the date of loading for shipments originating outside the United States.

3. DEMURRAGE AND RE-SPOTTING:

The Authority will be responsible for demurrage charges only when such charges accrue because of the Authority's failure to unload the material after it has been determined that the material is in compliance with the Contract Documents. The Authority will pay railroad charges due to the re-spotting of cars only when such re-spotting is ordered by the Authority.

4. MATERIALS INSPECTION AND RESPONSIBILITY:

The Contact Person shall have the right to inspect any materials to be used in carrying out this Contract. The Authority does not assume any responsibility for the availability of any controlled materials or other materials and equipment required under this Contract. All materials and equipment furnished under this Contract shall be new, unless otherwise specifically stated. The Contractor shall be responsible for the contracted quality and standards of all materials, components or completed work furnished under this Contract. Materials, components or completed work not complying therewith may be rejected by the Contact Person and shall be replaced by the Contractor at no cost to the Authority. Any materials or components rejected shall be removed within a reasonable time from the premises of the Authority, at the Contractor's sole expense, after written notice has been mailed by the Authority to the Contractor that such materials or components have been rejected.

5. TITLE AND RISK OF LOSS:

Legal title to the materials or other goods for which the Authority acquires title under the Contract shall pass to the Authority upon the soonest of (i) payment by the Authority, and (ii) delivery to the destination location. Contractor warrants and guarantees that legal title shall pass to the Authority free and clear of any and all encumbrances, security interests or liens. Contractor retains risk of loss until acceptance by the Authority.

6. PAYMENT:

Payment to Contractor shall be as specified in Special Conditions of this Contract. The Authority retains the right to set off payments due under this Contract against any payments due or to become due under any other contract that the Contractor or any affiliate thereof may have with the Authority.

In the event that this Contract includes an escalation provision, the Contractor must provide evidence satisfactory to the Authority which justifies any and all price or charge increases / decreases provided under the escalation provision on or prior to the first invoice which reflects the new price or charge.

7. CASH BILLING DISCOUNT:

Cash billing or percentage discount for payment of invoices within a specified period of time will not be considered by the Authority in evaluating bids. When determining if it has earned a cash billing discount offered by the Contractor, the Authority will consider the period from the date of the invoice plus two business days for mailing or the date of receipt of the goods or services, whichever is later, to the date the check is mailed in payment of the invoice. If a discount period ends on a Saturday, Sunday or legal holiday, the discount periods will be extended to the next succeeding workday.

8. INVOICES:

Invoices must be sent to the Chicago Transit Authority, Accounts Payable, 567 W. Lake Street, Chicago, IL 60661-1465. Invoices must bear the order number and, if an annual contract, release number as issued. Invoices must not cover more than one order or release number.

9. PRICE REDUCTION:

If the Contractor to whom a contract has been awarded makes a general price reduction effective on or after the date of its bid in the comparable price of any material covered by this Contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this Contract for the duration of the term (or until the price is further reduced). Such price reductions shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For the purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered—(1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this Contract. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall invoice the Authority as such reduced prices, indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the Contract Documents. The Contractor, in addition, shall within ten (10) calendar days of any general price reduction notify the Procurement Administrator of such reduction by letter. Failure to do so may result in termination of this Contract, without prejudice to any other remedies of the Authority.

The Contractor, when required by the Procurement Administrator within ten (10) calendar days after the end of the term, shall furnish a statement certifying either—(1) that no general price reduction, as defined herein, was made after the date of the bid or offer, or (2) if any such general price reductions were made, that, as provided herein, they were reported to the Procurement Administrator within ten (10) calendar days, and the Authority was billed at the reduced prices. Where one or more such general price reductions were made, the statement furnished by the Contractor shall include, with respect to each price reduction: (1) the date when notice of any such reduction was issued, (2) the effective date of the reduction, and (3) the date when the Procurement Administrator was notified of any such reduction.

10. PROMPT PAYMENT TO SUBCONTRACTORS:

The Contractor is required to pay all Subcontractors for all work that the Subcontractor has satisfactorily completed, no later than fourteen (14) calendar days after the Contractor has received payment from the Authority. In addition, any retainage amounts must be paid by the Contractor to the Subcontractor no later than fourteen (14) calendar days after the Subcontractor has, in the opinion of the Contact Person, satisfactorily completed its portion of the work. The requirements of this paragraph must be stated in all of the Contractor's subcontracts.

A delay in or postponement of payment to a Subcontractor requires good cause and prior written approval of the General Manager, Purchasing. The Contractor is required to include, in each subcontract, a clause requiring the use of appropriate arbitration mechanisms to resolve all payment disputes.

The Authority will not pay the Contractor for work performed unless and until the Contractor ensures that Subcontractors have been promptly paid for the work they have performed under all previous payment requests, as evidenced by the filing with Authority of lien waivers (if applicable), canceled checks (if requested), and the Contractor's sworn statement that it has complied with the prompt payment requirements. The Contractor must submit a prompt payment affidavit, (form to be provided by the Authority) which identifies each Subcontractor (both DBE and non-DBE) and the date and amount of the last payment to such Subcontractor, with every payment request filed with Authority, except for the first payment request.

Failure to comply with these prompt payment requirements is a breach of the Contract which may lead to any remedies permitted under law, including, but not limited to, Contractor debarment. In addition, Contractor's failure to promptly pay its Subcontractors is subject to the provisions of 50 ILCS 505/9.

11. GUARANTEES AND WARRANTIES:

All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Procurement Administrator before final payment on the contract is issued.

12. INDEMNIFICATION:

The Contractor agrees to protect, defend, indemnify, and hold the Authority, its Board members, officers, officials, representatives, and employees (hereafter "the Indemnified Parties"), free and harmless from and against any and all claims, damages, demands, fines, penalties, or losses, including damages for personal or bodily injury or death, in consequence of the granting of this Contract or arising out of or being in any way connected with the Contractor's performance under this Contract (collectively, "Losses"), except to the extent that the Loss is found by a court of competent jurisdiction to be solely caused by the negligence or willful misconduct of the Indemnified Party. The indemnity provided herein will be effective to the maximum extent permitted by applicable law and extends to all legal costs, including reasonable attorney fees, incurred in defense of a Loss. This indemnity is not limited by any amount of insurance required under this Contract, and, to the extent permissible by law, Contractor waives any statutory limits on its obligations to indemnify the Indemnified Parties. Upon tender by the Authority, the Contractor shall be solely responsible for the defense of any and all claims, demands, or suits against an Indemnified Party related to any Loss (including without limitation claims by Contractor's employees, subcontractors, agents, or servants) even though the claimant may allege negligence or willful misconduct by the Indemnified Party. The Authority will have the right, at its sole option, to participate in the defense of any such claim, demand or suit, without relieving the Contractor of its obligations hereunder. The Contractor will promptly provide, or cause to be provided, to the Authority's General Counsel, copies of such notices as Contractor may receive in respect of any Losses. The indemnity contained in this section will survive the expiration or termination of this Contract.

13. TERMINATION FOR CONVENIENCE:

The Authority may terminate this Contract, in whole or in part, without cause and at any time, by written notice to the Contractor from either the General Manager, Purchasing or Vice President, Purchasing & Supply Chain, whenever the Authority determines that such termination is in the best interest of the Authority. The notice will specify the extent to which the Contract is being terminated, the effective date of termination, and the disposition of any deliverables or other property to be provided under the Contract that may be in progress and still in the Contractor's possession or control at the time of termination. Upon receipt of written notice of

termination, Contractor agrees to take such action as may be reasonably requested by the Authority for the orderly closeout and transition of the services or work, including making every reasonable effort to obtain cancellation of subcontracts, or, at the Authority's request, cause the assignment of any such subcontracts to the Authority or its designee upon terms satisfactory to the Authority. Contractor shall mitigate any costs incurred with respect to the services, work or delivery of goods being terminated; the Authority will have no liability for costs that could have been reasonably mitigated by Contractor.

The Contractor shall submit an invoice within sixty (60) days of such termination in full payment for the services, work or goods which were furnished to the satisfaction of the Authority prior to the effective date of termination and for which no previous invoice was submitted to the Authority. Such invoice shall conform to the compensation provisions of this Contract for those services, work or goods that were satisfactorily provided prior to termination, prorated as necessary for any partial performance or delivery if payment was to be made on a lump sum or periodic basis. The Contractor may also include in its invoice certain costs not contemplated by the Contract's compensation provisions that are incurred solely as a result of the Authority's termination for convenience, such as re-stocking charges by Contractor's suppliers for goods that had been ordered by the Authority prior to the Contractor's receipt of notice of termination, but only to the extent that they are reasonable and documented to the satisfaction of the Authority. Any disagreement between the Authority and the Contractor as to the amount of the invoice will be resolved pursuant to the disputes provision of the Contract. In no event will the Contractor be entitled to lost profits for the services, work or goods that were terminated, or be entitled to greater than the amount that it would have been paid had the Contract not been terminated.

14. TERMINATION FOR CAUSE:

The Authority may, by written notice to the Contractor from either the General Manager, Purchasing or Vice President Purchasing & Supply Chain, declare the Contractor in default of this Contract, in whole or in part, in the following circumstances:

- (a) If the Contractor fails to perform services or work, or fails to deliver goods, as applicable, within the time frames set forth in this Contract;
- (b) If the Contractor fails to perform services or work, or fails to deliver goods, as applicable, that are compliant with standards of performance and/or technical specifications set forth in this Contract;
- (c) If the Contractor fails to perform any other obligation or keep any other covenant required to be performed or kept by Contractor pursuant to the Contract.

Upon receipt of notice of default, Contractor shall have ten (10) calendar days (or such longer period of time as may be authorized by the Authority in its notice of default, or shorter if required under the circumstances) to cure the event of default. If Contractor fails to cure within such time, then in addition to any other remedies available to the Authority at law or in equity, the Authority may terminate this Contract, in whole or in part. In the event of termination, Contractor's performance hereunder shall cease, and the Contractor shall prepare a final invoice reflecting the services, work or goods actually furnished to the satisfaction of the Authority that have not appeared on a previous invoice within sixty (60) days of such termination. The Contractor agrees to take such action as may be reasonably requested by the Authority for the orderly closeout and transition of the services or work at its cost, including making every reasonable effort to obtain cancellation of subcontracts, or, at the Authority's request, cause the assignment of any such subcontracts to the Authority or its designee upon terms satisfactory to Authority. The Authority agrees to pay the Contractor, in accordance herewith and as reflected on said invoices, for services actually furnished, less payment of any compensation previously paid and less any cost or damage incurred by the Authority as a result of such default, including; without limitation, any amounts necessary to obtain suitable substitute or replacement contractors whose costs are in excess of the payments that would have been due to the Contractor if the Contractor had satisfactorily performed the remainder of the Contract, as sole compensation for such termination. In the event that termination by the Authority for cause is determined by a court of competent jurisdiction to have been wrongful, it will be deemed to be a termination for convenience.

15. NOTICE:

All communications and notices under this Contract shall be in writing, delivered personally or by mail to the name and address of the accepted bidder as provided on the signature page of the bid hereof, or to the Chicago Transit Authority. Attention, General Manager, Purchasing, 567 W. Lake Street, Chicago, IL 60661-1465, as applicable. Notices delivered by mail will be deemed effective three (3) days after mailing in accordance with this section. Notices delivered personally will be deemed effective upon receipt. The Contractor's attention is called to the provisions of the Illinois Human Rights Act, which are hereby incorporated by reference.

To demonstrate compliance, the Contractor and its Subcontractors will furnish such reports and information as requested by the Authority or any Federal, State or local government or agencies that may require such information as a condition of financial assistance in whole or in part.

17. DISADVANTAGED BUSINESS ENTERPRISES:

All parties are hereby notified that in regard to any contract resulting from this solicitation, Disadvantaged Business Enterprises will be afforded full opportunity to participate, and will not be discriminated against because of race, color, sex, or national origin in consideration for an award.

18. INELIGIBLE CONTRACTORS:

Contractor hereby certifies that neither it nor any of its Subcontractors are currently debarred for violations of any applicable public contracts incorporating labor standards provisions or included on any applicable list thereof, including without limitation the General Service Administration's System for Award Management, the Illinois Department of Transportation's Suspension List, the Illinois Department of Labor Public Works Debarred Contractors List, the Illinois Department of Human Rights Debarred Companies List, the City of Chicago's List of Debarred Firms and Individuals, or the Authority's Suspension and Debarments Report.

19. PROHIBITED INTERESTS AND CONFLICTS OF INTEREST:

No members of, or delegate to, the Illinois General Assembly or the Congress of the United States shall be admitted to any share or part of this contract or to any benefit arising therefrom. No member, officer, or employee of the Authority or any other local public body with financial interest or control in this contract during his or her tenure or for one year thereafter shall have any interest, direct or indirect, in this contract or to the proceeds thereof.

The Contractor is prohibited from performing any work or services for the Authority that conflict with work or services that the Contractor performs under any other contract with the Authority. The Contractor covenants that it, its members, affiliates and Subcontractors, and the officers, directors and employees of the foregoing, have no interest and must not acquire any interest, direct or indirect, in the work to which this Contract pertains, which would conflict in any manner or degree with the performance of the work hereunder.

20. ENVIRONMENTAL AND ENERGY PROTECTION AND CONSERVATION REQUIREMENTS:

The Contractor shall comply with all federal, state and local statutes, ordinances, regulations and rules as now existing or later amended, relating to environmental quality, health, safety, contamination and cleanup, in

connection with the performance of this Contract, including, without limitation, (1) the Clean Air Act (42 U.S.C. § 7401 *et seq.*), (2) the Federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*), (3) the Occupational Safety and Health Act, 29 U.S.C. §651 *et seq.*, (4) the Resource Conservation and Recovery Act (42 U.S.C. § 6962), including but not limited to the regulatory provisions of 40 C.F.R. Part 247., (5) the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. § 6321 *et seq.*), and (6) applicable FTA and DOT environmental regulations. Where there are federal, state and local requirements, the most restrictive criteria shall govern.

21. MINIMUM WAGE:

Contractor and its Subcontractors must comply with Section 1.10 of the Authority's Procurement Policy & Procedures ("Minimum Wage Policy") and any regulations promulgated in pursuant thereof, to provide for a fair and adequate minimum wage to be paid to certain employees of certain Authority contractors and subcontractors, as described below. As of November 15, 2014, the minimum wage to be paid pursuant to the Minimum Wage Policy is \$13.00 per hour ("Minimum Wage"). This minimum hourly wage is subject to adjustment on July 1 of every year based on the Consumer Price Index.

The Minimum Wage must be paid to:

- (1) all Contractor and Subcontractor employees performing work or services on property owned or controlled by the Authority or at any other location specified by the Authority in the Contract as the location for performance of the work or services;
- (2) those Contractor and Subcontractor employees who are directly performing work or services for which the Authority pays the Contractor an hourly rate or a per piece work rate for work; and
- (3) those Contractor and Subcontractor employees who fulfill the Authority's requirement for the Contractor to provide specified work hours or a specified number of workers;

however; the Minimum Wage requirement does not apply :

- (a) to valid IRS Code Section 501(c)(3) not-for-profit organizations;
- (b) with respect to any employee:
 1. whose work or services are performed in general support of the Contractor's or Subcontractor's operations,
 2. do not directly relate to the work or services provided to the Authority under the Contract,
 3. are either not included in the Contract price or are included in the Contract price as overhead, and
 4. that employee's regularly assigned work location does not fall within category #1 above;
- (c) to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 *et seq.*, as amended; but does apply to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law; and
- (d) to employees subject to a collective bargaining agreement that provides for different wages than those required by the Minimum Wage Policy, provided that collective bargaining agreement was either in force prior to November 15, 2014 or, if negotiated after November 15, 2014, clearly and specifically waives the requirements of the Minimum Wage Policy.

Contractor and its Subcontractors must cooperate in any investigation by the Authority regarding compliance with the Minimum Wage Policy. Failure of the Contractor or any of its Subcontractors to comply with the Minimum Wage Policy or to cooperate in such an investigation is grounds for the Authority declaring the Contractor in default of this Contract and exercising such remedies as the Authority deems appropriate. Contractor must include this provision in all subcontracts and cause its Subcontractors to comply with its requirements.

If this Contract includes any provisions (including, but not limited to, Davis-Bacon Act or Illinois Prevailing Wage Act) requiring payment of higher wages than required by the Minimum Wage Policy, then the Contractor and its subcontractors shall pay the higher wages required by such provisions.

22. PATENT RIGHTS:

To the extent required by the FTA rules and regulations, the Federal Government is entitled to a non-exclusive, royalty free license to use any invention resulting from this Contract, or patent to the invention, for Federal Government purposes.

23. NO OBLIGATION BY THE FEDERAL GOVERNMENT:

The Contractor acknowledges and agrees that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Contractor, or any other party pertaining to any matter resulting from the underlying contract.

24. ACCESS TO RECORDS AND REPORTS:

The Contractor shall maintain its books, records, documents, and other evidence, and adopt accounting procedures and practices sufficient to properly reflect all costs of whatever nature, and provide the Authority, the DOT, the FTA Administrator, the Comptroller General of the United States, or the State of Illinois or any other authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purposes of making audits, examination, excerpts and transcriptions, from the date of this Contract through and until the expiration of five (5) years after completion of this Contract, or in the event of litigation or settlement of claims arising from the performance of this Contract, until the final disposal of all such litigation, appeals, claims, or exceptions related thereto, if longer.

No provision in this Contract granting the Authority a right of access to records and documents is intended to impair, limit, or affect any right of access to such records and documents that the Authority would have had in the absence of such provisions.

25. FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS:

The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 *et seq.* and U.S. Department of Transportation and FTA regulations, "Program Fraud Civil Remedies", 49 C.F.R. Part 31, may apply to its actions pertaining to this Contract.

By submitting a proposal and execution of the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it may make, or causes to be made, pertaining to the Contract Documents. In addition to other penalties that may be applicable the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor. The Contractor also acknowledges that it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 on the Contractor, to the extent the Federal Government deems appropriate. The Contractor agrees to include the above language in each subcontract without modification, except to identify the subcontractor who will be subject to the provisions.

26. ETHICS:

The Contractor agrees to comply with all applicable requirements of the Illinois State Officials and Employees Ethics Act, 5 ILCS 430/1-1 *et seq.*, ("Ethics Act"), as it may be amended from time to time, the applicable provisions of which are incorporated into this Contract to the same force and effect as if set forth in full herein. As required by the Ethics Act, as amended, the Contractor agrees to cooperate fully and expeditiously with

the State Office of the Executive Inspector General in all investigations. This obligation applies to all officers, directors, agents, partners, employees, and subcontractors of the Contractor.

The Contractor must comply with Authority Ordinance No. 004-76, as amended, the Authority Ethics Ordinance, the provisions of which are hereby incorporated into this Contract. The Contractor agrees that, as provided by Section 5.3 of the Ethics Ordinance, any Contract negotiated, entered into, or performed in violation of the Ethics Ordinance shall be voidable as to the Authority.

27. PRIVACY ACT:

The Contractor agrees to comply with, and assure the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 USC § 552a. The Contractor agrees to obtain the express consent of the Federal Government before the Contractor or its employees operate a system of records on behalf of the Federal Government. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of the Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

28. OBLIGATION TO COMPLY WITH STATE AND FEDERAL LAW AND REGULATIONS:

The Contractor must at all times comply with all applicable IDOT, RTA and FTA regulations, policies, procedures, and directives, including without limitation, in each case to the extent applicable, those listed directly or by reference in the "Master Agreement" between the Authority and FTA, and any agreements between IDOT and RTA and RTA and CTA, or other applicable funding source, as they may be amended or promulgated from time to time during the term of this Contract. The Contractor's failure to so comply will constitute a material breach of this Contract.

29. INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION TERMS:

The preceding provisions include, in part, certain Standard Terms and Conditions required by the DOT, whether or not expressly set forth in the preceding contract provisions. To the extent the DOT is a funding source of this Contract, all contractual provisions required by the DOT, as set forth in the latest revision of FTA Circular 4220.1, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms will be deemed to control in the event of a conflict with other provisions contained in this Contract. The Contractor must not perform any act, fail to perform any act, or refuse to comply with any Authority requests that would cause the Authority to be in violation of the FTA terms and conditions.

30. DISPUTES:

Except as otherwise provided in this contract, any dispute concerning a question of fact arising under this Contract which is not disposed of shall be decided after hearing by the Vice President, Purchasing & Supply Chain, who shall reduce the decision to writing. This decision shall be final and binding. A copy of the decision shall be communicated to the Contractor as herein provided. The remedies under the terms of this Contract are not exclusive of any other remedy. Each and every remedy is cumulative and in addition to any other remedy, existing now or hereafter, at law, or in equity.

31. ORDER OF PRECEDENCE:

The order of precedence of the component parts of the Contract Documents shall be as follows:

- | | |
|---|----------------------------|
| 1. General Conditions | 6. Advertisement for Bids |
| 2. Special Conditions | 7. Instructions to Bidders |
| 3. Plans and Drawings, if any | 8. Bond, if required |
| 4. Detailed Specifications | 9. Insurance, if required |
| 5. Bid and Signature and Acceptance forms | |

Any Addenda, which may be issued, shall be a part of the Contract Documents and shall take precedence over any other part of the Contract Documents wherever they conflict therewith.

The foregoing order of precedence shall govern the interpretation of the Contract Documents in all cases of conflict or inconsistency therein, except as may be otherwise expressly provided in other component parts of the Contract Documents.

32. NO WAIVER; CUMULATIVE REMEDIES:

No failure to exercise, and no delay in exercising, any right, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude or require any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies under the terms of this Contract are not exclusive of any other remedy. Each and every remedy is cumulative and in addition to any other remedy, existing now or hereafter, at law, or in equity.

33. SEVERABILITY:

If any provision of this Contract shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or sections contained in this Contract shall not affect the remaining portions of this Contract or any part thereof.

34. EXECUTION:

All businesses which submit responses or bids and all businesses awarded contracts by the Authority are hereby notified that no contract, modification, amendment, change order or extension, if any, shall be effective, or in any way obligate the Authority, until it has been executed by the Authority's signatory duly authorized by the Authority's regulations, bylaws, and procedures.

35. SUBLETTING OR ASSIGNMENT OF CONTRACT OR CONTRACT FUNDS:

Neither this Contract nor any funds or claims in connection herewith shall be assigned or sublet in whole or in part without the prior written approval of the Vice President, Purchasing & Supply Chain, and in no case shall such written approval relieve the Contractor from its obligations or change the terms of the Contract Documents. The Contractor must include all applicable requirements in any subcontract.

36. PARTICIPATION BY OTHER AGENCIES:

In the event that other local government agencies negotiate their own agreements with the Contractor based on the terms and conditions in this Agreement, such other agencies will issue their own contracts directly to the Contractor. Participation by other agencies shall have no adverse effect on the Authority. The Authority will not be responsible for any obligation due from any other agency to the Contractor. The Authority will have no liability for the acts or omissions of any other agency.

Prior to entering into a contract with another agency in connection with this provision, the Authority recommends, but does not require, that the Contractor ask the other agency to confirm that it has determined that use of this provision is in compliance with all applicable procurement rules and regulations, including the rules and regulations of any grantor such as the Federal Transit Administration. The Authority makes no warranty or representation that the Authority's selection process for this Contract will achieve such compliance.

37. GOVERNING LAW:

This Contract will be governed in accordance with the laws of the State of Illinois, without regard to choice of law principles.

38. ENTIRE AGREEMENT:

The Contract Documents shall constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations shall be implied or impressed upon these Contract Documents that are not expressly addressed herein.

**SPECIAL CONDITIONS
DISADVANTAGED BUSINESS ENTERPRISE COMMITMENT
INVITATION FOR BIDS
REQUISITION NUMBER: B15OP03246**

I. POLICY AND TERMS

- A. The policy of the Chicago Transit Authority is to create a level playing field on which Disadvantaged Business Enterprises (DBE) as defined in United States Department of Transportation (USDOT) Regulation 49 C.F.R. Part 26 can compete fairly for CTA contracts, regardless of funding source.
- B. The Authority has established the following DBE contract goal for this project:

Disadvantaged Business Enterprise Goal: 0%

- C. The DBE contract goal shall be expressed as a percentage of the total contract price. However, in the event this is a revenue generating contract, the DBE contract goal is based on the Bidder's operating expenses and not on the total anticipated revenue to be generated by the contract. The Bidder may meet the DBE goal by evidencing participation by one or more certified DBEs. The Bidder may also meet the goal by documenting good faith efforts to meet the goal as described in 49 C.F.R. Part 26 and as set forth in Section V below and/or by a combination of DBE participation and good faith efforts documentation. **Any evidence of good faith efforts must be submitted with the sealed bid or the bid will be rejected in its entirety.**
- D. The DBE contract goal shall apply to the total dollar value of this contract, inclusive of all amendments, modifications, options, and change orders. The Bidder agrees to make its best effort to include DBE participation in any contract modification work.
- E. The goal may be met, as further explained in Section IV hereof, by the Bidder's status as a DBE, by a Joint Venture with one or more DBEs, by subcontracting a portion of the work to one or more DBEs, by the purchase of materials used in the performance of the contract from one or more DBEs or by any combination of the above or through sufficient documentation of its good faith efforts to meet the DBE goal as defined in Section V hereof.
- F. A Bidder who fails to meet the DBE goal and fails to demonstrate sufficient and reasonable good faith efforts to meet the goal shall not be eligible to be awarded the contract. All documentation of good faith efforts by a Bidder **must** be included in the envelope or package containing the bid.
- G. The Authority prohibits agreements between a Bidder and a DBE in which the DBE promises not to provide subcontracting quotations to other Bidders.

II. DEFINITIONS

- A. **"Area of Specialty"** means the description of the DBE's business, which has been determined by the General Manager, DBE Program, to be most reflective of the DBE's claimed specialty or expertise. Credit toward the DBE contract goal for this contract shall be limited to the participation of firms performing within their Area of Specialty. The Authority reserves the right to investigate and determine active DBE participation and applicable DBE credit specifically identified for this contract prior to award.

NOTICE: The Authority does not make any representations concerning the ability of any DBE to perform work within its Area of Specialty. It is the responsibility of the Bidder to determine the capability and capacity of the DBE firms to satisfactorily perform the work proposed.

- B. **"Authority"** means the Chicago Transit Authority.
- C. **"Bid"** includes the following Authority purchasing requests: Invitation for Bids (IFB).
- D. **"Bidder"** includes bidders and contractors. The terms "Bidder" and "Contractor" may be used interchangeably in these Special Conditions.
- E. **"Commercial Useful Function" or "CUF"** means that a DBE is responsible for execution of a distinct element of the work of a Contract and carries out its responsibilities by actually performing, managing, and/or supervising the work involved. With respect to materials and supplies used on a contract, the DBE must be responsible for negotiating price, determining quantity and quality, ordering materials and installing (where applicable) and paying for the material itself. To determine whether a DBE is performing a commercially useful function, the Authority will evaluate the amount of work subcontracted, industry practices, and other relevant factors. However, it is not a commercially useful function when a DBE's role is limited to that of an extra participant through which funds are passed to obtain the appearance of DBE participation on the Contract.
- F. **"Disadvantaged Business Enterprise" or "DBE"** means a small business certified by the Illinois Universal Certification Program (IL UCP) as a business owned and controlled by socially and economically disadvantaged individuals in accordance with USDOT Regulation 49 CFR, Part 26.
- G. **"Directory"** means the Directory of Certified Disadvantaged Business Enterprises maintained and published by IL UCP and entitled the "IL UCP DBE Directory." The directory will be available on the Authority's web site. Bidders are responsible for verifying the current certification status of all proposed DBE's.
- H. **"Funding Source"** means any source of funds used for an Authority contract. It includes, but is not limited to, funds provided by the US Department of Transportation (DOT), the Federal Transit Administration (FTA), the Illinois Department of Transportation (IDOT), the Regional Transportation Authority (RTA), the City of Chicago (City), the Federal Emergency Management Agency (FEMA), the Illinois Emergency Management Agency (IEMA), the US Department of Homeland Security (DHS) or the Department of Commerce and Economic Opportunity (DCEO).
- H. **"Good Faith Efforts"** means efforts to achieve a DBE contract goal as specified in 49 CFR, Part 26 and Section V hereof.

- I. **"IL UCP"** means the Illinois Unified Certification Program.
- J. **"Joint Venture"** means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Bidders may develop joint venture agreements as an instrument to provide participation by DBEs in contract work. A joint venture seeking to be credited for DBE participation may be formed among DBE firms or between a DBE firm and non-DBE firm.

In order to qualify for credit as a DBE, the DBE must be responsible for a distinct, clearly defined portion of the work and the DBE must share in the capital contribution, control, management, risks and profits of the joint venture commensurate with its ownership interest.

- K. **"Purchasing Agent"** means the Authority employee who holds the position of Vice President, Purchasing, or designee.
- L. **"Small Business Concern"** means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto except that a small business concern shall not include any concern or groups of concerns controlled by the same socially and economically disadvantaged individual or individuals which has annual average gross receipts in excess of \$22.41 million, or as revised from time to time, over the three (3) previous fiscal years.
- M. **"Socially and Economically Disadvantaged Individuals"** means any individual who is a citizen of the United States (or lawfully admitted permanent residents) and who is in the following groups, the members of which are rebuttably presumed to be socially and economically disadvantaged:
1. **"Black Americans"**, which includes persons having origins in any of the Black racial groups of Africa;
 2. **"Hispanic Americans"**, which includes persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
 3. **"Native Americans"**, which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians;
 4. **"Asian-Pacific Americans"**, which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Thailand, Malaysia, Indonesia, Vietnam, Laos, Cambodia (Kampuchea), the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific (Republic of Palau), and the Commonwealth of the Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Jauvlu, Nauru, Federated States of Micronesia or Hong Kong; and
 5. **"Subcontinent Asian Americans"**, which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, the Maldives Islands, Nepal or Sri Lanka.
 6. **"Women"**
 7. Any additional groups whose members are designated as socially and economically disadvantaged by the SBA, at such time as the SBA designation becomes effective.

The Director of Diversity may determine on a case-by-case basis that individuals who are not members of one of the above-listed groups are socially and economically disadvantaged.

*** Presumption applies to federally funded contracts only.**

N. "Subcontractor" means the individual or firm that has a subordinate contract to that of the Contractor under which the materials or equipment are supplied or services or labor is performed.

O. "USDOT" or "DOT" refers to the U.S. Department of Transportation.

III. JOINT VENTURES

The Director of Diversity will evaluate the Joint Venture agreement submitted on behalf of the proposed Joint Venture and all related documents to determine whether these DBE requirements have been satisfied. In addition, the Director of Diversity will consider the record of the joint venturers as joint venturers on other Authority contracts, if any.

NOTE: DBE/non-DBE Joint Ventures are creditable at any tier. Whenever a Joint Venture is proposed as the prime Contractor, Authority requires that each joint venturer sign the bid submitted to the Authority.

IV. COUNTING DBE PARTICIPATION TOWARD THE CONTRACT GOAL

The inclusion of any DBE by the Bidder in its bid documents shall not conclusively establish the Bidder's eligibility for full DBE credit for the firm's participation in the contract. The amount of DBE participation credit shall be based upon an analysis by the Director of Diversity of the specific duties which will be performed by the DBE.

The Bidder may count toward its DBE goal only expenditures to firms which are currently certified by the IL UCP and which perform a CUF.

To determine whether a firm is performing a CUF, the Director of Diversity will evaluate the amount of work subcontracted, industry practices and other relevant factors. The Director of Diversity reserves the right to deny or limit DBE credit to the Bidder where any DBE is found to be engaged in substantial pass-through activities with others.

DBE participation shall be counted toward the DBE goal in the contract as follows:

- A.** Once a DBE is determined to be eligible in accordance with these rules, the total dollar value of the contract awarded to the DBE may be counted toward the DBE goal except as indicated below.
- B.** A Bidder may count toward its DBE goal that portion of the total dollar value of a contract with an eligible Joint Venture equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces.
- C.** Consistent with normal industry practices, a DBE may enter into subcontracts. If a DBE subcontracts more than thirty percent (30%) or a significantly greater portion of the work of the contract than

would be expected on the basis of normal industry practices, the DBE shall be presumed not to be performing a commercially useful function. Evidence may be presented by the Bidder involved to rebut this presumption.

- D. When a DBE subcontracts a part of the work under the contract to another firm, the value of the subcontracted work may only be counted towards the DBE goal if the DBE's Subcontractor is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count towards the DBE goal.
- E. The Bidder may count one-hundred percent (100%) of its expenditures for materials and supplies required under the contract and which are obtained from a DBE manufacturer towards the DBE goal. The Bidder may count sixty percent (60%) of its expenditures for material and supplies under the contract obtained from a DBE regular dealer towards its DBE goal. The terms "manufacturer" and "regular dealer" are defined in 49 C.F.R. Part 26.55(e)(1)(ii) and (2)(ii).
- F. The Bidder may count towards its DBE goal expenditures to DBEs which are not manufacturers or regular dealers, such as fees or commissions charged for services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies and transportation charges as set forth in 49 C.F.R. Part 26. However, the Director of Diversity must determine the fee or charge to be reasonable and not excessive as compared with fees or charges customarily allowed for similar services.
- G. The Bidder must use good business judgment when negotiating with Subcontractors and take a DBE's price and capabilities into consideration. The fact that there may be some additional costs involved in finding and using DBE firms is not sufficient reason to fail to meet the DBE goal set forth in the contract, as long as such costs are reasonable.

V. GOOD FAITH EFFORTS

In order to be responsive, a Bidder must make good faith efforts to meet the DBE contract goal set forth in the contract. The Bidder must document the good faith efforts it made in that regard. Thus, the Bid submitted to the Authority must be accompanied by written documentation prepared by the Bidder evidencing all of its sufficient and reasonable good faith efforts toward fulfilling the goal. These efforts must be active steps, and ones, which could reasonably be expected to lead to sufficient DBE participation to meet the contract DBE contract goal. Mere *pro forma* efforts are not acceptable and will be rejected by the Director of Diversity.

Good Faith Efforts require that the Bidder consider all qualified DBEs, who express an interest in performing work under the contract. This means that the Bidder cannot reject a DBE as unqualified unless the Bidder has sound reasons based on a thorough investigation of the DBE's capabilities. Further, the DBE's standing within its industry, membership in specific groups, organizations or associations and political or social affiliation (for example, union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the Contractor's efforts to meet the contract DBE contract goal.

The following list, which is not exclusive or exhaustive, sets forth the types of actions, which indicate good faith efforts on the part of a Bidder to meet the DBE goal. The extent and type of actions required will vary depending on such things as industry practice; the time available for submitting a bid and the type of contract involved.

- A. Attendance at a pre-bid meeting, if any, scheduled by the Authority to inform DBEs of subcontracting opportunities under a given solicitation.
- B. Advertisement in general circulation media, trade association publications, and minority-focus media for at least twenty (20) days before bids are due. If 20 days are not available, publication for a shorter reasonable time is acceptable.
- C. Written notification to capable DBEs that their interest in the contract is solicited.
- D. Documentation of efforts to negotiate with DBEs for specific sub-contracts including at a minimum:
 - 1. The names, addresses, and telephone numbers of DBEs that were contacted and the date(s) of contact;
 - 2. A description of the information provided to DBEs regarding the plans and specifications for portions of the work to be performed; and
 - 3. A statement explaining why additional agreements with DBEs were not reached.
- E. For each DBE the Bidder contacted but rejected as unqualified, the reason for the Bidder's conclusion.
- F. Documentation of efforts made to assist the DBEs contacted that needed assistance in obtaining bonding or insurance required by the Bidder or the Authority.
- G. Documentation of efforts to utilize the services of small business organizations, community and contractor groups to locate qualified DBEs.
- H. Documentation that the Bidder has broken out contract work items into economically feasible units in fields where there are available DBE firms to perform the work.
- I. Evidence that adequate information was provided to interested DBEs about the plans, specifications and requirements of the contract, and that such information was communicated in a timely manner.
- J. Documentation of any efforts made to assist interested DBEs in obtaining necessary equipment, supplies, materials or related assistance or services from third parties.

VI. GOOD FAITH EFFORTS RECONSIDERATION

If it is determined that the apparent successful low Bidder(s) has failed to show good faith efforts to meet the contract DBE goal through participation, documentation of good faith efforts to meet the contract goal and/or a combination of the two, the Authority will provide it with **ONE** opportunity for administrative reconsideration before the Authority awards the contract. This reconsideration will include the following:

- A. The Bidder will be permitted to either provide written evidence or to present oral argument at a pre-scheduled time that the documentation it submitted with its bid met the DBE goal and/or

documented good faith efforts to do so. **No new evidence of good faith efforts may be presented after the bid submission deadline.**

- B. The Authority's Reconsideration Officer will review the evidence presented by the Bidder and issue a written determination that the Bidder has: 1) met the DBE goal; 2) not met the DBE goal but has made adequate good faith efforts to do so; or 3) has not met the DBE goal and the good faith efforts made were not adequate.
- C. The decision of the Authority's Reconsideration Officer is final and may not be appealed to the Authority or its funding agencies.
- D. The Authority will not award a contract to any Bidder who does not meet the contract DBE contract goal through participation by DBEs on the proposed contract or documentation of sufficient good faith efforts to meet that goal or a combination of the two. Thus, it is essential that all Bidders submit ALL relevant documentation concerning DBE participation on the proposed contract and/or good faith efforts to meet the DBE goal in the envelope or package containing their sealed bids.

VII. PROCEDURE TO DETERMINE BID COMPLIANCE

- A. If the Bidder is a Joint Venture, the Bidder as well as the Joint Venture partner **MUST** complete and sign Schedule B.
- B. A DBE Subcontractor of any tier, DBE Joint Venture partner and/or the Bidder if it is a DBE **MUST** complete and sign Schedule C.
- C. The Bidder **MUST** complete and sign Schedule D.
- D. All completed Schedules **MUST** be submitted at the same time as or prior to submittal of the sealed bid. In addition, any documentation evidencing the Bidder's good faith efforts to meet the contract DBE goal must be submitted with the bid. Any bids submitted without completed and executed Schedules as indicated above and/or evidence of good faith efforts will be deemed non-responsive and their bids will be rejected by the Authority.
- E. Letters of Certification
 - 1. A copy of each proposed DBE firm's current Letter of Certification or re-certification from the IL UCP should be submitted with the bid. **ALL CERTIFICATIONS BY THE IL UCP MUST BE PRE-CERTIFICATIONS. This means that the DBE's certification must be issued by the IL UCP before the due date for bids.**
 - 2. All Letters of Certification or Re-certification issued by the IL UCP must include a statement of the DBE firm's area of specialization and appropriate DBE goal credit (see Section IV. COUNTING DBE PARTICIPATION TOWARD THE CONTRACT GOAL). The DBE firm's scope of work set forth on Schedule C must conform to its stated area of specialization. Where a DBE is proposed to perform work not covered by its area of specialization, the DBE firm must request an expansion of its area of specialization from its certifying agency in writing prior to the time set by the Authority for bid opening. Further, the DBE's request for a new area of

specialization must be approved by the certifying agency so that the DBE firm is certified in the expanded area of specialization prior to the **DUE DATE FOR BIDS**.

F. Joint Ventures

3. Where the Bidder proposes to include in its bid a DBE, which is a joint venturer, the Bidder must submit a fully executed copy of the Joint Venture agreement with its bid. The Joint Venture agreement must show that the DBE firm will be responsible for a clearly defined portion of the work to be performed, and that the DBE firm's capital contribution, control, management, risks and profits are commensurate with its ownership interest.
4. Further, the proposed Joint Venture agreement shall include specific details related to: 1) contributions of capital and equipment; 2) work items to be performed by the DBE's own forces; 3) work items to be performed under the supervision of the DBE; 4) the DBE management, supervisory and operating personnel to be dedicated to the performance of the project; and (5) the authority of each joint venturer to contractually obligate the Joint Venture and to expend funds. Failure to submit a copy of the Joint Venture agreement will cause the firm to be considered by the Authority to be non-responsible.

G. Bidders List

The Bidder must also create a Bidders List, consisting of information about all Subcontractors that submitted a Bid or quote. The Bidders List will include the name, address, DBE/non-DBE status, age of firm and the appropriate range of annual gross receipts. A form for creating the Bidder's List included in this IFB.

VIII. REPORTING REQUIREMENTS DURING THE TERM OF THE CONTRACT

- A. The Bidder shall, within seven (7) calendar days of contract award, or prior to any work being performed by any Subcontractor of any tier, execute written subcontracts or purchase orders with the Subcontractors included in the Bid. In the event the Bidder cannot complete the agreement with one or more Subcontractors within this seven(7) day period, the Bidder must provide a written explanation for the delay and an estimated date by which the written agreement will be completed to the Director of Diversity. These written agreements shall be made available to the Director of Diversity upon request. All contracts between the Bidder and its Subcontractors must contain a prompt payment clause as set forth in Section IX herein.
- B. During the term of annual contracts, the Contractor must utilize the "Chicago Transit Authority's Disadvantaged Business Enterprise System (B2GNOW)" <https://cta.dbesystem.com/> which provides the Contractor an easy to use web-based service for reporting payments rendered to all Subcontractors. The frequency with which these reporting will vary based on each individual contract, but in no event will reporting be required less frequently than quarterly. **Failure to follow these directions may delay payment.**
- C. In the case of a one-time procurement with either a single or multiple deliveries, the contractor must utilize the "Chicago Transit Authority's Disadvantaged Business Enterprise System (B2GNOW)" <https://cta.dbesystem.com/> which provides the Contractor with an easy to use web-

based service for reporting payments rendered to all Subcontractors. The required entries on B2GNOW must be completed prior to or concurrently with the Contractor's submittal of its final invoice to the Authority user department identified in the contract. PLEASE NOTE: Two different processes must be followed. (1)The original invoices must be submitted directly to the Authority department identified in the contract and (2) a report of Subcontract Payments must be entered onto B2GNOW. **Failure to follow these directions may delay final payment.**

The address for the Director of Diversity is: **CTA Director of Diversity, Diversity Department, 567 W. Lake Street, Chicago, IL 60661-1465.**

IX. PROMPT PAYMENT TO SUBCONTRACTORS

A. Federally Funded Construction Contracts and All Non-Construction Contracts

1. The Contractor is required to pay all Subcontractors for all work that the Subcontractor has satisfactorily completed **on all contracts except construction contracts funded with other than federal funds** no later than fourteen (14) calendar days after the Contractor has received payment from the Authority. All of the Contractor's contracts with its Subcontractors must state that the Subcontractor will receive payment within fourteen (14) calendar days of the date that the Contractor has received payment from the Authority.
2. In addition, all Retainage amounts **on all contracts except construction contracts funded with other than federal funds** must be paid by the Contractor to the Subcontractor no later than fourteen (14) calendar days after the Subcontractor has, in the opinion of the Authority's authorized representative, satisfactorily completed its portion of the Work. All of the Contractor's contracts with its Subcontractors must state that the Subcontractor will receive payment of Retainage within fourteen (14) calendar days of the date that the Subcontractor has, in the opinion of the Authority's authorized representative, satisfactorily completed its portion of the Work.

B. Non-federally Funded Construction Contracts

1. The Contractor is required to pay all Subcontractors for all work that the Subcontractor has satisfactorily completed **on a construction contract funded with non-federal funds** no later than fourteen (14) calendar days after the Contractor has received payment from the Authority. All of the Contractor's subcontracts must state that the Subcontractor will receive payment within fourteen (14) calendar days of the date that the Contractor received payment from the Authority.
- C. A delay in or postponement of payment to the Subcontractor requires good cause and prior written approval of the General Manager, Purchasing.
 - D. The Contractor is required to include, in each subcontract, a clause requiring the use of appropriate arbitration mechanisms to resolve all payment disputes.
 - E. The Authority will not pay the Contractor for work performed unless and until the Contractor ensures that the Subcontractors have been promptly paid for the work they have performed under all previous payment requests, as evidenced by the filing with the Authority of lien waivers,

canceled checks (if requested) and the Contractor's sworn statement that it has complied with the prompt payment requirements. Prime Contractors must submit a prompt payment affidavit (form to be provided by the Authority) which identify each Subcontractor (both DBE and non-DBE) and the date and amount of the last payment to such Subcontractor, with every payment request filed with Authority, except for the first payment request, on every contract with the Authority.

- F. Failure to comply with these prompt payment requirements is a breach of the Contract which may lead to any remedies permitted under law, including, but not limited to, Contractor debarment. In addition, Contractor's failure to promptly pay its Subcontractors may also be subject to the provisions of 50 ILCS 505/9.

X. DBE SUBSTITUTIONS

- A. Arbitrary changes by the Bidder of the commitments previously indicated in **Schedule D** are prohibited. No changes may be made by the Bidder to the DBE firms listed on Schedule D after the opening of Bids but prior to contract award. However, in the event the Purchasing Agent, after consulting with the Diversity Department, determines that a critical DBE Subcontractor is non-responsible, the Authority may require that Bidder replace the non-responsible DBE Subcontractor prior to contract award. In that event, Bidder must replace the non-responsible DBE Subcontractor with a responsible, certified DBE Subcontractor or document adequate good faith efforts as set forth in Section V hereof, must submit all information required in subsection C.5 hereof, and must receive the prior written approval of the Director of Diversity for such substitution.
- B. Further, after award, the Contractor shall neither terminate the subcontract for convenience, nor reduce the scope of the work to be performed by the DBE, nor decrease the price to the DBE, without receiving prior written approval of the Director of Diversity. Such approval is required even if the DBE agrees with the change to the DBE's contract desired by the Contractor.
- C. It may become necessary, at times, to substitute a new Subcontractor in order to complete the contract work. The substitution procedure to be followed is:
 - 1. The Contractor must immediately notify the Director of Diversity, in writing, of the proposed substitution of Subcontractor. The Contractor's notification must include the specific reasons it intends to reduce the scope of or terminate a DBE subcontract; adequate documentation to support the Contractor's proposed action; and a proposed substitute firm to complete the DBE's portion of work.
 - 2. The following is a non-exclusive list of the types of reasons, which justify substitution: the DBE was found not to be able to perform, or not to be able to perform on time; the DBE's work product was not acceptable; the DBE demands an unreasonable escalation of its price.
 - 3. The following is a non-exclusive list of the types of reasons which do not justify substitution: a replacement firm has been recruited by the Contractor to perform the same work under more advantageous terms; performance issues by the DBE were disputed and every reasonable effort to have the dispute resolved or mediated has not been taken; the DBE has requested a reasonable price escalation which may be justified due to unforeseen circumstances (e.g., a change in scope of DBE's work).

4. If the Subcontractor to be substituted for the DBE is not a DBE, the Contractor must document adequate good faith efforts as set forth in Section V hereof.
 5. The Contractor's request for approval of a substitution must include the name, address, and principal official of the proposed substitute Subcontractor and the dollar value and scope of work of the proposed subcontract. If the new Subcontractor is a DBE, all DBE affidavits and documents required by **Schedule C** shall be attached.
 6. The Authority will evaluate the submitted documentation and respond within fifteen (15) calendar days to the request for approval of the substitution. The Authority's response may approve the request, seek more information, request an interview to clarify the problem or reject the proposed DBE substitution, with the reasons for the rejection stated in the Authority's response. In the case of an expressed emergency need to receive the necessary decision for the sake of job progress, the Authority will respond as soon as practicable.
 7. Actual substitution by the Contractor may not be made prior to the Authority's approval. Once notified of the Authority's approval, the substitute subcontract must be executed within five (5) calendar days, and a copy submitted to the Director of Diversity.
- D. The Authority will not approve extra payment for escalated costs incurred by the Contractor when a substitution of Subcontractors becomes necessary in order to comply with the DBE requirements of the contract.

XI. NON-COMPLIANCE

- A. Failure to comply with the DBE requirements of the contract or with the DBE substitution procedures or failure to use DBEs as stated in the Bid constitutes a material breach of contract. The Director of Diversity shall have the discretion to recommend to the Authority's Purchasing Agent that the Purchasing Agent apply suitable sanctions to the Contractor if the Contractor is found to be in non-compliance with the DBE requirements. Such sanctions include, but are not limited to, withholding payment to the Contractor until corrective action is taken; suspension and/or termination of the contract, in whole or in part; and debarring or suspending the Contractor from entering into future contracts with the Authority.
- B. The failure by the Contractor to use a DBE Subcontractor to the extent the Contractor committed to use said DBE, gives the underutilized DBE specific contract remedies, including the right to damages, the right to resolve the dispute by binding arbitration before an independent arbitrator and the right to recover its reasonable expenses, including attorneys' fees, if the DBE is the prevailing party, as follows:
1. Damages. In the event the Contractor has not complied with the contractual DBE percentage and the change to the contractual DBE usage has not been approved by the Authority, an affected DBE may recover from the Contractor damages suffered by said DBE as a result of being underutilized. This provision is intended for the benefit of any DBE affected by underutilization and grants such entity third party beneficiary rights. Any rights conferred by this provision are non-waivable and take precedence over any conflicting provisions in the agreement between the Contractor and the DBE.

2. Arbitration procedures. If requested by the DBE, the DBE shall have the right to initiate binding arbitration of any dispute concerning damages suffered as a result of being underutilized. A DBE desiring to arbitrate must notify the Contractor in writing to initiate the arbitration process. Unless the affected parties agree to a different schedule in writing, within ten (10) days of receipt by the Contractor of the intent to arbitrate from the DBE, the above-described disputes must be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601. All such arbitrations must be initiated by the DBE filing a demand for arbitration with the AAA; must be conducted by the AAA; and must be held in Chicago, Illinois.
 3. Fees. All fees of the arbitrator are the initial responsibility of the DBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorneys' and arbitrator fees, as damages to a prevailing DBE.
 4. Entry of judgment. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.
- C. In addition, federal and state laws apply to false representations, deception and fraud:
1. Illinois Law. Under Illinois law, it is a Class 2 felony to make certain false representations as to the status of a person or entity in obtaining a governmental contract. In addition, any person convicted of this felony offense must pay to the governmental unit that issued the contract a penalty equal to one and a half times the amount of the contract. (720 ILCS 5/17-29)
 2. Federal Law. False, fraudulent, or deceitful statements made in connection with DBE participation in DOT assisted programs could also result in liability under 49 CFR Part 31, Program Fraud and Civil Remedies and possible prosecution under 18 U.S.C. 1001.
- D. If the Contractor does not pay any Subcontractor listed on a pay request or return a Subcontractor's retainage within the time limits required under the prompt payment provision for federally funded construction contracts and/or non-construction contracts however funded set forth in subsection A of Section IX hereof, the Contractor must pay the Subcontractor an additional amount for interest at the lower of one percent (1%) per month or the highest lawful rate on the outstanding balance, for each month, prorated per diem for any partial month, that the Contractor fails or refuses to pay the Subcontractor. All agreements between the Contractor and its Subcontractors must provide for interest as set forth herein for all contracts funded with federal funds and/or all non-construction contracts however funded.
- E. If the Contractor does not pay any Subcontractor listed on a pay request within the time limits required under the prompt payment provision for construction contracts funded with non-federal funds set forth in subsection B of Section IX hereof, the Contractor must pay the Subcontractor an additional amount for interest in the amount of two percent (2%) per month on the outstanding balance for each month, prorated per diem for any partial month, that the Contractor fails or refuses to pay the Subcontractor. All agreements between the Contractor and its Subcontractors must provide for interest as set forth here if the construction contract is funded with non-federal funds.

- F. The Contractor or Subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Authority deems appropriate.

The Contractor agrees to include this assurance in all subcontracts.

- G. The Contractor further agrees to include the following assurance in all of its subcontracts: "The Contractor and Subcontractor shall comply with the requirements of the Illinois Human Rights Act (775 ILCS 5/1-100, et seq.) and the Illinois Public Works Employment Discrimination Act (775 ILCS 5/10/0.01, et seq.) and shall refrain from unlawful discrimination under Illinois law in the performance of this contract. The failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Authority deems appropriate."

XII. RECORD KEEPING

The Contractor shall maintain records of all relevant data with respect to the utilization of DBEs and shall retain these records for a period of at least three (3) years after final acceptance of the work. Full access to said records shall be granted to the Authority, its Federal and/or State funding agencies, the U.S. Department of Justice, the USDOT, the Illinois Office of Inspector General and any duly authorized representatives thereof.

XIII. MINORITY FINANCIAL INSTITUTIONS

The Bidder is encouraged to utilize financial institutions owned and controlled by socially and economically disadvantaged individuals. Use of such institutions may be considered by the Authority as evidence of Bidder's willingness to do business with DBEs. Information about such institutions is available in the Authority's DBE Program Directory, which is available on-line at <http://www.federalreserve.gov/releases/mob/current/default.htm>.

GUIDANCE CONCERNING GOOD FAITH EFFORTS (49 CFR – 26.53)

In order to be responsive, a bidder must make good faith efforts to meet the DBE participation goal set forth in the contract. The bidder must document the good faith efforts it made in that regard. Thus, the Bid submitted to the Authority must be accompanied by written documentation prepared by the bidder evidencing all of its sufficient and reasonable good faith efforts toward fulfilling the goal. These efforts must be active steps, and ones, which could reasonably be expected to lead to sufficient DBE participation to meet the contract DBE participation goal. Mere *pro forma* efforts are not acceptable and will be rejected by the General Manager, DBE Program. Good Faith Efforts require that the bidder consider all qualified DBEs, who express an interest in performing work under the contract. This means that the bidder cannot reject a DBE as unqualified unless the bidder has sound reasons based on a thorough investigation of the DBE's capabilities. Further, the DBE's standing within its industry, membership in specific groups, organizations or associations and political or social affiliation (for example, union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the Contractor's efforts to meet the contract DBE participation goal. The following list, which is not exclusive or exhaustive, sets forth the types of actions, which indicate good faith efforts on the part of a bidder to meet the DBE goal. The extent and type of actions required will vary depending on such things as industry practice; the time available for submitting a bid and the type of contract involved.

- Attendance at a pre-bid meeting, if any, scheduled by the Authority to inform DBEs of subcontracting opportunities under a given solicitation.
- Advertisement in general circulation media, trade association publications, and minority-focus media for at least twenty (20) days before bids are due. If 20 days are not available, publication for a shorter reasonable time is acceptable.
- Written notification to capable DBEs that their interest in the contract is solicited.
- Documentation of efforts to negotiate with DBEs for specific sub-contracts including at a minimum:
 - The names, addresses, and telephone numbers of DBEs that were contacted and the date(s) of contact.
 - A description of the information provided to DBEs regarding the plans and specifications for portions of the work to be performed.
 - A statement explaining why additional agreements with DBEs were not reached.
- For each DBE the bidder contacted but rejected as unqualified, the reason for the bidder's conclusion.
- Documentation of efforts made to assist the DBEs contacted that needed assistance in obtaining bonding or insurance required by the bidder or the Authority.
- Documentation of efforts to utilize the services of small business organizations, community and contractor groups to locate qualified DBEs.
- Documentation that the bidder has broken out contract work items into economically feasible units in fields where there are available DBE firms to perform the work.
- Evidence that adequate information was provided to interested DBEs about the plans, specifications and requirements of the contract, and that such information was communicated in a timely manner.
- Documentation of any efforts made to assist interested DBEs in obtaining necessary equipment, supplies, materials or related assistance or services.
