

Additional Information:

The government reserves the right to award on an all or none and the "Best Value Continuum" basis.

All quotes are for FOB Destination.

Delivery problems have occurred for some companies that have impacted their past performance. As such, awards have not been made to those companies based on their past performance.

The FCI will continue such procedures as the inability to deliver products impacts menu planning and preparation of meals as well as increasing prices for re-procurement.

Delivery of item(s) cannot be made until on or after April 1, 2016; however, all item(s) must be delivered by April 22, 2016.

All item(s) not delivered by April 22, 2016 are cancelled; accordingly, the non-delivery of items, in part or in whole, will be reflected in your future past performance evaluation.

Accordingly, any/ all shipping and restocking fees will be the responsibility of the vendor.
