1.0 PURPOSE AND BACKGROUND

The North Carolina Department of Agriculture and Consumer Services, Senator Bob Martin Eastern Agricultural Center, seeks to establish an Agency Specific Term Contract with a vendor to provide on-site unskilled labor to clean and rake horse stalls. Tack stalls are excluded in this contract. All types of bedding including but not limited to straw and shavings, hay, feed, newspaper, horse urine and fecal material are to be removed from the stall and into the aisle of the barn. The number of stalls to be cleaned per year is estimated to be 4,548. Quantities are our best estimates and may increase or decrease to meet the needs of the facility.

Vendor is to provide all personnel, equipment and supplies necessary to complete the work. The work begins at the end of each horse show. The times may vary from the time stated in the proposal as work cannot begin until the show ends. The work is to be completed within eight (8) hours.

Proposals shall be submitted in accordance with the terms and conditions of this RFP and any addenda issued hereto.

Background: During the year various horse shows and events are scheduled at the Senator Bob Martin Eastern Agricultural Center. At the end of each event the stalls are cleaned out with the materials left in the barn and moved and left in the aisles. There are 456 permanent stalls at this facility. In 2014-2015 approximately 4,548 horse stalls were cleaned after shows. The stalls were cleaned within the eight (8) hours or as arranged with the Contract Administrator for a specific show. The stalls are cleaned within the time frame for health purposes and to allow the facility staff to prepare for the next show (such as but not limited to, check for cleaned stalls, stall assignments for the next show, move in, etc.).

Location: Senator Bob Martin Eastern Agricultural Center, 2900 NC Highway 125 South, Williamston, NC 27892.

3.0 METHOD OF AWARD AND PROPOSAL EVALUATION PROCESS

3.1 METHOD OF AWARD

All qualified proposals will be evaluated and awards will be based on lowest response meeting specifications. It is the intent to award a Contract to a single vendor for all services required herein, to not award or to cancel this RFP in its entirety without awarding a Contract, if it is considered to be most advantageous to the State to do so.

The State reserves the right to waive any minor informality or technicality in proposals received.

3.2 CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

During the evaluation period—from the date proposals are opened through the date the contract is awarded—each Vendor submitting a proposal (including its representatives, sub-contractors and/or suppliers) is prohibited from having any communications with any person inside or outside the using agency, issuing agency, other government agency office, or body (including the purchaser named above, department secretary, agency head, members of the general assembly and/or governor's office), or private entity, if the communication refers to the content of Vendor's proposal or qualifications, the contents of another Vendor's proposal, another Vendor's qualifications or ability to perform the contract, and/or the transmittal of any other communication of information that could be reasonably considered to have the effect of directly or indirectly influencing the evaluation of proposals and/or the award of the contract. A Vendor not in compliance with this provision shall be disqualified from contract award, unless it is determined in the State's discretion that the communication was harmless, that it was made without intent to influence and that the best interest of the state would not be served by the disqualification. A Vendor's proposal may be disqualified if its sub-contractor and supplier engage in any of the foregoing communications during the time that the procurement is active (i.e., the issuance date of the procurement to the date of contract award). Only those discussions, communications or transmittals of information authorized or initiated by the issuing agency for this RFP or general inquiries directed to the purchaser regarding requirements of the RFP (prior to proposal submission) or the status of the contract award (after submission) are excepted from this provision.

3.3 PROPOSAL EVALUATION PROCESS

The State shall review all Vendor responses to this RFP to confirm that they meet the specifications and requirements of the RFP. The State reserves the right to waive any minor informality or technicality in proposals received.

The State will conduct a One-Step evaluation of Proposals:

Proposals will be received from each responsive Vendor in a sealed envelope or package.

All proposals must be received by the issuing agency not later than the date and time specified on the cover sheet of this RFP.

At that date and time the package containing the proposals from each responding firm will be opened publicly and the name of the Vendor and total cost offered will be announced. Interested parties are cautioned that

these costs and their components are subject to further evaluation for completeness and correctness and therefore may not be an exact indicator of a Vendor's pricing position.

At their option, the evaluators may request oral presentations or discussion with any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the proposal. Vendors are cautioned, however, that the evaluators are not required to request presentations or other clarification—and often do not; therefore, all proposals should be complete and reflect the most favorable terms available from the Vendor.

Proposals will generally be evaluated according to completeness, content, and experience with similar projects, ability of the Vendor and its staff, and cost. Specific evaluation criteria are listed in 3.4 EVALUATION CRITERIA, below.

Vendors are cautioned that this is a request for offers, not an offer or request to contract, and the State reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of the State.

3.4 INTERPRETATION OF TERMS AND PHRASES

This Request for Proposal serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the Department; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. As such, all terms in the Request for Proposal shall be enforceable as contract terms in accordance with the General Terms and Conditions. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether proposals should be evaluated or rejected, the Department will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy the Department's needs as described in the Request for Proposal. Except as specifically stated in the Request for Proposal, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the Department exercising its discretion to reject a proposal in its entirety.

4.0 REQUIREMENTS

This Section lists the requirements related to this RFP. By submitting a proposal the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements and terms and conditions stated in this RFP. If a Vendor is unclear about a requirement or specification or believes a change to a requirement would allow for the State to receive a better proposal, the Vendor is urged and cautioned to submit these items in the form of a question during the question and answer period in accordance with Section 2.4.

4.1 CONTRACT TERM

The Contract shall have an initial term of one (1) year, beginning upon award date and continuing for twelve (12) consecutive months.

At the end of the Contract's current term, the State shall have the option, in its sole discretion, to renew the Contract for the same costs, specifications and the same terms and conditions for up to a total of two additional one-year terms. The State will give the Vendor written notice of its intent whether to exercise each option no later than thirty (30) days before the end of the Contract's then-current term. In addition, the State reserves the right to extend a contract term for a period of up to 180 days in 90-day-or-less increments.

Contract changes, if any, over the life of the contract shall be implemented by contract amendments agreed to in writing by the State and Vendor.

4.2 PRICING

Proposal price shall constitute the total cost to Buyer for complete performance in accordance with the requirements and specifications herein. Vendor shall not invoice for any amounts not specifically allowed for in this RFP. Complete ATTACHMENT C: PRICING FORM and include in Proposal.

4.3 PAYMENT TERMS

- a) The Vendor will be compensated at the rates quoted in the Vendor's Cost Proposal.
- b) The Vendor will be paid net thirty (30) calendar days after the Vendor's invoice is approved by the State.

4.4 REFERENCES

Vendors shall provide at least three (3) references for which your company has provided services of similar size and scope to that proposed herein. The State may contact these users to determine the services provided are substantially similar in scope to those proposed herein and Vendor's performance has been satisfactory. Such information may be considered in the evaluation of the proposal.

COMPANY NAME	CONTACT NAME	TELEPHONE NUMBER

4.5 VENDOR'S REPRESENTATIONS

- a) Vendor warrants that qualified personnel shall provide services under this Contract in a professional manner. "Professional manner" means that the personnel performing the services will possess the skill and competence consistent with the prevailing business standards in the industry. Vendor agrees that it will not enter any agreement with a third party that may abridge any rights of the State under this Contract. Vendor will serve as the prime contractor under this Contract and shall be responsible for the performance and payment of all subcontractor(s) that may be approved by the State. Names of any third party vendors or subcontractors of Vendor may appear for purposes of convenience in Contract documents; and shall not limit Vendor's obligations hereunder. Vendor will retain executive representation for functional and technical expertise as needed in order to incorporate any work by third party subcontractor(s).
- b) If any services, deliverables, functions, or responsibilities not specifically described in this Contract are required for Vendor's proper performance, provision and delivery of the service and deliverables under this Contract, or are an inherent part of or necessary sub-task included within such service, they will be deemed to be implied by and included within the scope of the contract to the same extent and in the same manner as if specifically described in the contract. Unless otherwise expressly provided herein, Vendor will furnish all of its own necessary management, supervision, labor, facilities, furniture, computer and telecom-munications equipment, software, supplies and materials necessary for the Vendor to provide and deliver the Services and Deliverables.
- c) Vendor warrants that it has the financial capacity to perform and to continue perform its obligations under the contract; that Vendor has no constructive or actual knowledge of an actual or potential legal proceeding being brought against Vendor that could materially adversely affect performance of this Contract; and that entering into this Contract is not prohibited by any contract, or order by any court of competent jurisdiction.

4.6 INSURANCE

Insurance: Insurance shall be required as outlined in Paragraph 13 of the N.C. General Contract Terms & Conditions. Coverage must be provided from a company licensed to do business in the State of North Carolina. The State may request a copy of the current insurance certificate at any time during the contract period. Failure to provide as requested may be considered default of the contract. Certificates may be required within 10 calendar days after notice of award.

4.7 CANCELLATION

This Contract may be cancelled by either party by giving thirty (30) days prior written notice. Such notice by the Contractor should in no way be construed as taking away the right of the Contracting Agency to cancel for unsatisfactory performance.

4.8 CONTRACT ADMINISTRATOR

Durward Taylor or designee is the Contract Administrator. This person will ensure the contract is followed according to the specifications outlined in this proposal and is the contact for any questions during the contract period.

5.0 SCOPE OF WORK

5.1 DEPARTMENT RESPONSIBILITIES

1. The Senator Bob Martin Eastern Agricultural Center will remove the materials that the vendor has placed in the barn aisles.
2. Provide the Vendor the total number of stalls to be cleaned at the conclusion of each event. After each event, each barn to be cleaned will have a stall sheet listing the stalls for cleaning. Only the stalls listed with an "H" (for horse) will be cleaned; stalls listed with a "T" (for tack) will NOT be cleaned.
3. Coordinate with the Vendor the specific times to clean the stalls.

5.2 OBJECTIVES

1. The Vendor pledges by means of a professional program, which includes proper personnel selection, efficient scheduling or work assignments and supervision, to obtain maximum quality and meet the time frames required. All state and federal laws shall be followed.
2. The Vendor shall furnish all personnel, equipment, supplies, and any other hand tools necessary to clean and rake the stalls.
3. On the average, one person should be able to clean a minimum of three (3) stalls per hour. The number of workers may vary, depending on the number of stalls to be cleaned.
4. Vendor shall responsible for awareness of the show dates, begin date and end date to perform the work.

5.3 REQUIREMENTS

The Vendor shall provide only the services stated in this RFP. Providing other services will be at the vendor's expense. The quantity stated in the Price Table is our best estimate. The Department reserves the right to increase or decrease the quantities according to the stalls rented during each horse show/event. The Department will pay the unit price per stall for the actual number of stalls cleaned during the contract period, including any renewals.

1. Cleaning and raking of horse stalls (permanent and temporary), for the purpose of this contract are to be defined as removal of all trash and bedding straw, shavings, sawdust, manure and any other debris or foreign material on stall floor down to the original clay floor. Some bedding and particles may be impractical to remove. (Tack stalls are not included in this contract)
2. Horse stalls to be cleaned are located in permanent barns and temporary units. All permanent stalls and temporary stalls are 10' x 10'.
3. Cleaning may begin at approximately 6:00 PM on Sunday of each week; however, the work schedule may vary. (Staff is available until approximately 11 PM on Sundays.) Some shows may end on a Saturday and the cleaning can begin at the conclusion of the show. Work should be completed within an eight (8) hour period, unless other arrangements are made between the Vendor and the Contract Administrator. The time stated is only an estimate as shows do not have a set time for ending. Manure and used shavings have to be removed within 8 hours due to health purposes and to allow other responsibilities the staff will need to perform to prepare for the next show, move in, etc.

4. Each horse stall, excluding tack stalls, is to be cleaned of all trash and bedding, raked and the cleaned horse stall door closed and locked. Bedding from the stalls is to be thrown in the aisle of the barn. Trash from the stalls is to be placed in trash receptacles provide by the Senator Bob Martin Eastern Agricultural Center.
5. There may be times when all stalls will not be vacant. Some leave a day or two later and then the stall(s) will need to be cleaned. There may be times when a show is booked during the week and the stalls will need to be cleaned during the week instead of the weekend. If there are such shows, the Contract Administrator can provide the information in advance so that appropriate measures may be taken to meet this cleaning schedule.

5.4 TRANSITION ASSISTANCE

If this Contract is not renewed at the end of this term, or is canceled prior to its expiration, for any reason, Vendor shall provide, at the option of the State, up to two (2) months after such end date all such reasonable transition assistance requested by the State, to allow for the expired or canceled portion of the Services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to the State or its designees. If the State exercises this option, the Parties agree that such transition assistance shall be deemed to be governed by the terms and conditions of this Contract (notwithstanding this expiration or cancellation), except for those Contract terms or conditions that do not reasonably apply to such transition assistance. The State shall pay Vendor for any resources utilized in performing such transition assistance at the most current rates provided by the Contract for performance of the services or other resources utilized.

6.0 CONTRACT ADMINISTRATION

6.1 PROJECT MANAGER AND CUSTOMER SERVICE

The Vendor shall designate and make available to the State a project manager. The project manager shall be the State's point of contact for contract related issues and issues concerning performance, progress review, scheduling and service.

6.2 DISPUTE RESOLUTION

The parties agree that it is in their mutual interest to resolve disputes informally. A claim by the Vendor shall be submitted in writing to the State's Contract Lead for resolution. A claim by the State shall be submitted in writing to the Vendor's Project Manager for resolution. The Parties shall negotiate in good faith and use all reasonable efforts to resolve such dispute(s). During the time the Parties are attempting to resolve any dispute, each shall proceed diligently to perform their respective duties and responsibilities under this Contract. If a dispute cannot be resolved between the Parties within thirty (30) days after delivery of notice, either Party may elect to exercise any other remedies available under this Contract, or at law. This term shall not constitute an agreement by either party to mediate or arbitrate any dispute.

3. **ACCEPTANCE AND REJECTION:** The State reserves the right to reject any and all proposals, to waive any informality in proposals and, unless otherwise specified by the Vendor, to accept any item in the proposal. If either a unit price or an extended price is obviously in error and the other is obviously correct, the incorrect price will be disregarded.
4. **BASIS FOR REJECTION:** Pursuant to 01 NCAC 05B .0501, the State reserves the right to reject any and all offers, in whole or in part, by deeming the offer unsatisfactory as to quality or quantity, delivery, price or service offered, non-compliance with the requirements or intent of this solicitation, lack of competitiveness, error(s) in specifications or indications that revision would be advantageous to the State, cancellation or other changes in the intended project or any other determination that the proposed requirement is no longer needed, limitation or lack of available funds, circumstances that prevent determination of the best offer, or any other determination that rejection would be in the best interest of the State.
5. **EXECUTION:** Failure to sign EXECUTION PAGE in the indicated space will render proposal non-responsive, and it shall be rejected.
6. **ORDER OF PRECEDENCE:** In cases of conflict between specific provisions in this solicitation or in any contract arising from it, the order of precedence shall be (high to low) (1) any special terms and conditions specific to this RFP, including any negotiated terms; (2) requirements and specifications in Sections 4, 5 and 6 of this RFP; (3) North Carolina General Contract Terms and Conditions in ATTACHMENT B: NORTH CAROLINA GENERAL CONTRACT TERMS AND CONDITIONS; (4) Instructions in ATTACHMENT A: INSTRUCTIONS TO VENDORS; and (5) Vendor's Proposal.
7. **INFORMATION AND DESCRIPTIVE LITERATURE:** Vendor shall furnish all information requested and in the spaces provided in this document. Further, if required elsewhere in this proposal, each Vendor must submit with their proposal sketches, descriptive literature and/or complete specifications covering the products offered. 8. **SUSTAINABILITY:** To support the sustainability efforts of the State of North Carolina we solicit your cooperation in this effort. Pursuant to Executive Order 156 (1999), it is desirable that all responses meet the following:
 - All copies of the proposal are printed double sided.
 - All submittals and copies are printed on recycled paper with a minimum post-consumer content of 30%.
 - Unless absolutely necessary, all proposals and copies should minimize or eliminate use of non-recyclable or non-reusable materials such as plastic report covers, plastic dividers, vinyl sleeves, and GBC binding. Three-ringed binders, glued materials, paper clips, and staples are acceptable.
 - Materials should be submitted in a format which allows for easy removal, filing and/or recycling of paper and binder materials. Use of oversized paper is strongly discouraged unless necessary for clarity or legibility.
9. **HISTORICALLY UNDERUTILIZED BUSINESSES:** Pursuant to General Statute §143-48 and Executive Order #150 (1999), the State invites and encourages participation in this procurement process by businesses owned by minorities, women, disabled, disabled business enterprises and non-profit work centers for the blind and

The "Principal Place of Business" is defined as the principal place from which the trade or business of the Vendor is directed or managed.
11. **CONFIDENTIAL INFORMATION:** To the extent permitted by applicable statutes and rules, the State will maintain confidential trade secrets that the Vendor does not wish disclosed. As a condition to confidential treatment, each page containing trade secret information shall be identified in boldface at the top and bottom as "CONFIDENTIAL" by the Vendor, with specific trade secret information enclosed in boxes or similar indication. Cost information shall not be deemed confidential under any circumstances. Regardless of what a Vendor may label as a trade secret, the determination whether it is or is not entitled to protection will be determined in accordance with G.S. §132-1.2. Any material labeled as confidential constitutes a representation by the Vendor that it has made a reasonable effort in good faith to determine that such material is, in fact, a trade secret under G.S. §132-1.2. Vendors are urged and cautioned to limit the marking of information as a trade secret or as confidential so far as is possible.
12. **PROTEST PROCEDURES:** When a Vendor wishes to protest a Contract resulting from this solicitation that is awarded by the Division of Purchase and Contract, or awarded by an agency in an awarded amount of at least \$25,000, a Vendor shall submit a written request addressed to the State Purchasing Officer at Purchase and Contract, 1305 Mail Service Center, Raleigh, NC 27699-1305.
